Schedule your initial health appointment within the next 120 days

A visit to your doctor can help put you on the path to a **healthier lifestyle**. Schedule your **initial health appointment** and take the first step toward better health.

Why is your health appointment so important?

1. You may not have had a doctor's visit in a while.

This is your chance to get preventive care services to help you stay healthy.

2. Your health changes from year to year.

When you get a physical every year, you have a great chance to catch and prevent any health problems before they get serious.

3. Your doctor can help you manage serious health conditions.

That means finding treatment to help you feel better, so you can enjoy life more.

Schedule a ride to and from your appointment

Keep your plan for better health by scheduling **no-cost transportation to and from every health care appointment**.

This includes:

- Medical appointments
- Dental appointments¹
- Dialysis and other ongoing care
- Medical equipment pick up
- Therapist (including substance use help appointments)
- Specialist appointments
- Hospital discharge

Call Member Services to schedule your no-cost ride.

Call your doctor today to schedule your health appointment. Your doctor's name and phone number are listed on your member ID card.

When to start using your benefits

Your member ID card lists your **coverage start date**.

Where is my member ID card?

If you have not received your member ID card **after ten business days** from the date of enrollment or the date the ID card was requested, please call Member Services toll-free at 1-800-675-6110 (TTY: 711), 24 hours a day, 7 days a week.

5 How to Find Your Primary Care Physician

Your primary care physician (PCP) is your doctor

Health Net has doctors who:

- Have convenient office hours
- Can take care of you and your whole family
- Understand your unique cultural needs
- Speak your preferred language

Do not forget!

Your doctor is your partner in health. They are there to listen, give advice, and help. Choosing the right doctor can make a **big difference in your health.**

What to think about if you do need to choose a new doctor

Is the doctor part of your network and taking new patients?

Call Member Services to find out. You can also visit our website at www.healthnet.com and click *Find a Provider*.

Note: If you had a doctor before you became a Health Net member and that doctor is not in our network, **you may be able to keep visiting them for a limited time.** Please call Member Services to speak to them about your circumstance.

How easy is it to get an appointment?

Make sure the doctor offers appointment times that work for you. For instance, you might need to visit your doctor before or after work, or on weekends.

Think about where the doctor's office is located.

- How long will it take you to get there, from home or work?
- Is it easy to find parking?
- Can you take a bus or train?

Get a no-cost ride to your appointment

If getting to any doctor or dental¹ appointment is a problem, our no-cost ride service can help. To arrange a no-cost ride, call Member Services.

¹Dental applies to residents of Los Angeles and Sacramento.

For help, call Member Services toll-free at 1-800-675-6110 (TTY: 711), 24 hours a day, 7 days a week.

Does this doctor offer online tools and phone or video visits?

Patient portals and apps can make it easy to:

- Email your doctor
- Check lab results
- Make online appointments
- Refill prescriptions

And with phone or video visits, you can talk to a doctor from the **comfort of your home!**

Does this doctor meet your specific needs?

Know what you are looking for in a doctor:

- Would you like to see a doctor who understands your culture and speaks your language?
- Do you want doctors who can take care of you and your family at the same location?
- Do you need to see a specialist or need care for special health issues?

The right doctor can help you and your family get and stay healthy. So, before you choose a new doctor, get the answers you need. Contact us:

- **By phone (toll-free)**

6 First Meeting with Your Doctor

Your doctor is your health partner. After choosing your doctor, **it is important to set up your first visit so you can get to know each other.** This may help you feel more at ease when talking about your health.

Your doctor provides you with routine care that includes:

- Yearly checkups
- Vaccines (shots)
- Treatment
- Prescriptions
- Cancer screenings
- Diabetes and asthma management
- Medical advice

Your doctor also:

- Keeps your health records
- Refers (sends) you to specialists if needed
- Orders X-rays, lab work, mammograms, and more (when needed)

Your yearly wellness exam

A yearly checkup with your doctor helps you stay informed about your health. You can share changes you have noticed and bring up any health concerns.

Your doctor can also help you make a **care plan to help you stay healthy.**

It is an ideal chance to ask questions about your health or about your medications. Call to set up your first visit and wellness exam.

Change your doctor

If you did not choose a doctor when you enrolled, **we will choose one for you.** If you would like to change your doctor, give us a call.

If you have questions or concerns, please contact us:

- **Phone (toll-free)** – 1-800-675-6110 (TTY: 711), 24 hours a day, 7 days a week.
- **Online** – Visit www.healthnet.com and click *Find a Provider*.

7 Where to Go for Care

Your plan offers several ways for you to get the care you need when you need it.

Your doctor's office

Your doctor

Go to your doctor for routine and preventive care. This includes:

- Yearly wellness exams
- Illnesses
- Vaccines
- General medical care

Other in-network providers

Get care from other doctors, specialists, or providers (like urgent care or hospitals) in your network. To find a doctor in your network, visit www.healthnet.com and click the *Find a Provider* link.

Mental health services

Your plan includes coverage for:

- Counseling
- Psychiatric services

You will not need a referral from your doctor.

Find a therapist or psychiatrist at www.healthnet.com and click *Find a Provider*. You can also call Member Services and select *Behavioral Health*.

At home

Video appointments anytime

Cannot visit your doctor or need help when their office is closed? **Use telehealth services for online video visits.** Meet with a board-certified doctor 24 hours a day, 7 days a week.

Telehealth services offers an easy option for non-emergency care.

Telehealth doctors can also prescribe medications when needed. Your telehealth services contact information is listed on the back of your member ID card.

Phone appointments anytime

Get mental health or substance use disorder services through a video or phone appointment by calling Member Services and choosing *Behavioral Health*.

Nurse Advice Line anytime

Call our Nurse Advice Line and speak to a clinician 24 hours a day, 7 days a week. You will enjoy **real-time support** for help to understand your symptoms and the level of care needed. The telephone number is listed on the back of your member ID card and also listed below.

In a clinic

Urgent care centers

Get same-day care for non-emergency, non-life threatening illnesses, or injuries. Many urgent care centers now offer X-rays and lab tests.

Visit www.healthnet.com and click *Find a Provider* to find an urgent care center near you.

Note: Go straight to the nearest emergency room or call 911 if you have an emergency.

Emergency care is for life-threatening medical conditions or severe accidental injuries.

For help, call Member Services toll-free at 1-800-675-6110 (TTY: 711), 24 hours a day, 7 days a week.

8 Start Using Your Benefits Right Away!

COMPLETE A FEW SIMPLE STEPS TO BEGIN TO GET THE CARE YOU NEED

Follow these steps to ensure you're all set to use your plan benefits:

1

Check your coverage start date
