

## Enhanced Care Management Program Member Referral Form

Enhanced Care Management (ECM) is a Medi-Cal benefit that provides comprehensive care management services to Medi-Cal members with complex health and/or social needs. To be eligible for ECM, members must qualify for one or more of the identified **ECM Populations of Focus** and are not enrolled in duplicative services (as defined in the **Exclusionary Screening Checklist**). Members enrolled in ECM will primarily receive in-person care management/care coordination services that will be provided in the member’s community by contracted ECM provider agencies who have elected to serve the member’s specific Populations of Focus. ECM providers can serve more than one Populations of Focus.

Use this form to refer a member whom you assess as ECM-eligible. **Please confirm the member’s Health Plan and submit this completed ECM Program Member Referral Form via secure fax (Fax Number: 800-743-1655).**

Health Net\*, on behalf of CalViva Health, will assess the submitted member’s eligibility and respond with next steps or request more information within one week.

**There are three steps to the screening and referral process:**

1. First, **complete the Populations of Focus Screening Checklist** to confirm member eligibility.
2. Next, **complete the Exclusionary Screening Checklist** to confirm eligibility and identify duplicative programs for which the member must choose and potential programs that the member can be enrolled in while also in ECM, which will require coordination of services.
3. If the member **is determined to be eligible for ECM** based on **both screening checklists**, complete the **ECM Program Member Referral Form** (include any additional information to support eligibility) and send securely to the member’s Health Plan for review.
