## Benefits for your employees

### Triple tax advantage<sup>2</sup>

An HSA helps employees keep more of their hard-earned money by providing the potential for:

- **Pre-tax contributions:**

Contributions to an HSA can be made with pre-tax dollars, which means every dollar employees put into their HSA is a dollar saved (employers can offer payroll deduction<sup>3</sup> option to help employees make contributions on a pre-tax basis).

- **Tax-free gains:** Any gains on the money in an HSA are tax free, so employees keep 100% of any money their HSA savings or investments earn, boosting the amount of money they have to cover their out-of-pocket medical costs.

- **Tax-free withdrawals:**

Employees won't pay taxes on money they withdraw for qualified medical expenses.

### No "use it or lose it" rules

Any unused balance is carried over from one year to the next.

### Control

Employees decide:

- How much money to save in their account (up to the IRS contribution limit).
- Which qualified medical expenses to pay with their HSA.<sup>4</sup>
- How to invest their money.<sup>5</sup>

## BANK OF AMERICA

### Bank of America advantage

Easy ways to pay and track spending:

- Free HSA Visa<sup>®</sup> debit card with no transaction fee.<sup>6</sup>
- Secure online portal.
- Mobile app.<sup>7</sup>
- Access to a range of mutual funds with no additional account or transactional fees.<sup>8</sup>

Dedicated support of the customer care center.

### HSA for Life

Money in an HSA belongs to the employee, even if he or she changes insurance plans or jobs.

## Let's Get Started

### Ready to enroll? It's easy!

Before you begin, you will need:

- Employer tax identification (TIN/EIN number).
- HSA start date.
- Total number of employees.
- Bank routing number and account number for billing and employer funding.
- Group primary contact information.

Once you have collected the above items, click on one of the links below to begin the enrollment. The enrollment process will take about 10 minutes.

**Employee paid? Click <https://healthbenefits.bankofamerica.com/EmployerSetup.aspx?code=BHNO3652>.**

**Your group will be set up within 5 business days.** Once your group is established, you will be able to add enrollment and funding. An HSA implementation specialist will be reaching out to you to ensure your account set-up goes smoothly.

<sup>2</sup>About Triple Tax Advantages: Participants can receive tax-free distributions from their HSA to pay or be reimbursed for qualified medical expenses they incur after they establish the HSA. If they receive distributions, the amount withdrawn will be subject to income tax and may be subject to an additional 20% tax. Any interest or earnings on the assets in the account are tax-free. Participants may be able to claim a tax deduction for contributions made to the HSA. Bank of America recommends that applicants and employers contact qualified tax or legal counsel before establishing an HSA.

<sup>3</sup>In order to offer payroll deductions, an employer's cafeteria plan must comply with Internal Revenue Code Section 125.

<sup>4</sup>The Internal Revenue Service publishes a list of qualified expenses in "Publication 502, Medical and Dental Expenses", available at [www.irs.gov](http://www.irs.gov).

<sup>5</sup>Employee may invest in a wide range of mutual funds once their account reaches the minimum required balance of \$1,000.

<sup>6</sup>This HSA debit card program is issued by Bank of America, N.A. Visa is a registered trademark of Visa International Service Association and is used by the issuer pursuant to license from Visa U.S.A. Inc.

<sup>7</sup>Data connection required. Wireless carrier fees may apply. Mobile app is not available on all devices.

<sup>8</sup>Mutual Fund investment offerings for the Bank of America HSA are made available by Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S"), a registered broker-dealer, Member SIPC and a wholly owned subsidiary of Bank of America Corporation ("BoFA Corp"). Investment in mutual funds are held in an omnibus account at MLPF&S in the name of Bank of America, N.A. ("BANA"), for the benefit of all HSA account owners. Recommendations as to HSA investment menu options are provided to BANA by the Chief Investment Office ("CIO"), Global Wealth & Investment Management ("GWIM"), a division of BoFA Corp.
