Wellness Rewards Programs

WELL-BEING AS A WAY OF LIFE

Health Net invests in member health, and we're giving members a way to put their health first. Our **Wellness Rewards Program** has **expanded to more members** – offering an incentive that rewards our members' healthy habits, while helping you build and sustain client relationships to power your business.

Rewarding healthy habits

Members can earn a **\$50 gift card** annual reward by taking these simple steps to invest in their health:

- Complete a Health Risk Questionnaire (HRQ) online and printing the Wellness Assessment Results.
- Schedule their annual preventive care physical exam (annual exam) with their primary care physician (PCP). Then, take their Wellness Assessment Results with them to their annual exam and share the results with their PCP.
- Once HRQ results have been discussed with their PCP, members must **log back in** to their online Health Net account and **complete the Primary Care Physician Form** to confirm results were shared with their PCP. This form is located in the "Reward Section" under "Complete Forms & Survey."
