

A Leader in Imperial County

A Model for California

A California company with a strong presence in the Imperial Valley, California Health & Wellness (CHW) deeply understands the region's evolving health care landscape and has expertise serving its diverse patient population – offering affordable, quality coverage for every stage of life.

As an established leader and embedded managed care plan in the Imperial Valley, CHW is committed to transforming the health of the community one person at a time by delivering the highest quality care through a strong, locally-managed Imperial County office, 100 percent local staff and key community partnerships.

“I’m very happy with CHW. I’ve had other Health plans, but CHW is the best plan. It has helped encourage me to stay healthy through health coaching, Case Management resources, medical services, and peace of mind.”

J.F.

MEDICAL OFFICE MANAGER

“I would like you to know and thank you for the excellent provider services that you have provided to us as CHW representative. Since, we contracted with CHW we have not had any unresolved issues up to this date. ... I thank you for the communication between CHW and our office as we continue to work together to better serve our patients.”
