

Learn More About D-SNP to Help Support Your Patients

SIGN UP FOR A WEBINAR TO SEE WHAT'S CHANGING JANUARY 1, 2023

As a reminder, on January 1, 2023, members enrolled in Cal MediConnect (Medicare-Medicaid Plan) or a dual eligible Special Needs Plan (D-SNP) “look alike” will transition to another plan as applicable. This change will help create an integrated approach to care coordination and provide extra support and resources to patients.

We want to make this easy for you!

We have scheduled a series of provider webinars and developed a provider portal reference guide to help you through this transition. If you've already attended a webinar, you do not need to join another one unless you'd like to. Everything you've already learned remains the same.
