## **Limitations**

### **General**

1. Any procedures not specifically listed as a covered benefit in this plan's *Schedule of Benefits* are available at 75% of the usual and customary fees of the treating Health Net-selected general or specialty care dentist, provided the services are included in the treatment plan and are not specifically excluded.
2. Dental procedures or services performed solely for cosmetic purposes or solely for appearance are available at 75% of the usual and customary fees of the treating Health Net-selected general or specialty care dentist, unless specifically listed as a covered benefit on this plan's *Schedule of Benefits*.
3. General anesthesia is a covered benefit only when administered by the treating dentist, in conjunction with oral and periodontal surgical procedures.

### **Preventive**

1. Routine cleanings (prophylaxis), periodontal maintenance services and fluoride treatments are limited to twice a year. Two (2) additional cleanings (routine and periodontal) are available at the copayment listed on this plan's *Schedule of Benefits*. Additional prophylaxis is available, if medically necessary.

### **Diagnostic**

1. Panoramic or full-mouth X-rays: Once every three (3) years, unless medically necessary.

### **Restorative**

1. An additional charge, not to exceed \$150 per unit, will be applied for any procedure using noble, high noble or titanium metal.
2. Replacement of any crowns or fixed bridges (per unit) is limited to once every five (5) years.

2. Dentures (full or partial): Replacement only after five (5) years have elapsed following any prior provision of such dentures under a Health Net plan, unless due to the loss of a natural functioning tooth. Replacements will be a benefit under this plan only if the existing denture is unsatisfactory and cannot be made satisfactory as determined by the treating Health Net-selected general dentist.
3. Delivery of removable prosthodontics includes up to three (3) adjustments within six (6) months of delivery date of service.

### **Endodontics**

1. The copayments listed for endodontic procedures do not include the cost of the final restoration.
