2. About your dental plan

Dental plan overview

Health Net is a dental plan for people who have Medi-Cal in Los Angeles County. We work with the state of California to help you get the dental care you need. You may talk with one of our Member Services Representatives to learn more about the dental plan and how to make it work for you. Call 1-800-977-7307 (TTY 711).

When your coverage starts and ends

When you enroll in Health Net, you will receive a Health Net Member ID card within seven (7) calendar days of enrollment. Please show this card every time you go for any service under the Health Net. This card is proof that you are enrolled with Health Net.

Your Medi-Cal coverage will need to be renewed every year. The county will send you a Medi-Cal renewal form. Complete this form and return it to your local county human services agency.

You must see the dentist listed on your ID card. If you did not choose a Dentist when you enrolled, a dentist will be assigned to you. You call 1-800-977-7307 (TTY 711) to choose a different dentist. Your Primary Care Dentist's name and telephone number are on your ID card.

You may ask to end your Health Net coverage and choose another dental plan at any time. For help choosing a new plan, call Health Care Options at 1-800-322-6384 (TTY 1-800-735-2922). Or visit <https://www.healthcareoptions.dhcs.ca.gov/>.

You can also ask to end your Medi-Cal. You must follow DHCS procedures if you ask to end your coverage.

Sometimes Health Net can no longer serve you. Health Net must end your coverage if:

- You move out of the county or are in prison
- You no longer have Medi-Cal
- You request to be disenrolled from Health Net

Continuity of care

As a member of Health Net, you will get your dental care from providers in Health Net network. If you now see dentists who are not in the Health Net network, you may be able to keep seeing them for up to twelve (12) months. If your dentists do not join our network by the end of twelve (12) months, you will need to switch to dentists in the Health Net network.

You have the right to dental services with a dentist(s) who is not part of Health Net's network for certain dental benefits. Call 1-800-977-7307 (TTY 711) to see if you qualify for this service, or to get a copy of Health Net's Continuity of Care policy.

College students who move to a new county

If you move to a new county to attend college, you may still be able to get Health Net services, even if Health Net does not serve your new county. Or you may be able to get services through regular Medi-Cal, also known as Fee-for-Service (FFS) Medi-Cal. This is called continuity of care. Health Net provides continuity of care services for college students if:

- It is an emergency

Dentists who leave Health Net

If your dentist stops working with Health Net, you may be able to keep getting services from that dentist. This is another form of continuity of care. Health Net provides continuity of care services for:

Health Net provides continuity of care services for:

- Services that have not been finished by the dentist before leaving Health Net
- Services that have not been finished by an out-of-network dentist when you become active with Health Net

Health Net provides continuity of care services if the following terms are met:

- You did not have access to a Health Net dental provider

Health Net does **not** provide continuity of care services if the following terms are met:

- You did have access to a Health Net dental provider

To learn more about continuity of care services, call 1-800-977-7307 (TTY 711).

Costs

Member costs

Health Net serves people who qualify for Medi-Cal. Health Net members do **not** have to pay for covered services. You will not have premiums, co-pays or deductibles. You may have to pay a portion of your dental care costs each month before benefits become effective. This is called your share of cost. The amount of your share of cost depends on your income and resources. For questions about share of cost, contact your local county human services office. Find your local office at <http://www.dhcs.ca.gov/services/medi-cal>.

participating dental provider may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. How a dentist gets paid

Health Net pays dentists in these ways:

- Capitation payments
 - Health Net pays some dentists a set amount of money every month for each Health Net member. This is called a capitation payment. Health Net and dentists work together to decide on the payment amount.
- Fee-for-service payments
 - Some dentists give dental care to Health Net members and then send Health Net a bill for the services they provided. This is called a fee-for-service payment. Health Net and dentist work together to decide how much each service costs.

To learn more about how Health Net pays dentists, call 1-800-977-7307 (TTY 711).

3. How to get dental care

Getting dental services

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS DENTAL CARE MAY BE OBTAINED.

You can begin to get dental care services on your effective date of coverage. Always keep your dental plan ID card and Medi-Cal BIC card with you. Never let anyone else use your ID card or BIC card. Dentists are also called dental providers.

New members must choose a Primary Care Dentist (PCD) in our network. The Health Net network is a group of dentists who work with us. You must choose a PCD within thirty (30) days from the time you become a member in Health Net. If you do not choose a PCD, we will choose one for you.

You may choose the same PCD or different PCDs for all family members in Health Net. If you have a dentist you want to keep, or you want to find a new PCD, you can look in the dental Provider Directory. It has a list of all PCDs in our plan network. The dental Provider Directory has other information to help you choose. If you need a dental Provider Directory, call 1-800-977-7307 (TTY 711). You can also find the dental Provider Directory on our website at www.hndental.com.

If you cannot get the care you need from a participating dental provider in our network, your PCD must ask Health Net for approval to send you to an out-of-network provider. Read the rest of this Chapter to learn more about PCDs, our dental Provider Directory and our dental provider network.

When you call for an appointment with your PCD, tell the person who answers the phone that you are a member of Health Net. Give your dental plan ID number.

To get the most out of your dental visit:

Call member services at 1-800-977-7307 (TTY/TDD 711). Health Net is here Monday through Friday 8:00 a.m. to 5:00 p.m. The call is toll-free. Or call the California Relay Line at 711. Visit online at www.hndental.com.

- Bring your Medi-Cal Identification Card (BIC)
- Bring your dental plan Identification Card (ID)
- Bring your valid California ID card or driver's license
- Know your Social Security Number
- Bring your list of medications
- Be ready to talk with your PCD about any dental problems you've noticed for yourself or your children.
- Be sure to call your PCD's office if you are going to be late or cannot go to your appointment.

Routine dental care

Oral health is an important part of overall health and well-being. The Medi-Cal Dental program recommends that children begin seeing a dentist by their first tooth or their birthday. Routine care is regular dental care. Health Net covers routine care from your PCD. Some services may be referred to dentists that are specialists, and some services may require pre-approval (prior authorization).

Initial health assessment (IHA)

Health Net recommends that, as a new member, you see your new PCD in the next ninety (90) days for an initial health assessment (IHA). The purpose of the IHA is to help your PCD learn your health care history and needs. Your PCD may ask you some questions about your health history or may ask you to complete a questionnaire. Your PCD will also tell you about health education counseling and classes that may help you.

When you call to schedule your IHA, tell the person who answers the phone that you are a member of Health Net. Give your Health Net ID number. Take your BIC and your Health Net ID card to your appointment.

It is a good idea to take a list of your medications and questions with you to your visit. Be ready to talk with your PCD about your health care needs and concerns. Be sure to call your PCD's office if you are going to be late or cannot go to your appointment.

All dental services must meet Medi-Cal Dental program requirements to be covered.

Where to get dental care

You will get most of your care from your PCD. Your PCD will give you most of your routine dental care. Your PCD will refer (send) you to specialists if you need them.

Dental Provider Directory

The Health Net dental Provider Directory lists providers that participate in the Health Net network. The network is the group of providers that work with Health Net.

The Health Net dental Provider Directory lists dentists, specialist dentists, Federally Qualified Health Centers (FQHCs) and Rural Health Clinics (RHCs).

The dental Provider Directory has names, provider addresses, phone numbers, business hours and languages spoken. It tells if the provider is taking new patients, the provider's cultural and linguistic capabilities (i.e., languages offered by the provider or skilled medical interpreter at the providers office, including American Sign Language), and whether the provider completed cultural competence training. It gives the level of physical accessibility for the building.

You can find the online dental Provider Directory at www.hndental.com. If you need a printed Provider Directory, call 1-800-977-7307 (TTY 711).

Dental provider network

The dental provider network is the group of dentists and specialty dentists that work with Health Net. You will get your covered services through our network.

In network

You will use dentists in the Health Net network for your dental care needs. You will get preventive and routine care from your PCD. You will also use specialists and other providers in our network.

To get a dental Provider Directory of network providers, call 1-800-977-7307 (TTY 711). Or you can find our dental Provider Directory online at www.hndental.com.

For urgent or emergency dental care, call your PCD. If you would like assistance to schedule an appointment, or are not in your home area, call 1-800-977-7307 (TTY 711).

For medical emergency care, call **911** or go to the nearest emergency room.

Out of network

Out-of-network providers are those that do not have an agreement to work with Health Net. Except for urgent or emergency care, you may have to pay for care from providers who are out of network. If you need covered dental care services, you may be able to get them out of network at no cost to you as long as they are medically necessary and not available in the network.

If you need help with out-of-network services, call 1-800-977-7307 (TTY 711). If you are outside of our service area and need care that is **not** an emergency, call your PCD right away. Or call 1-800-977-7307 (TTY 711).

If you have questions about out-of-network or out-of-area care, call 1-800-977-7307 (TTY 711).

Call member services at 1-800-977-7307 (TTY/TDD 711). Health Net is here Monday through Friday 8:00 a.m. to 5:00 p.m. The call is toll-free. Or call the California Relay Line at 711. Visit online at www.hndental.com.

Dentists

You will choose a primary care dentist (PCD) from the Health Net dental Provider Directory. Your PCD must be a participating dentist. This means the dentist is in our network. To get a copy of our dental Provider Directory, call 1-800-977-7307 (TTY 711).

You should also call if you want to check to be sure the PCD you want is taking new patients. If you were seeing a dentist for certain conditions before you were a member of Health Net, you may be able to keep seeing that dentist. This is called continuity of care. You can read more about continuity of care in Chapter two (2) of this handbook. To learn more, call 1-800-977-7307 (TTY 711).

Primary Care Dentist (PCD)

New members must choose a PCD within thirty (30) days of enrolling in Health Net. You may choose a general dentist as your PCD.

You can also choose a Federally Qualified Health Center (FQHC), community clinic, Native American Health Clinic or other primary care facility that has dental services as your PCD if they are in the Health Net network and if you qualify for their services. These are centers that are located in areas that do not have many dental care services.

You can choose the same or different PCDs for everyone in your family who is a member of Health Net.

If you do not choose a PCD within thirty (30) days, a dentist who works with member care in Health Net will choose a PCD for you.

Your PCD will:

- Get to know your dental needs
- Keep your dental records
- Give you the preventive and routine dental care you need
- Refer (send) you to a specialist if you need one

You can look in the dental Provider Directory to find a PCD in the Health Net network. The dental Provider Directory has a list of FQHCs that work with Health Net.

Call member services at 1-800-977-7307 (TTY/TDD 711). Health Net is here Monday through Friday 8:00 a.m. to 5:00 p.m. The call is toll-free. Or call the California Relay Line at 711. Visit online at www.hndental.com.

You can find our dental Provider Directory online at www.hndental.com. Or call 1-800-977-7307 (TTY 711). You can also call to find out if the PCD you want is taking new patients.

Choice of Dentists

You know your dental care needs best, so it is best if you choose your PCD. It is best to stay with one PCD so he or she can get to know your dental care needs. However, if you want to change to a new PCD, you can change one time each month. You must choose a PCD who is in the Health Net dental provider network and is taking new patients.

Your new choice will become your PCD on the first day of the next month after you make the change. To change your PCD, call 1-800-977-7307 (TTY 711).

We may ask you to change your PCD if the PCD is not taking new patients, has left our network, or does not give care to patients your age. Health Net or your PCD may also ask you to change to a new PCD if you cannot get along with or agree with your PCD, or if you miss or are late to appointments. If we need to change your PCD, we will tell you in writing. If you change PCDs, you will get a new dental plan member ID card in the mail. It will have the name of your new PCD. Call Member Services if you have questions about getting a new ID card.

Appointments and visits

When you need dental care:

- Call your PCD
- Have your Health Net ID number ready on the call
- Leave a message with your name and phone number if the office is closed
- Take your BIC and dental plan ID card to your appointment
- Bring an identification card or driver license
- Be on time for your appointment
- Call right away if you cannot keep your appointment or will be late
- Have your questions ready in case you need them

Payment

You do **not** have to pay any deductibles or co-pays for covered services. You should not get a bill from a dentist. You may get an Explanation of Benefits (EOB) or a statement from a dentist. EOBs and statements are not bills.

Call member services at 1-800-977-7307 (TTY/TDD 711). Health Net is here Monday through Friday 8:00 a.m. to 5:00 p.m. The call is toll-free. Or call the California Relay Line at 711. Visit online at www.hndental.com.

If you do get a bill, call 1-800-977-7307 (TTY 711). Tell us the amount charged, the date of service and reason for the bill. If you get a bill or are asked to pay a co-pay, you can also file a claim form. You will need to tell us in writing why you had to pay for the item or service. We will read your claim and decide if you can get money back.

For questions or to ask for a claim form, call 1-800-977-7307 (TTY 711).

Referrals

Your PCD will give you a referral to send you to a specialist if you need one. A specialist is a dentist who has extra education in one area of dentistry. Your PCD will work with you to choose a specialist. Your PCD's office can help you set up a time to see the specialist. Your PCD may give you a form to take to the specialist dentist. The specialist dentist will fill out the form and send it back to your PCD. If you want a copy of our referral policy, call 1-800-977-7307 (TTY 711).

You do not need a referral for:

- PCD visits
- Urgent or emergency care

Pre-approval

For some types of care, your PCD or specialist dentist will need to ask us before you get the care. This is called prior authorization or pre-approval. It means that Health Net agrees that the care is medically necessary.

Care is medically necessary if it is to prevent and eliminate orofacial disease, infection, and pain, to restore the form and function of the dentition, or to correct facial disfiguration or dysfunction. Dental services must meet Medi-Cal program rules for medical necessity.

These dental services need pre-approval, even if you receive them from a provider in the Health Net network:

- Root canals
- Crowns
- Full/partial denture
- Deep cleanings (scaling and root planing)
- General anesthesia and IV sedation

Call member services at 1-800-977-7307 (TTY/TDD 711). Health Net is here Monday through Friday 8:00 a.m. to 5:00 p.m. The call is toll-free. Or call the California Relay Line at 711. Visit online at www.hndental.com.

Other dental services your dentist recommends may also require pre-approval. For some services, such as care from a specialist dentist, you need pre-approval if you get the care out of network. We will decide within five (5) business days, for routine service, or seventy-two (72) hours for urgent care.

We review the request to decide if the care is medically necessary and covered. We do **not** pay our reviewers to deny coverage or dental services. If we do not approve the care, we will tell you why. Health Net will contact you if we need more information or more time to review your request.

Second opinions

You might want a second opinion about care your PCD says you need, or about your diagnosis or treatment plan. For example, you may want a second opinion if you are not sure you need a prescribed treatment or surgery. To get a second opinion, call us at 1-800-977-7307 (TTY 711) and can refer you to a network provider for a second opinion.

We will pay for a second opinion if you or your network dentist asks for it and you get the second opinion from a network dentist. If you have urgent request, we will decide within seventy-two (72) hours. Call Member Services at 1-800-977-7307 (TTY 711)).

If we deny your request for a second opinion, you may appeal. To learn more about appeals, go to Chapter seven (7) in this handbook.

California Children's Services (CCS)

CCS is a state program that treats children under 21 years of age with certain health conditions, diseases or chronic health problems and who meet the CCS program rules. If Health Net or your PCP believes your child has a CCS condition, he or she will be referred to the CCS program.

CCS program staff will decide if your child qualifies for CCS services. If your child can get these types of care, CCS providers will treat him or her for the CCS condition. Health Net will continue to cover types of service that do not have to do with the CCS condition such as physicals, vaccines and well-child checkups.

Health Net does not cover care given by the CCS program. For CCS to cover these problems, CCS must approve the provider, services and equipment. CCS does not cover all problems. CCS covers most problems that physically disable or that need to be treated with medicines, surgery or rehabilitation (rehab). CCS covers children with problems such as:

Ways to get involved as a member

Health Net wants to hear from you. Each year, we have meetings to talk about what is working well and how we can improve. Members are invited to attend. Join us and tell us what you think!

Health Net's Public Policy Committee

We have a group called the Public Policy Committee. This group is made up of members, supporting staff, and participation committee members. The group talks about how to improve Health Net policies and is responsible for:

- Recommending ways to better serve our members
- Reviewing quality metrics to ensure member satisfaction
- Suggesting improvements to Health Net's program
- Reviewing Health Net's financial ability to administer dental services

If you would like to be a part of this group, call 1-800-977-7307 (TTY 711).

Notice of Privacy Practices

A statement describing Health Net's policies and procedures for preserving the confidentiality of dental records is available and will be furnished to you upon request.

As required by law, this notice is about your rights, our legal duties and privacy practices with respect to the privacy of Personal Health Information (PHI). This notice also talks about the way we may collect, use and disclose your PHI. We must follow the orders of the notice currently in effect. We keep the right to make changes to this notice from time to time and to make the changed notice effective for all PHI we keep. You can find our most current privacy notice on our website at www.hndental.com

Call our Member Services at 1-800-977-7307 (TTY 711) Monday through Friday for a written copy of this notice.

Notice about laws

Many laws apply to this Member Handbook. These laws may affect your rights and responsibilities even if the laws are not included or explained in this handbook. The main laws that apply to this handbook are state and federal laws about the Medi-Cal program. Other federal and state laws may apply too.

Notice about Medi-Cal as a payer of last resort

Sometimes someone else has to pay first for the services Health Net provided to you. For example, if you already have insurance from your employer. The California Department of Health Care Services has the right and responsibility to collect for covered Medi-Cal services for which Medi-Cal is not the first payer. The Medi-Cal program complies with state and federal laws and regulations relating to the legal liability of third parties for health care services to beneficiaries. We will take all reasonable measures to ensure that the Medi-Cal program is the payer of last resort.

Notice of Adverse Benefit Determination

We must use the Notice of Adverse Benefit Determination (NABD) form to notify you of a denial, termination, and delay or modification in benefits. If you disagree with Health Net's decision, you can file an appeal with Health Net. Information on how to file an appeal can be found in Chapter seven (7) of this Handbook.

Call member services at 1-800-977-7307 (TTY/TDD 711). Health Net is here Monday through Friday 8:00 a.m. to 5:00 p.m. The call is toll-free. Or call the California Relay Line at 711. Visit online at www.hndental.com.

7. Reporting and solving problems

There are two kinds of problems that you may have with Health Net Dental:

- A **complaint** (or **grievance**) is when you have a problem with Health Net, or a provider, or with the dental care or treatment you got from a provider
- An **appeal** is when you don't agree with Health Net's decision not to cover services

You should use the Health Net grievance and appeal process first to let us know about your problem. This does not take away any of your legal rights and remedies. We will also not discriminate or retaliate against you for complaining to us. Letting us know about your problem will help us improve care for all members. If your **grievance** is not solved, you may file a complaint with the California Department of Managed Health Care (DMHC). If you disagree with the result of your **appeal**, you can request a State Fair Hearing. You must complete Health Net's internal appeal process before you can request a State Fair Hearing.

You may also ask for an Independent Medical Review (IMR) from DMHC. The IMR is an impartial review of Health Net's decision. The IMR decides medical necessity, coverage, and payment disputes for urgent or emergency services. You must apply for an IMR within six (6) months after Health Net sent you a written decision about your appeal.

If you ask for a State Hearing first ([see below for more about appeals and State Hearings](#)), you **cannot** ask for an Independent Medical Review (IMR). But if you ask for an IMR first and are not satisfied with the result, you can ask for a State Hearing. You can get help from the California Department of Managed Health Care.

Call member services at 1-800-977-7307 (TTY/TDD 711). Health Net is here Monday through Friday 8:00 a.m. to 5:00 p.m. The call is toll-free. Or call the California Relay Line at 711. Visit online at www.hndental.com.

“The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **1-800-977-7307 (TTY 711)** and use your health plan’s grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department’s Internet Web site **www.dmhca.ca.gov** has complaint forms, IMR application forms and instructions online.”

The California Department of Health Care Services (DHCS) Medi-Cal Managed Care Ombudsman can also help. The Ombudsman can help with problems the plan has not resolved; problems joining, changing or leaving a plan; and other problems with a Medi-Cal managed care plan. You can call the Ombudsman at **1-888-452-8609**, Monday through Friday from 8:00 a.m. to 5:00 p.m.

You can also file a grievance with your county eligibility office about your Medi-Cal eligibility. If you are not sure who you can file your grievance with, call 1-800-977-7307 (TTY 711).

To ask for an expedited review, call 1-800-977-7307 (TTY 711). We will make a decision within seventy-two (72) hours of receiving your appeal.

A State Hearing is a meeting with people from the California Department of Social Services (DSS). A judge will help to resolve your problem. You can ask for a State Hearing only **after** you have completed an appeal process within Health Net and you are still not happy with the decision or if you have not received a decision on your appeal after thirty (30) days.

Call member services at 1-800-977-7307 (TTY/TDD 711). Health Net is here Monday through Friday 8:00 a.m. to 5:00 p.m. The call is toll-free. Or call the California Relay Line at 711. Visit online at www.hndental.com.

7 | Reporting and solving grievances

You can ask for a State Hearing by phone or mail. You must ask for a State Hearing no later than one-hundred-twenty (120) calendar days from the date on the notice telling you of the appeal decision. Your PCD can ask for a State Hearing for you if he or she gets approval from DSS.

Call DSS to ask the state to give approval for your PCD to ask for a State Hearing. If the notice that we sent tells you services will stop, you can keep receiving services during your State Hearing.

To do that, you or your PCD must request a State Hearing within ten (10) days of the date the notice was mailed to you. You should say that you want to continue receiving services.

To ask for a State Hearing by phone, call the California Department of Social Services' (DSS) Public Response Unit at **1-800-743-8525 (TTD 1-800-952-8349)**.

To ask for a State Hearing by mail, fill out the form provided to you with your appeals resolution notice. Send it to:

California Department of Social Services
State Hearings Division
P.O. Box 944243, MS 09-17-37
Sacramento, CA 94244-2430

If you need help asking for a State Hearing, we can help you. We can give you free language services. Call 1-800-977-7307 (TTY 711). At the hearing, you will give your side. We will give our side. It could take up to ninety (90) days for the judge to decide your case.

If you want us to make a fast decision because the time it takes to have a State Hearing would put your life, health, or ability to function fully in danger, you or your PCD can write to DSS. You can ask for an expedited (fast) State Hearing. DSS must make a decision no later than three (3) business days after it gets your request.

If you already had a State Hearing, you **cannot** ask for an IMR. But, if you ask for an IMR first and are not happy with the result, you can still ask for a State Hearing.

Call member services at 1-800-977-7307 (TTY/TDD 711). Health Net is here Monday through Friday 8:00 a.m. to 5:00 p.m. The call is toll-free. Or call the California Relay Line at 711. Visit online at www.hndental.com.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **1-800-977-7307 /TTY: 711** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for an IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired.
