## When can you add an employee?

- **New hire** New hires must meet the probationary period you have set for your group. Example: Probationary period is 1st of the month following date of hire (e.g., full-time employees hired 1/15 would have an effective date of 2/1).
- Open Enrollment Once a year at renewal, you can enroll employees and dependents who had previously declined coverage.
- Loss of coverage Remember to include a copy of the Prior Coverage Certificate with the enrollment form when submitting an application due to loss of coverage.

## When can you add a dependent?

Dependents may be added at Open Enrollment or when there is a qualifying event.

### What is a qualifying event?

- Newborn
- Marriage
- · Court order dependent
- Adoption/Placement for adoption/ Foster care
- · Loss of coverage

All applications for adding new dependents due to a qualifying event must be signed by the subscriber and received by Health Net within 60 days of that event.

## Most common reasons an application is delayed

- · Missing date of hire
- · Missing date of birth
- Missing signature
- Employee signed both acceptance and declination sections

#### **Cancellations**

Cancellation requests for employees and/or dependents must be received within 30 days of effective date (e.g., for an employer to cancel an employee effective 4/1, the request must be received by Health Net no later than 4/30).
