

Take Control of Your Health with Our Wellness Programs

Decision Power: Health & Wellness

Health Net's Decision Power® program combines access to information, wellness tools and one-on-one support to improve your long-term health and well-being. You can use it to help stay fit, stop smoking or just make better health care choices.

Here are some highlights of the program:

- Get help reaching your health goals.
- Track diet, fitness program or cholesterol.
- Try an online health program.
- Learn what to do about health risks.
- Explore your treatment options.

Active&Fit Direct

The Active&Fit Direct™ program lets you join more than 11,500 fitness centers across the country for just \$25.00 a month (plus a one-time \$25.00 signup fee and taxes). The program requires a 3-month commitment. To learn more, visit <https://activeandfitdirect.com/Fitness/HealthNet>.

We've included Decision Power with all Health Net plans – at no additional cost to you!

Keep Your Budget Healthy, Too

Tips from your partner in health!

- Ask your doctor for generic versions of brand-name medications, when available.
- You can help reduce your out-of-pocket costs with our mail order pharmacy program. The program lets you get a three-month supply of your maintenance prescription drugs, often at a lower copayment. Maintenance drugs are those taken on a daily basis to treat chronic or long-term ailments.

Your Health Net Benefits Guide

We've packed this folder with information to help you enroll, navigate and use your Health Net health plan.

New to Health Net? We're here to help.

Prescription Transition of Care program (new members only)

If you are new to Health Net, please check the enclosed Prescription Transition form. If you take a maintenance drug listed on the form, please complete the form and return it to Health Net. You can also call the Customer Contact Center for help.

Continuity of care

If you or a family member receives ongoing medical treatment from a nonparticipating provider, call our Customer Contact Center. We're happy to help you fill out and submit a Continuity of Care request form. This form will tell us if you can receive continuity of care assistance.

Behavioral health

Health Net's behavioral health benefits (administered by MHN Services) support whole-person wellness. These cover care for mental health and substance abuse disorders, including chemical and alcohol dependency.
