

Why Health Net?

SMALL BUSINESS GROUP

At Health Net, we offer an array of small business benefit solutions. We're committed to offering the right-size plans and networks that are designed to suit small businesses needs, and their budgets. And with concierge-style service, behavioral health available to all plans, wellness programs, and other extras, we believe our plans offer value beyond benefits. The net result is satisfaction.

Access to quality care paired with affordable rates (in HMO and PPO)

Our plans + networks are winning combinations of affordable, competitive rates, and access to quality care. We offer HMO and PPO solutions for each small business.

Robust provider network options

We offer a robust number of options to meet your benefit/coverage, provider access and budget needs. Your clients have choice and flexibility with our five networks: Full Network HMO, WholeCare HMO, SmartCare HMO, Salud HMO y Más, and Full Network PPO.

National PPO Provider Network Outside Of California¹

For Small employer groups based in California, Cigna HealthcareSM PPO Network² replaced the provider network outside of California for Health Net PPO plans with out-of-state coverage. With over one million providers and 6,300 facilities, the national Cigna HealthcareSM PPO Network offers a wide selection of doctors and hospitals, competitive discounts, and flexibility to support value-driven plan designs.

More flexible underwriting

Enjoy simpler selling and flexible choices with Health Net's Underwriting Guidelines and two promotions.

For groups enrolling 5 or more eligible employees with Health Net, employees enrolled on another carrier through the same employer are now considered valid waivers.

Participation guidelines have been reduced to 25% for groups with 5 or more enrolling employees within our Enhanced Choice program. There's no participation requirement for groups with 6 or more enrolling employees within our Sell HMO with 6 promotion.
