Important Notice Regarding Prior Authorization Data

The prior authorization information posted here may differ from data submitted to state or federal regulators, which may be compiled using different methodologies, reporting periods, data sources, or validation processes. This information is provided for transparency and informational purposes only and should not be relied upon as a complete or definitive representation of all prior authorization activity.

Additionally, the data presented on this website is derived from multiple operational systems and reflects information available at the time of publication. Due to system limitations, data integration constraints, and ongoing process enhancements, certain prior authorization requests, determinations, or attributes may not be fully captured or reflected in this dataset.

Medi-Cal Prior Authorization

List effective December 31, 2025

The Plan requires prior authorization as a condition of payment for many services. This notice contains information regarding such prior authorization requirements and is applicable to the CalViva Health Medi-Cal product.

The Plan is committed to delivering cost effective quality care to our members. This effort requires us to ensure that our members receive only treatment that is medically necessary according to current standards of practice. Prior authorization is a process initiated by the physician in which we verify the medical necessity of a treatment in advance using independent objective medical criteria and/or in network utilization, where applicable.

It is the ordering/prescribing provider's responsibility to determine which specific codes require prior authorization.

Please verify eligibility and benefits prior to rendering services for all members. Payment, regardless of authorization, is contingent on the member's eligibility at the time service is rendered. NON-PARTICIPATING PROVIDERS and FACILITIES REQUIRE AUTHORIZATION FOR ALL SERVICES EXCEPT WHERE INDICATED.

Current prior authorization requirements for can be found on the [Prior Authorizations](#) page.
