An Active & Engaged Member of the Los Angeles Community

An integrated member of the communities in which we operate, Health Net is steadfast in its commitment to serve patients throughout Los Angeles — going above and beyond to identify and support meaningful health care solutions. Through critical investments and key partnerships with local organizations and government, Health Net strives to be a leader in recognizing and meeting the specific needs of Angelenos.

From 2017-2019, Health Net contributed more than **\$11 MILLION** through over **263 LOCAL INVESTMENTS** in Los Angeles to address many of the region's top health care priorities including:

Tackling Key Challenges in Los Angeles

HOMELESSNESS

Over 50,000¹ people experience homelessness in Los Angeles county and lack the resources to seek and receive medical care. Health Net is committed to meeting the needs of Los Angeles' homeless population through investments and partnerships with leading nonprofits and providers.

18 investments
\$503,500

INVESTED FROM 2017-2019

Health Net in Action: Health Net partnered with St. John's Well Child to provide outreach and health care access to the homeless population in South LA. As a result of the grant, **1,338 HOMELESS INDIVIDUALS AND FAMILIES** were linked to comprehensive medical, dental and behavioral health care.

BEHAVIORAL HEALTH

1 in 6 Californians² battle mental illness and are failed by a struggling infrastructure. Health Net believes integration of behavioral health is key to treating the whole person and improving health outcomes.

13 investments
\$595,550

INVESTED FROM 2017-2019

Health Net in Action: Health Net recently supported JWCH Institute's expansion of the Corner of Hope Project facility — the expansion created capacity for **750 ADDITIONAL BEHAVIORAL HEALTH PATIENTS WHO WILL RECEIVE 3,000 VISITS.**

ACCESS & ENROLLMENT

Nearly 900,000³ Angelenos struggle to access and navigate proper medical services. By expanding access to low income, under-served communities, Health Net is keeping its promise to serve every Californian.

30 investments
\$2,690,000

INVESTED FROM 2017-2019

Health Net in Action: An investment in the Southside Coalition to expand access and care for vulnerable populations resulted in outreach to **22,000 INDIVIDUALS**, enrollment for more than **8,500 NEW MEDI-CAL MEMBERS**, renewed coverage for **3,000 PATIENTS** and connections of **3,500 MEMBERS** to a primary care facility.
