8. Acceptance of coverage (Signature required.)

THE USE AND DISCLOSURE OF PROTECTED HEALTH INFORMATION: I acknowledge and understand that health care providers may disclose health information about me or my dependents to the Health Net Entities, the DBP Entities and/or the Fidelity Entities. The Health Net Entities, the DBP Entities and/or the Fidelity Entities use and may disclose this information for purposes of treatment, payment and health plan operations, including but not limited to, utilization management, quality improvement, disease or case management programs. Health Net's Notice of Privacy Practices is included in the Evidence of Coverage or Certificate of Insurance for coverage underwritten by the Health Net Entities. I may also obtain a copy of this Notice on the website at www.healthnet.com or through the Health Net Customer Contact Center.

NOTICE: For your protection, California law requires the following to appear on this form. Any person who knowingly presents a false or fraudulent claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison.

California law prohibits an HIV test from being required or used by health insurance companies as a condition of obtaining health insurance coverage.

ACKNOWLEDGEMENT AND AGREEMENT: I understand and agree that by enrolling with or accepting services from the Health Net Entities, the DBP Entities and/or the Fidelity Entities, I and any enrolled dependents are obligated to understand and abide by the terms, conditions and provisions of the Plan Contract or Insurance Policy. I have read and understand the terms of this application, and my signature below indicates that the information entered in this application is complete, true and correct to the best of my information and belief, and I accept these terms.

BINDING ARBITRATION AGREEMENT: I, the Applicant, understand and agree that any and all disputes between me (including any of my enrolled family members or heirs or personal representatives) and Health Net must be submitted to final and binding arbitration instead of a jury or court trial. This Agreement to arbitrate includes any disputes arising from or relating to the Evidence of Coverage or Certificate of Insurance or my Health Net membership or coverage, stated under any legal theory. This agreement to arbitrate any disputes applies even if other parties, such as health care providers or their agents or employees, are involved in the dispute. I understand that, by agreeing to submit all disputes to final and binding arbitration, all parties including Health Net are giving up their constitutional right to have their dispute decided in a court of law by a jury. I also understand that disputes that I may have with Health Net involving claims for medical malpractice (that is, whether any medical services rendered were unnecessary or unauthorized or were improperly, negligently or incompetently rendered) are also subject to final and binding arbitration. I understand that a more detailed arbitration provision is included in the Evidence of Coverage or Certificate of Insurance. Mandatory Arbitration may not apply to certain disputes if the Employer's plan is subject to ERISA, 29 U.S.C. §§ 1001-1461. My signature below indicates that I understand and agree with the terms of this Binding Arbitration Agreement and agree to submit any disputes to binding arbitration instead of a court of law.
