

Your Health Net SELECT Point of Service Plan

MAKE AN INFORMED CHOICE FOR YOUR FUTURE HEALTH CARE

Your employer is offering Health Net SELECT Point of Service (POS) as a plan option this open enrollment.

Your benefits – you decide

Your Health Net SELECT POS plan is flexible, yes. But that's just the beginning. When you need care, you choose which benefit option is right for you.

- **Through the HMO option**, your primary doctor will coordinate your routine and hospital care.
 - Plus, you'll get fixed-dollar amount copayments for most services.
- **Through the PPO and out-of-network options**, you have the freedom to see specialists both in- and out-of-network without referrals.
 - You'll often pay less using in-network providers.
 - You'll also avoid claim forms using in-network services.

WHEN IT'S TIME TO PICK A DOCTOR

Having the right doctor can be key to getting on a healthy path – and staying that way. When you enroll in your SELECT POS plan, you'll pick a doctor. Here's what that process looks like:

- 1 Choose a participating physician group (PPG) from our network.
- 2 Then choose a primary care physician (PCP) from that group.

Each of your covered dependents can choose a different PCP and a different PPG to meet their needs.
