# Glossary

## **Coinsurance**

Refers to the percentage of covered costs payable by member; i.e., if a member's coinsurance is 20%, Health Net pays 80% of the covered costs, and the member is responsible for the remaining 20% of the costs.

## **Deductible**

This is the amount members must pay for services before the plan begins covering them. (This amount may not apply to routine and preventive care visits.)

## **HMO (health maintenance organization)**

Plans that offer primary care physician guidance and referrals within our large statewide network.

## **OON (out-of-network)**

A physician, provider group or hospital that is not a contracted participant of the Health Net provider network. Generally, if you go out-of-network, you will pay more.

## **PCP (primary care physician)**

The physician a member designates as the primary doctor, following the requirements for an HMO plan. With an HMO plan, a member must see this physician first for all health matters and obtain referrals from the PCP.

## **PPO (preferred provider organization)**

Plans that offer members access to visit any physician or hospital in our large statewide PPO network. When visiting in-network physicians, members receive in-network specific discounts and a lower coinsurance than for out-of-network providers.

## **Salud HMO y Más (Health and More) plans**

The Health Net Salud plans address the needs of the Latino population in California and offer access to health care on both sides of the California/Mexico border. California members access a select network of doctors and physician groups in their local service area but also have the freedom to visit participating SIMNSA providers in Mexico, no referral required.
