Generic substitutions

Generic drugs will be dispensed when a generic drug equivalent is available. Health Net will cover brand-name drugs that have generic equivalents only when the brand-name drug is medically necessary and the physician obtains prior authorization from Health Net, subject to copayment requirements described in the member’s Schedule of Benefits.

This is merely a brief summary of benefits. It does not include all covered services, limitations or exclusions. Please refer to the *Evidence of Coverage* for all terms and conditions of coverage.
