

Scripps Health Has Joined the Salud HMO y Más Network

EXPANDING COMMUNITY-FOCUSED CARE FOR SOUTHERN CALIFORNIA

Health Net's Salud HMO y Más has teamed up with Scripps Health to bring community-based health coverage to more Californians than ever before! With Scripps as a part of the Salud HMO y Más network, we can provide affordable plans to more people – without sacrificing the quality care standards of Salud HMO y Más network.

What does this mean for you and your employees?

- ✓ **National recognition**
Scripps is a strong, respected network ranked among the top health systems in the nation.
- ✓ **An expanded network**
Scripps brings an additional 950 physicians at 21 clinics and five hospital campuses across San Diego County.
- ✓ **Convenient access**
Scripps offers many options for same-day and after-hours care including Scripps HealthExpress, urgent care centers, telemedicine, and hospital emergency rooms.
- ✓ **Community-centric health care coverage**
Plans are designed to serve the unique needs of Southern Californians and the specific needs of your business.

Get the right kind of care at the right location for you

With Scripps Health in the fold, you don't have to travel far to find primary care physicians or top-rated specialists in the San Diego area. And you'll have access to participating providers in Tijuana and Mexicali! Virtual care options are also available for your convenience.
