| Call to order, Introductions, & Agenda Overview | <ul style="list-style-type: none">• Call to order at 12:02pm.• Committee members and Health Net staff introduced themselves.• Committee members were polled about the two things that get them most excited about attending community events in their area. | N/A | N/A |
| Appeals and Grievances (A&G) Operations Overview | Daniel Saldarriaga (Senior Manager, Appeals and Grievances Operations) provided an over-view of the appeals and grievances process, including how cases are received, assigned, researched, and resolved. He explained the responsibilities of members, including being respectful, sharing accurate information, following care plans, and using the emergency room wisely. Additionally, he talked about the difference between appeals, grievances, and inquiries. Lastly, he provided examples of ap-peals and grievances, such as requests to see out-of-network providers, denials of medical services, and delays in transportation services. | | |

|---|--|--|--|
| | <p>Members were encouraged to file appeals and grievances so the Plan can be made aware and initiate actions. Mr. Saldarriaga emphasized that Health Net has a zero-tolerance policy for retaliation from the provider if a grievance or appeal is filed against them.</p> <p>There were no further questions and/or comments at the end of the presentation.</p> | | |
| Member Experience Survey and Why It's Important | <p>Guille Toland (Program Manager III) discussed the importance of the Consumer Assessment of Healthcare Providers and Systems (CAHPS) survey. CAHPS asks members to provide feedback about their experience with the Plan and their doctors. Ms. Toland explained the CAHPS survey timeline, the types of questions included, and how the survey results are used to identify areas of improvement. She shared the 2024 CAHPS results, highlighting strengths and areas for improvement, such as getting appointments and care quickly, and care coordination. Lastly, she encouraged members to complete the CAHPS survey to provide valuable feedback and improve services.</p> <p>There were no further questions and/or comments at the end of the presentation.</p> | | |
| Health Equity Workplan, Language Assistance Program (LAP) & 2024 End of Year Language Assistance Program Report | <p>Pao Houa Lee (Senior Health Equity Specialist) provided an overview of the Language Assistance Program (LAP) and the activities completed in 2024. Ms. Lee explained the legal requirements for LAP, including providing interpreter services, translation services, and alternate formats for members with limited English proficiency. She detailed the types of interpreter services available, including face-to-face, telephone, video, and sign language interpreters. Lastly, she shared the top 10 preferred spoken languages by Health Net members and the number of interpretation services provided in 2024.</p> <p>Members were informed that they can always request translations if needed.</p> <p>The committee had no additional questions and/or comments for Ms. Lee.</p> | | |

|------------------------------|---|--|--|
| CAC Follow Ups/Updates | Ayleen Dimailig (Program Manager, Community Advisory Committee) went over pending follow up items from the Q1 meeting. Ms. Dimailig shared that discounted or free gym memberships are not currently available for members, but the Health Net team will continue to see what other options are available. In the meantime, members were invited to utilize Community Connect Find Help or view health education resources on the Krames Library. She also shared additional telehealth resources for behavioral health services for members under 18 years old as a response to requests for the last quarter. | | |
| Community Sharing/Open Forum | Committee members were invited to share items for Community Sharing/Open Forum. Members requested support. Meeting was adjourned at 1:30pm. | | |
