Benefits for your employees

Triple tax advantage²

An HSA helps employees keep more of their hard-earned money by providing the potential for:

- **Pre-tax contributions:**

Contributions to an HSA can be made with pre-tax dollars, which means every dollar employees put into their HSA adds up to savings (employers can offer a payroll deduction³ option to help employees make contributions on a pre-tax basis).

- **Tax-free gains:** Any gains on the money in an HSA are tax free, so employees keep 100% of any money their HSA savings or investments earn, likely boosting the amount of money they have to cover their out-of-pocket medical costs.

- **Tax-free withdrawals:**

Employees won't pay taxes on money they withdraw for qualified medical expenses.

No "use it or lose it" rules

Any unused balance is carried over from one year to the next.

Control

Employees decide:

- How much money to save in their account (up to the IRS contribution limit).
- Which qualified medical expenses to pay with their HSA.⁴
- How to invest their money.⁵

Bank of America advantage

Easy ways to pay and track spending:

- Free HSA Visa[®] debit card with no transaction fee.⁶
- Secure online portal.
- Mobile app.⁷
- Access to a range of mutual funds with no additional account or transactional fees.⁸

Dedicated support of the customer care center.

HSA for Life

Money in an HSA belongs to the employee, even if they change plans or jobs.

²About Triple Tax Advantages: Participants can receive tax-free distributions from their HSA to pay or be reimbursed for qualified medical expenses they incur after they establish the HSA. If they receive distributions, the amount withdrawn will be subject to income tax and may be subject to an additional 20% tax. Any interest or earnings on the assets in the account are tax-free. Participants may be able to claim a tax deduction for contributions made to the HSA. Bank of America recommends that applicants and employers contact qualified tax or legal counsel before establishing an HSA.

³In order to offer payroll deductions, an employer's cafeteria plan must comply with Internal Revenue Code Section 125.

⁴The Internal Revenue Service publishes a list of qualified expenses in "Publication 502, Medical and Dental Expenses", available at www.irs.gov.

⁵Employee may invest in a wide range of mutual funds once their account reaches the minimum required balance of \$1,000.
