

Out-of-Pocket Maximum Notification

A copayment is a fixed out-of-pocket amount members pay for covered services. Use this form to record the copayments you have paid during the year. Be sure to include copayments for services delivered to you and members of your family.

Copayments may be required for certain authorized services as noted in your *Evidence of Coverage* booklet (*EOC*). There is a maximum to the amount of copayments which you are required to pay each calendar year. This is called your out-of-pocket maximum (*OOPM*).

Refer to your *EOC* to find the *OOPM* matching your type of contract: one member, two members, or a family contract. If you change contract type during the year, copayments made under the prior contract will apply toward your copayment under the new contract type. When adding up your *OOPM*, costs for non-covered services do not apply. Please refer to your *EOC* for other services which do not apply to the *OOPM*.

An individual member only needs to satisfy a one-member copayment maximum per calendar year. This is true no matter what contract type the member has. No further copayments are required for a member as of the date he or she satisfies the member level maximum copayment liability through the remainder of the calendar year. A family-level *OOPM* is met by adding all family members' copayments. There are examples of these *OOPMs* on the back of this form.

It is your responsibility to maintain records to validate when your *OOPM* is reached. As soon as you reach your maximum for this year, fill out the form below. Attach all receipts, copies of cancelled checks and a copayment history report for these copayments to this form. Your doctor's office can provide a copayment history report.

Mail a copy of this form and copies of your proof of payments to the address below.
