Introduction

This directory provides a list of Health Net Seniority Plus Employer (HMO)'s network providers.

You will have to choose one of our network providers who are listed in this directory to be your **P**rietary **C**are **P**rovider (PCP) and call Member Services with your selection. Generally, you must get your health care services from your PCP. As a member of Health Net Seniority Plus Employer (HMO), you will have a PCP who coordinates all of your care. Your PCP is a health care professional who is trained to give you basic care. He or she is responsible for providing or coordinating covered services while you are a member of Health Net Seniority Plus Employer (HMO). If you do not choose a PCP or if you chose a PCP that is not available with this plan, we will automatically assign you to a PCP.

When you enroll in Health Net Seniority Plus Employer (HMO), you will select a Health Net participating provider group from our network. You'll also choose a PCP from this Health Net participating provider group.

As a Health Net Seniority Plus Employer (HMO) member, all of your routine health care is provided and arranged by your PCP. Your specialty care, X-rays, laboratory tests, therapy, medications, hospital admissions, and follow-up care will also be provided, authorized or coordinated by your PCP. If you go to a doctor, hospital or other provider without the approval of your PCP – except in an emergency or when you need urgent care, out-of-area renal dialysis, or certain gynecological care or other self-referred services – you will be responsible for paying any charges for these services. Neither Medicare nor Health Net will pay for non-emergency services or non-urgently needed care without the prior authorization of your PCP.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from out-of-network providers. Even though your PCP is trained to handle most of your common health needs, there may be times when he or she feels you need more specialized treatment. In that case, you may receive a referral (written permission) to see a specialist. Specialists are doctors who provide health care services for a specific disease or part of the body. Examples include oncologists (care for cancer patients), cardiologists (care for the heart) and orthopedists (care for bones). Other Pharmacies/Physicians/Providers are available in our network.

Some of your Health Net Seniority Plus Employer (HMO) plan services are covered only if your doctor or other network provider gets approval in advance (sometimes called "prior authorization") from us.

For Out-of-Area Coverage – Services authorized by Health Net Seniority Plus Employer (HMO) and other services contained in your Health Net Seniority Plus Employer (HMO) plan’s Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. You must use your plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Health Net Seniority Plus Employer (HMO) will be responsible for the costs. Please refer to your Health Net Seniority Plus Employer (HMO) plan Evidence of Coverage for more information.

In an emergency, call “911” or have someone take you to the emergency room located within any of the hospitals listed in Section 2 of this Provider Directory.

Please refer to Section 2 of this Provider Directory for a complete listing of available hospitals, urgent care facilities and/or refer to the Participating Physician Groups and Specialists Listing for available facilities.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area, you can obtain dialysis treatment from any qualified dialysis provider.

When you receive emergency or urgently needed care from a provider who is not part of our network, you are only responsible for paying your share of the cost, not for the entire cost. You should ask the provider to bill the plan for our share of the cost.

- If you pay the entire amount yourself at the time you receive the care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- At times, you may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made to:

Health Net
Medicare Advantage PO Box 9030
Farmington, MO 63640-9030

- If the provider is owed anything, we will pay the provider directly.
- If you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.

Post-stabilization services are medically necessary covered services related to an emergency medical condition that are provided after you are stabilized in order to maintain the stabilized condition. Health Net covers post-stabilization care following the administration of emergency services to stabilize or evaluate an emergency medical condition.

Emergency care can always be obtained from the nearest available provider. When in your plan’s service area, you should use network providers for urgently needed care. When out of the service area, urgently needed care may be obtained from the first available provider.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Health Net will be responsible for the costs.

If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. Please refer to your Health Net Seniority Plus Employer (HMO) plan's Evidence of Coverage for more detailed information.

For directories listing other Health Net Seniority Plus Employer (HMO) participating network providers, facilities and/or pharmacies, you can visit ca.healthnetadvantage.com or call our Member Services Department at 1-800-275-4737. From October 1 through March 31, you can call us 7 days a week from 8:00 a.m. to 8:00 p.m. From April 1 to September 30, you can call us Monday through Friday from 8:00 a.m. to 8:00 p.m. A messaging system is used after hours, weekends, and on federal holidays. TTY users should call 711.

We must provide you with access to primary care and behavioral health services within the following time-frames:

Primary care:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention;
- within 30 days for routine and preventative care.

- within 96 hours for urgently needed services that require prior authorization;

SECCIÓN 1

Introducción

Este directorio proporciona una lista de los proveedores de la red de Health Net Seniority Plus Employer (HMO).

Usted tendrá que elegir a uno de los proveedores de nuestra red listados en este directorio como su **P**roveedor de **C**uidado **P**rimario (PCP) y llamar a Servicios para Miembros con su elección. Generalmente, usted debe recibir sus servicios de cuidado de la salud de su PCP. Como miembro de Health Net Seniority Plus Employer (HMO), tendrá un PCP que coordina toda su atención. Su PCP es un profesional de la salud que está capacitado para proporcionarle atención médica básica. Es responsable de proporcionar o coordinar los servicios cubiertos mientras usted es miembro de Health Net Seniority Plus Employer (HMO). Si no elige un PCP o si elige un PCP que no está disponible con este plan, le asignaremos automáticamente un PCP.

Cuando se inscribe en Health Net Seniority Plus Employer (HMO), seleccionará un grupo de proveedores participantes de Health Net de nuestra red. También elegirá un PCP de este grupo de proveedores participantes de Health Net.

Como miembro de Health Net Seniority Plus Employer (HMO), su PCP proporciona y organiza toda su atención médica de rutina. Su PCP también proporcionará, autorizará y coordinará su atención especializada, radiografías, pruebas de laboratorio, terapia, medicamentos, ingresos hospitalarios y atención de seguimiento. Si va a un médico, hospital u otro proveedor sin la aprobación de su PCP —excepto en una emergencia o cuando necesite atención urgente, diálisis renal fuera del área o ciertos cuidados ginecológicos u otros servicios autoderivados—, usted será responsable de pagar cualquier cargo por estos servicios. Ni Medicare ni Health Net Seniority Plus Employer (HMO) pagarán por servicios que no sean de emergencia o atención que no se necesite urgentemente sin la autorización previa de su PCP.

Los proveedores de la red enumerados en este directorio han acordado proporcionarle sus servicios de atención médica. Puede ir a cualquiera de nuestros proveedores de red enumerados en este directorio; sin embargo, algunos servicios pueden requerir una derivación. Si usted ha estado consultando un proveedor de la red, no tiene la obligación de seguir consultando al mismo proveedor. En algunos casos, puede recibir servicios cubiertos de proveedores que no pertenecen a la red. Aunque su PCP está entrenado para manejar la mayoría de sus necesidades comunes de salud, puede haber ocasiones en las que él o ella sientan que usted necesita un tratamiento más especializado. En ese caso, usted puede recibir una derivación (permiso por escrito) para ver a un especialista. Los Especialistas son médicos que ofrecen servicios de atención de la salud para una enfermedad o una parte del cuerpo específica. Entre los ejemplos se incluyen oncólogos (atención a pacientes con cáncer), cardiólogos (atención al corazón) y ortopedistas (atención a los huesos). Otros(as) Pharmacies/Physicians/Providers están disponibles en nuestra red.

Algunos de los servicios de su plan de Health Net Seniority Plus Employer (HMO) solo están cubiertos si su médico u otro proveedor de la red recibe la aprobación por adelantado (a veces llamada “autorización previa”) de nosotros.

Para Cobertura Fuera del Área: Se cubrirán los servicios autorizados por Health Net Seniority Plus Employer (HMO) y otros servicios incluidos en el documento de Evidencia de Cobertura del plan Health Net Seniority Plus Employer (HMO) (también conocido como contrato del miembro o acuerdo de suscriptor). Debe usar proveedores del plan excepto en situaciones de emergencia o cuidado de urgencia o para diálisis renal fuera del área de servicio u otros servicios. Si usted obtiene cuidado de rutina de proveedores fuera de la red, ni Medicare ni Health Net Seniority Plus Employer (HMO) serán responsables de los costos. Consulte la Evidencia de Cobertura de su plan Health Net Seniority Plus Employer (HMO) para obtener más información.

En caso de emergencia, llame al "911" o pida a alguien que lo lleve a la sala de emergencias ubicada en cualquiera de los hospitales enumerados en la Sección 2 de este Directorio de Proveedores.

Consulte la Sección 2 de este Directorio de Proveedores para obtener una lista completa de hospitales y centros de atención urgente disponibles y/o consulte la Lista de Grupos de Médicos y Especialistas Participantes para conocer los centros disponibles.

La atención de emergencia siempre se puede obtener dentro o fuera del área de servicio del proveedor disponible más cercano. Cuando se encuentre en el área de servicio, debe usar los proveedores del plan para atención urgente. Cuando se encuentre fuera del área de servicio, el cuidado urgente se puede obtener del primer proveedor disponible. Además, si se encuentra fuera del área de servicio, puede recibir tratamiento de diálisis de cualquier proveedor de diálisis calificado.

Cuando recibe atención de emergencia o atención urgentemente necesaria de un proveedor que no forma parte de nuestra red, usted es el único responsable de pagar su parte del costo, no por el costo total. Debe pedir al proveedor que facture al plan por nuestra parte del costo.

- Si paga el monto entero usted mismo en el momento en que recibe el cuidado, necesita pedirnos que le devolvamos nuestra parte del costo. Envíenos la factura junto con la documentación de todos los pagos que realizó.
- A veces, es posible que reciba una factura de un proveedor en la que se solicite el pago de servicios que usted considera que no es deuda suya. Envíenos la factura, junto con la documentación de todos los pagos que ya realizó a la siguiente dirección:

Health Net
Medicare Advantage PO Box 9030
Farmington, MO 63640-9030

- Si se le debe algo al proveedor, nosotros le pagaremos directamente.
- Si ya pagó más de su parte del costo del servicio, determinaremos cuánto debe y le reembolsaremos nuestra parte del costo.

Los servicios posteriores a la estabilización son servicios cubiertos médicamente necesarios relacionados con una afección médica de emergencia que se proporcionan después de que usted se estabilice para mantener la condición estabilizada. Health Net cubre la atención posestabilización después de la administración de servicios de emergencia para estabilizar o evaluar una afección médica de emergencia.

El cuidado de emergencia siempre se puede obtener del proveedor disponible más cercano. Cuando esté en el área de servicio del plan, debe usar proveedores de la red para cuidado urgentemente necesario. Fuera del área de servicio, el cuidado urgentemente necesario se puede obtener del primer proveedor disponible.

Debe usar proveedores del plan, excepto en situaciones de emergencia o cuidado de urgencia, o para diálisis renal fuera del área de servicio u otros servicios. Si obtiene cuidado de rutina de proveedores fuera de la red, ni Medicare ni Health Net serán responsables de los costos.

Si su atención de emergencia es proporcionada por proveedores fuera de la red, trataremos de hacer arreglos para que los proveedores de la red tomen el control de su atención tan pronto como su condición médica y las circunstancias lo permitan. Consulte la Evidencia de Cobertura de su plan Health Net Seniority Plus Employer (HMO) para obtener información más detallada.
