Health Net Life and AD&D

Many small businesses want an employee benefits package that includes group term life and accidental death & dismemberment (AD&D) insurance with desirable benefit levels. This allows a small business employer to:

- Enhance their benefit package.
- Offer life insurance benefits at economical rates.

One way employers can enhance their benefits package and lower administrative costs is to consolidate health and life insurance carriers. This removes some of the extra administrative costs that come with managing an employee benefits package. Health Net Life Insurance Company underwrites Group Term Life Benefit Insurance, Accidental Death & Dismemberment, and Dependent Life Insurance.

GROUP LIFE PLAN FEATURES

- **Waiver of premium provision** – A life benefit can be extended during a period of total disability under terms specified in the group *Certificate of Insurance*.
- **Accelerated death benefit** – Provides financial protection to the insured in time of need, while also protecting the interest of the beneficiary. The accelerated benefit is a portion of the basic life insurance amount and is payable in a lump sum.
- **Conversion privilege** – A conversion privilege to whole life insurance is available to certain members whose coverage terminates due to reasons specified in the group policy.

Accidental Death & Dismemberment (AD&D)

These benefits are usually included as part of the group life insurance policy. Health Net Life Insurance Company does not offer AD&D benefits on a standalone basis.

- Benefit is payable as a result of an accidental loss of life or any of the physical losses specified in the group policy.
- The maximum benefit amount is equal to the basic life amount shown in the policy.
- This maximum benefit amount is payable for loss of life. It can also be payable for:
 - Loss of sight in both eyes.
 - Loss of both hands or both feet, or any two or more of these physical losses in the same accident.
- One half of the maximum benefit amount is payable for:
 - Loss of one hand.
 - Loss of one foot.
 - Loss of sight in one eye.
