

## **Environmental Accessibility Adaptations (Home Modifications) Provider Order**

Environmental Accessibility Adaptations (EAAs, also known as Home Modifications) are physical home modifications that are necessary to ensure the health, welfare and safety of the individual or enable the individual to function with greater independence in the home, without which the member would require institutionalization. The services are available in a home that is owned, rented, leased or occupied by the member. For more information, review the <u>Environmental Accessibility Adaptation (Home Modifications) Authorization Guide</u>.

This provider order form must be signed by a licensed health care professional. Submitting this form is an attestation that environmental accessibility adaptations are necessary to avoid the risk of hospitalization.

Complete and submit this form with the *Medi-Cal – Prior Authorization Request Form – Outpatient* either online (recommended) at **provider.healthnetcalifornia.com** or by **fax at 800-743-1655**.

For healthcare professional only
