one patient at a time.*

Health Net®

Simplify Sales *with Next Generation* Health Care Coverage

Health Net SmartCare puts together all the pieces employers and employees value, so you can offer them a single solution that meets their needs today and tomorrow. Now you can help your clients prosper with:

- Simpler, more flexible plan choices that meet budgets and exceed expectations.
- A popular and proven network expanded for greater access and value.
- Whole person health – benefits that make employees feel valued, support their wellbeing, and sustain productivity.

With a tailored network, expanded benefits and health incentives in a single package, our latest solution is truly **smart care.**

Simplicity made possible

SmartCare offers a streamlined collection of HMO options to give your clients meaningful choices that can be easily understood, compared and selected.

Clients may offer as many SmartCare plans as they like to their employees – from one to all six. Plus, with our attractive participation requirements, it's easier for you to make SmartCare the perfect solution for your clients.

Available in all or parts of Los Angeles, Orange, Riverside, San Bernardino, San Diego, Santa Clara, and Santa Cruz counties.

SmartCare

Benefit description	Standard					Value
	10	20	30	40	50	50

¹Per day, 3-day max/admit.

²10 visits max/year.

Healthy lifestyles made possible

Health Net SmartCare is more than benefit coverage; it's a way to support wellbeing as a way of life. By engaging people in their health, SmartCare helps to improve outcomes and productivity.

Rewarding healthy habits

Adult SmartCare members can earn an annual \$50 gift card reward just by investing in their health. All they do is complete the Health Risk Questionnaire (HRQ), share the results with their primary care provider (PCP) at a scheduled preventive care physical, and note the physician visit in their www.healthnet.com account.

Health on demand

SmartCare gives members instant access to Health Net in the way that works for them, including:

- My Health Net: medical records, benefit details and claims information available to registered users on www.healthnet.com.
- Personal support and first-call resolutions by phone.
- Health Net Mobile – our smartphone app for folks on the go.
- Decision Power Healthy Pregnancy and text4baby.

Supporting health in balance with Decision Power®

Exclusive to Health Net, Decision Power helps people build healthy habits, make decisions with their doctors and manage complex health issues with a combination of wellness coaching, online resources and self-guided programs.

Plus, with Decision Power® Healthy Discounts, members save on health-related items including fitness club memberships, vitamins and weight management programs.

*We champion solutions
that are as unique as
the clients you serve.*

Value made possible

SmartCare offers health-boosting, business-savvy benefit designs that companies can afford, employees will use and both will value.

More ways to protect employees' health

- **Acupuncture and chiropractic services** are included as value-added benefits many Californians want.
- **Health incentives** help keep employees well and productive.

More relevant to your clients

- **Easy-to-understand, choose and use HMO plans** keep decision making clear and simple.

- **Sets employers up for the long-term.**

SmartCare is built to flex over time with planned expansions in geographic coverage, prominent participating provider groups and other resources to match evolving needs.

More ways to curb employee and employer expenses

- **Streamlined plan choices** that meet budgets and exceed expectations.
- **Maximizing health and minimizing costs** with a mix of wellness resources, incentives and high-tech conveniences that promote patient engagement.

SmartCare offers health-boosting, business-savvy benefit designs that companies can afford, employees will use and both will value.
