

# Health Net in the Community

CENTRAL VALLEY

Health Net®

## A California Company | A Leader in the Central Valley

A California company with a strong presence in the Central Valley, Health Net deeply understands the region's evolving health care landscape and has expertise serving its diverse patient population — offering affordable, quality coverage for every stage of life.

As an established leader and managed care plan in the Central Valley serving Kern, San Joaquin, Stanislaus and Tulare counties, Health Net is committed to transforming the health of the community one person at a time by delivering the highest quality care.

### HEALTH NET'S FOOTPRINT IN THE CENTRAL VALLEY

## Tackling Key Challenges in the Central Valley

### HOMELESSNESS

People experiencing homelessness, especially youth<sup>1</sup> and veterans<sup>2</sup>, in the Central Valley often lack the resources to seek and receive medical care and have increased by 50%<sup>3</sup>. Health Net is committed to meeting the needs of the population of people experiencing homelessness through investments and partnerships with leading nonprofits and providers.

**8 investments**  
**\$479,740**  
invested from 2017 – 2019

*Health Net in Action:* A Health Net grant to San Joaquin County Public Health Services allowed for the city to address the stem cause of multiple communicable disease outbreaks among the homeless community. SJC PHS was able to **SCREEN 253 HOMELESS INDIVIDUALS TOTAL, OFFER SERVICES SUCH AS HEPATITIS A VACCINES, INFLUENZA VACCINES, BLOOD DRAWS AND RAPID SYPHILIS TESTING, AND TREAT ALL CASES OF DIAGNOSED SYPHILIS AS A RESULT.**

### BEHAVIORAL HEALTH

1 in 6 Californians<sup>4</sup> battle with behavioral health and are failed by a struggling infrastructure. Health Net believes integration of behavioral health is key to treating the whole person and improving health outcomes.

**16 investments**  
**\$192,884**  
invested from 2017 – 2019

*Health Net in Action:* Health Net recently supported the Haven Women’s Center of Stanislaus County in **SUPPORTING YOUTH-LED ADOLESCENT RELATIONSHIP ABUSE PREVENTION PROGRAMS AT THREE MODESTO CITY SCHOOL DISTRICT HIGH SCHOOLS.** The three school-based HARRT programs have **CONVENED 51 AFTER SCHOOL CLUB MEETINGS FOR A TOTAL OF 293 INDIVIDUALS** and HARRT youth leaders have **FACILITATED PEER-TO-PEER HEALTHY RELATIONSHIPS PRESENTATIONS AT 5 HIGH SCHOOLS, IMPACTING 1,039 LOCAL STUDENTS.**

### ACCESS & ENROLLMENT

The Central Valley is one of the fastest growing communities in California, but faces many challenges in accessing health care and services, and being provided with the necessary infrastructure<sup>5</sup>. By expanding access to underserved communities, Health Net is demonstrating its commitment to every Californian.

**9 investments**  
**\$825,000**  
invested from 2017 – 2019

*Health Net in Action:* To ensure Central Valley residents have access to care, Health Net partnered with the Community Health Initiative of Kern County to deploy outreach efforts in low income neighborhoods. CHI was able **TO REACH 31,538 INDIVIDUALS AND PARTICIPATE IN 373 EVENTS, OFFER 5,810 CLIENTS POST ENROLLMENT SUPPORT AND ASSIST 982 RESIDENTS WITH SCHEDULING AN APPOINTMENT WITH A SERVICE PROVIDER.**
