Large Group (51-100)
HMO 50 Standard SmartCare Network • Plan AA4

Health Net®
A BETTER DECISION

DELIVERING CHOICES

When it comes to your health care, the best decisions are made with the best choices. Health Net of California, Inc. (Health Net) provides you with ways to help you receive the care you deserve. This Summary of Benefits and Disclosure Form (SB/DF) answers basic questions about this versatile plan.

If you have further questions, contact us:

By phone at 1-800-522-0088,

Or write to: Health Net of California

P.O. Box 10348

Van Nuys, CA 91410-0348

Please examine your options carefully before declining this coverage.

This *Summary of benefits/disclosure form* (SB/DF) is only a summary of your health plan. The plan's *Evidence of Coverage* (EOC), which you will receive after you enroll, contains the exact terms and conditions of your Health Net coverage. You should also consult the *Group Hospital and Professional Service Agreement* (issued to your employer) to determine governing contractual provisions. It is important for you to carefully read this SB/DF and the plan's EOC thoroughly once received, especially those sections that apply to those with special health care needs. This SB/DF includes a matrix of benefits in the section titled "Schedule of benefits and coverage."

PLEASE READ THIS IMPORTANT NOTICE ABOUT THE HEALTH NET HMO SMARTCARE NETWORK HEALTH PLAN SERVICE AREA AND OBTAINING SERVICES FROM SMARTCARE NETWORK PHYSICIAN AND HOSPITAL PROVIDERS

Except for emergency care, benefits for physician and hospital services under this **Health Net HMO SmartCare Network** ("SmartCare Network") plan are only available when you live or work in the SmartCare Network service area and use a SmartCare Network physician or hospital. When you enroll in this SmartCare Network plan, you may only use a physician or hospital who is in the SmartCare Network and you must choose a SmartCare Network Primary Care Physician. You may obtain ancillary, pharmacy or behavioral health covered services and supplies from any Health Net participating ancillary, pharmacy or behavioral health provider.

OBTAINING COVERED SERVICES UNDER THE HEALTH NET HMO SMARTCARE NETWORK PLAN

TYPE OF PROVIDER	HOSPITAL	PHYSICIAN	ANCILLARY	PHARMACY	BEHAVIORAL HEALTH
AVAILABLE FROM	*Only SmartCare Network hospitals	*Only Smart-Care Network hospitals	All Health Net contracting ancillary providers	All Health Net participating pharmacies	All Health Net contracting behavioral health providers

** The benefits of this plan for physician and hospital services are only available for covered services received from a SmartCare Network physician or hospital, except for (1) urgently needed care outside a 30-mile radius of your physician group and all emergency care; (2) referrals to non-SmartCare Network providers are covered when the referral is issued by your SmartCare Network physician group; and (3) covered services provided by a non-SmartCare Network provider when authorized by Health Net. Please refer to "Specialists and referral care" in the "How the plan works" section and "Emergencies" in the "Benefits and coverage" section for more information.*

The service area and a list of SmartCare Network Physician and Hospital providers are shown in the Health Net SmartCare Network Provider Directory. In addition, SmartCare Network physicians and hospitals are listed online at our website www.healthnet.com. The SmartCare Network Provider Directory is different from other Health Net provider directories. A copy of the Health Net SmartCare Network Provider Directory may be ordered online or by calling Health Net's Customer Contact Center at the phone number on the back cover.

Not all physicians and hospitals who contract with Health Net are SmartCare Network providers. Only those physicians and hospitals specifically identified as participating in the SmartCare Network may provide services under this plan, except as described in the chart above.

Unless specifically stated otherwise, use of the following terms in this Summary of benefits/disclosure form (SB/DF) solely refer to the SmartCare Network as explained above.

- Health Net
- Health Net service area
- Hospital

- Member physician, participating physician group, primary care physician, physician, participating provider, contracting physician groups and contracting providers
- Network

Health Net SmartCare Network Alternative Access Standards

The SmartCare Network includes participating primary care and specialist physicians, and hospitals in the SmartCare service area, which consists of parts of Los Angeles, Riverside, San Bernardino, and San Diego counties, and all of Santa Clara, Santa Cruz and Orange counties. However, SmartCare members residing in the following zip codes will need to travel as indicated to access a participating PCP and/or receive non-emergency hospital services.

16 – 30 Miles

Los Angeles County: 90265 – Malibu (PCP and Hospital), 91390 – Santa Clarita (PCP and Hospital), 91384 – Castaic (PCP and Hospital), 93544 – Littlerock (PCP and Hospital), 93553 – Palmdale (PCP and Hospital), 93563 – Pearblossom (PCP and Hospital), 93591 – Palmdale (Hospital)

Orange County: 92624 – Capistrano Beach (Hospital), 92629 – Dana Point (Hospital), 92672 – San Clemente (Hospital), 92673 – San Clemente (Hospital), 92674 – San Clemente (Hospital), 92675 – San Juan Capistrano (Hospital), 92676 – Silverado (Hospital), 92677 – Laguna Niguel (Hospital), 92678 – Trabuco Canyon (Hospital), 92679 – Trabuco Canyon (Hospital), 92688 – Rancho Santa Margarita (Hospital), 92693 – San Juan Capistrano (Hospital), 92694 – Ladera Ranch (Hospital)

Riverside County: 912254 – Mecca (PCP and Hospital), 92274 – Thermal (PCP and Hospital), 92530 – Lake Elsinore (Hospital), 92531 – Lake Elsinore (Hospital), 92532 – Lake Elsinore (Hospital), 92536 – Aguanga (PCP and Hospital), 92539 – Anza (PCP and Hospital), 92543 – Hemet (Hospital), 92544 – Hemet (Hospital), 92545 – Hemet (Hospital), 92546 – Hemet (Hospital), 92549 – Idyllwild (Hospital), 92551 – Moreno Valley (Hospital), 92555 – Moreno Valley (Hospital), 92561 – Mountain Center (PCP and Hospital), 92567 – Nuevo (Hospital), 92570 – Perris (Hospital), 92571 – Perris (Hospital), 92572 – Perris (Hospital), 92599 – Perris (Hospital), 92880 – Corona (Hospital), 92882 – Corona (Hospital), 92883 – Corona (Hospital)

San Bernardino County: 92284 – Yucca Valley (Hospital), 92285 – Landers (PCP and Hospital), 92301 – Adelanto (Hospital), 92329 – Phelan (Hospital), 92342 – Helendale (Hospital), 92344 – Hesperia (Hospital), 92356 – Lucerne Valley (Hospital), 92365 – Newberry Springs (PCP and Hospital), 92368 – Oro Grande (Hospital), 92371 – Pinon Hills (Hospital), 92372 – Pinon Hills (Hospital), 92397 – Wrightwood (Hospital)

San Diego County: 91901 – Alpine (Hospital), 91935 – Jamul (Hospital), 92028 – Fallbrook (Hospital), 92059 – Pala (Hospital), 92061 – Pauma Valley (Hospital), 92065 – Ramona (Hospital)

Santa Cruz County: 95006 – Boulder Creek (Hospital), 95017 – Davenport (Hospital), 95060 – Santa Cruz (Hospital)

Beyond 30 Miles

San Bernardino County: 92277 – Twentynine Palms (PCP and Hospital: 55 miles), 92278 – Twentynine Palms (PCP and Hospital: 40 miles), 92347 – Hinkley (PCP and Hospital: 45 miles)

If you have any questions about the SmartCare Network Service Area, choosing your SmartCare Network Primary Care Physician, how to access specialist care or your benefits, please call Health Net Member Services at the phone number on the back cover.

HOW THE PLAN WORKS

Please read the following information so you will know from whom health care may be obtained, or what physician group to use.

SELECTION OF PHYSICIANS AND PHYSICIAN GROUPS

- When you enroll with Health Net, you choose a contracting physician group. From your physician group, you select one doctor to provide basic health care; this is your Primary Care Physician (PCP).
- Health Net requires the designation of a Primary Care Physician. A Primary Care Physician provides and coordinates your medical care. You have the right to designate any Primary Care Physician who participates in our network and who is available to accept you or your family members, subject to the requirements of the physician group. For children, a pediatrician may be designated as the Primary Care Physician. Until you make this Primary Care Physician designation, Health Net designates one for you. For information on how to select a Primary Care Physician and for a list of the participating Primary Care Physicians in the Health Net Service Area, refer to your Health Net Group HMO Directory (Health Net HMO Directory). The Health Net HMO Directory is also available on the Health Net website at www.healthnet.com. You can also call the Customer Contact Center at the number shown on your Health Net I.D. Card to request provider information.
- Whenever you or a covered family member needs health care, your PCP will provide the medically necessary care. Specialist care is also available, when referred by your PCP or physician group.
- You do not have to choose the same physician group or PCP for all members of your family. physician groups, with names of physicians, are listed in the *Health Net HMO Directory*.

HOW TO CHOOSE A PHYSICIAN

Choosing a PCP is important to the quality of care you receive. To be comfortable with your choice, we suggest the following:

- Discuss any important health issues with your chosen PCP;
- Ask your PCP or the physician group about the specialist referral policies and hospitals used by the physician group; and
- Be sure that you and your family members have adequate access to medical care, by choosing a doctor located within 30 miles of your home or work.

SPECIALISTS AND REFERRAL CARE

If you need medical care that your PCP cannot provide, your PCP may refer you to a specialist or other health care provider for that care. Refer to the “Mental Disorders and Chemical Dependency Care” section below for information about receiving care for Mental Disorders and Chemical Dependency.

You do not need prior authorization from Health Net or from any other person (including a Primary Care Physician) in order to obtain access to obstetrical or gynecological care from a health

care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, refer to your Health Net Group HMO Directory (Health Net HMO Directory). The Health Net HMO Directory is also available on the Health Net website at www.healthnet.com.

HMO SPECIALIST ACCESS

Health Net offers Rapid Access[®], a service that makes it easy for you to quickly connect with a specialist in Health Net's network. Ask your group or check the *Health Net HMO Directory* to see if your physician group allows "self-referrals" or "direct referrals" to specialists within the same group. Self-referral allows you to contact a specialist directly for consultation and evaluation. Direct referral allows your doctor to refer you directly to a specialist without the need for physician group authorization. Information about your physician group's referral policies is also available to you on our web site at www.healthnet.com.

MENTAL DISORDERS AND CHEMICAL DEPENDENCY CARE

Health Net contracts with MHN Services, an affiliate behavioral health administrative services company (the Behavioral Health Administrator), which administers behavioral health services for mental disorders and chemical dependency conditions. For more information about how to receive care and the Behavioral Health Administrator's prior authorization requirements, please refer to the "Behavioral Health Services" section of this SB/DF.

CVS MINUTE CLINIC SERVICES

The CVS MinuteClinic is a health care facility, generally inside CVS/pharmacy stores, which is designed to offer an alternative to a Physician's office visit for the unscheduled treatment of non-emergency illnesses or injuries such as strep throat, pink eye or seasonal allergies. Visits to a CVS MinuteClinic are covered as shown in the "Schedule of Benefits and Coverage" section.

You do not need prior authorization or a referral from your primary care physician or contracting physician group in order to obtain access to CVS MinuteClinic services. However, a referral from the contracting Physician Group or Primary Care Physician is required for any Specialist consultations. For more detailed information about CVS MinuteClinics, please refer to the plan's EOC or contact Health Net at the telephone number shown on the back cover.

-

HOW TO ENROLL

Complete the enrollment form found in the enrollment packet and return the form to your employer. If a form is not included, your employer may require you to use an electronic enrollment form or an interactive voice response enrollment system. Please contact your employer for more information.

Some hospitals and other providers do not provide one or more of the following services that may be covered under the plan's *Evidence Of Coverage* and that you or your family member might need:

- Family planning
- Contraceptive services; including emergency contraception
- Sterilization, including tubal ligation at the time of labor and delivery
- Infertility treatments
- Abortion

You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association or clinic, or call the Health Net Customer Contact Center at 1-800-522-0088 to ensure that you can obtain the health care services that you need.

SCHEDULE OF BENEFITS AND COVERAGE

This MATRIX is intended to be used to help you compare coverage benefits and is a summary only. The PLAN CONTRACT AND *Evidence of Coverage* (EOC) should be consulted for a detailed description of coverage benefits and limitations.

The copayment amounts listed below are the fees charged to you for covered services you receive. Copayments can be either a fixed dollar amount or a percentage of Health Net's cost for the service or supply and is agreed to in advance by Health Net and the contracted provider. Fixed dollar copayments are due and payable at the time services are rendered. Percentage copayments are usually billed after the service is received.

Principal benefits and coverage matrix

Deductibles None
 Lifetime maximums None

Out-of-Pocket maximum

One member \$5500
 Family (two members or more) \$11000

Once your payments for covered services equals the amount shown above in any one calendar year, including covered services and supplies provided by no additional copayments for covered services are required for the remainder of the calendar year. Once an individual member in a family meets the individual out-of-pocket maximum, the other enrolled family members must continue to pay copayments for covered services and supplies until the total amount of copayments paid by the family reaches the family out-of-pocket maximum or each enrolled family member individually meets the individual out-of-pocket maximum. Payments for any supplemental benefits or services not covered by this plan will not count toward this calendar year out-of-pocket maximum, unless otherwise noted. You will need to continue making payments for any additional benefits.

Payments for any supplemental benefits, infertility services, deductibles or services not covered by this plan will not count toward this calendar year out-of-pocket maximum, unless otherwise noted. Also, copayments and deductibles for prescription drugs do not apply to the out-of-pocket maximum, unless otherwise noted. You must continue to pay copayments for any services and supplies that do not apply to the out-of-pocket maximum.

Professional services

The copayments below apply to professional services only. Services that are rendered in a hospital or an outpatient center are also subject to the hospital or outpatient center services copayment. See "Hospitalization services" and "Outpatient services" in this section to determine if any additional copayments may apply.

Visit to physician, physician assistant or
 nurse practitioner, at a contracting
 physician group \$50
 Specialist consultations [■] \$50
 Visit to CVS MinuteClinic [◆] \$30
 Prenatal and postnatal office visits* \$50
 Normal delivery, cesarean section,
 newborn inpatient care Covered in full

Treatment of complications of pregnancy, including medically necessary abortions	See note below**
Surgeon or assistant surgeon services ▲	Covered in full
Administration of anesthetics.....	Covered in full
Laboratory procedures and diagnostic imaging (including x-ray) services	Covered in full
CT, SPECT, MRI, MUGA and PET	\$300
Rehabilitative therapy (includes physical, speech, occupational, cardiac rehabilitation and pulmonary rehabilitation therapy).....	\$50
Organ and stem cell transplants (non-experimental and non-investigational).....	Covered in full
Chemotherapy	Covered in full
Radiation therapy	Covered in full
Vision and hearing examinations (for diagnosis or treatment, including refractive eye examinations)	\$50

▪ *Self-referrals are allowed for obstetrics and gynecological services including preventive care, pregnancy and gynecological ailments. Copayment requirements may differ depending on the services provided.*

Podiatrist, chiropractor and acupuncturist services may be covered under “Specialist consultation” as authorized by your Physician Group.

♦ *Specialist referrals following care at the CVS MinuteClinic must be obtained through the contracting physician group. Preventive care services through the CVS MinuteClinic are subject to the copayment shown below under "Preventive care."*

▲ *Surgery includes surgical reconstruction of a breast incident to mastectomy (including lumpectomy), including surgery to restore symmetry; also includes prosthesis and treatment of physical complications at all stages of mastectomy, including lymphedema. While Health Net and your physician group will determine the most appropriate services, the length of hospital stay will be determined solely by your PCP.*

**Prenatal, postnatal and newborn care that are preventive care services are covered in full. See copayment listings for preventive care services below. If other non-preventive care services are received during the same office visit, the above copayment will apply for the non-preventive care services.*

***Applicable copayment requirements apply to any services and supplies required for the treatment of an illness or condition, including but not limited to, complications of pregnancy. For example, if the complication requires an office visit, then the office visit copayment will apply.*

Preventive care

Preventive care services

Preventive care services are covered for children and adults, as directed by your physician, based on the guidelines from the U.S. Preventive Services Task Force Grade A&B recommendations, the Advisory Committee on Immunization Practices that have been adopted by the Center for Disease Control and Prevention, the guidelines for infants, children, adolescents and women’s preventive health care as supported by the Health Resources and Services Administration (HRSA).

Preventive care services include, but are not limited to, periodic health evaluations, immunizations, diagnostic preventive procedures including preventive care services for pregnancy, and preventive vision and hearing screening examinations, a human papillomavirus (HPV) screening test that is approved by the federal Food and Drug Administration (FDA), and the option of any cervical cancer screening test approved by the FDA.

One breast pump and the necessary supplies to operate it (as prescribed by your physician) will be covered for each pregnancy at no cost to the member. We will determine the type of equipment, whether to rent or purchase the equipment and the vendor who provides it. Breast pumps can be obtained by calling the Customer Contact Center at the phone number listed on the back cover of this booklet.

Allergy treatment and other injections (except for infertility injections)

Allergy testing	\$50
Allergy serum	Covered in full
Allergy injection services	\$40
Immunizations -- To meet foreign travel requirements	\$50
Immunizations -- To meet occupational requirements	\$50
Injections (except for infertility)	
Injectable drugs administered by a physician (per dose).....	Covered in full
Self injectable drugs [■]	30%

[■]Self-injectable drugs (other than insulin) are considered specialty drugs, which require prior authorization and must be obtained from a contracted specialty pharmacy vendor. Specialty drugs require prior authorization from Health Net. Please refer to the plan's EOC for additional information.

Injections for the treatment of infertility are described below in the "Infertility services" section.

Outpatient facility services

Outpatient facility services (other than surgery).....	50%
Outpatient surgery (surgery performed in a hospital only).....	\$1500
Surgery performed in an outpatient surgical center.....	\$1250

Outpatient care for infertility is described below in the "Infertility services" section.

Hospitalization services

Semi-private hospital room or special care unit with ancillary services, including maternity care (unlimited days)	\$1500 per day for a maximum of 3 days per admission
Skilled nursing facility stay (limited to 100 days each calendar year)	
Days 1-10.....	Covered in full

Days 11-100	\$25 per day
Physician visit to hospital or skilled nursing facility	Covered in full

 *The above inpatient hospitalization copayment is applicable for each day of hospitalization for an adult, pediatric or newborn patient. If a newborn patient requires admission to a special care unit, a separate copayment for inpatient hospital services will apply.*

Inpatient care for infertility is described below in the "Infertility services" section.

Emergency health coverage

Emergency room (professional and facility charges)	\$300
Urgent care center (professional and facility charges)	\$75

 *Copayments for emergency room or urgent care center visits will not apply if the member is admitted as an inpatient directly from the emergency room or urgent care center. A visit to one of the urgent care centers that is owned and operated by the member's physician group will be considered an office visit and the office visit copayment, if any, will apply.*

Ambulance services

Ground ambulance	\$100
Air ambulance	\$100

Prescription drug coverage

 *Please refer to the "Prescription drug program" section of this SB/DF for applicable definitions, benefit descriptions and limitations. Copayments and deductibles for prescription drugs do not apply to the out-of-pocket maximum, except copayments and deductibles for peak flow meter and inhaler spacers used for the treatment of asthma, and diabetic supplies.*

Deductible

Prescription drug deductible required for brand name drugs (per member, per calendar year).....	\$300
---	-------

 *The prescription drug deductible required for brand name drugs (per member, per calendar year) must be paid for prescription drug covered services before Health Net begins to pay.*

Retail participating pharmacy (up to a 30-day supply)

Level I drugs (primarily generic)	\$15
Level II drugs (primarily preferred brand name drugs, peak flow meters, inhaler spacers and diabetic supplies, including insulin) ♦	\$40
Level III drugs or non-preferred drugs not on the Recommended Drug List ♦	\$60
Smoking Cessation Drugs ⁹ (covered up to a 12 week course of therapy per calendar year if you are concurrently enrolled in a comprehensive smoking cessation behavioral modification support program.)	50%

Sexual dysfunction	50%
Appetite Suppressants	50%
Lancets.....	Covered in full
Preventive drugs and women's contraceptives*	Covered in full
<u>Mandatory mail-order program after 2nd refill (up to a 90-day supply of maintenance drugs)</u>	
Level I drugs (primarily generic)	\$30
Level II drugs (primarily preferred brand name drugs, peak flow meters, inhaler spacers and diabetic supplies, including insulin) ♦	\$80
Level III drugs or non-preferred drugs not on the Recommended Drug List ♦	\$120
Lancets.....	Covered in full
Preventive drugs and women's contraceptives*	Covered in full

For information about Health Net's Recommended Drug List, please call the Customer Contact Center at the telephone number on the back cover.

- ♦ *Generic drugs will be dispensed when a generic drug equivalent is available unless a brand name drug is specifically requested by the physician or the member. When a brand name drug is dispensed and a generic equivalent is commercially available, the member must pay the prescription drug deductible as required for brand name drugs and the difference between the generic equivalent and the brand name drug plus the Level I or Level III drug copayment.*

However, if the prescription drug order states "dispense as written," "do not substitute" or words of similar meaning in the physician's handwriting to indicate medical necessity, only the prescription drug deductible as required for brand name drugs and the Level II or Level III drug copayment, as appropriate, will be applicable.

- ⁹*Must be approved by Health Net and the member's physician group.*

- * *Preventive drugs and women's contraceptives that are approved by the Food and Drug Administration are covered at no cost to the member, and are not subject to the deductible. Preventive drugs are prescribed over-the-counter drugs or prescription drugs that are used for preventive health purposes per the U.S. Preventive Services Task Force A and B recommendations.*

If a brand name drug is dispensed, and there is a generic equivalent commercially available, you will be required to pay the difference in cost between the generic and brand name drug. However, if a brand name drug is medically necessary and the physician obtains prior authorization from Health Net, then the brand name drug will be dispensed at no charge.

Copayments and deductibles for prescription drugs do not apply to the out-of-pocket maximum, except copayments for peak flow meters, inhaler spacers used for the treatment of asthma and diabetic supplies.

Percentage copayments will be based on Health Net's contracted pharmacy rate.

If the retail price is less than the applicable copayment, then you will pay the retail price prescription drug covered expenses are the lesser of Health Net's contracted pharmacy rate or the pharmacy's retail price for covered prescription drugs.

This plan uses the Recommended Drug List. The Health Net Recommended Drug List (the "List") is the approved list of medications covered for illnesses and conditions. It is prepared by Health Net and distributed to Health Net contracted physicians and participating pharmacies. The List also shows which drugs are Level I, Level II or Level III, so you know which copayment applies to the covered

drug. Drugs that are not on the List (that are not excluded or limited from coverage) are also covered at the Level III drug copayment.

Some drugs require prior authorization from Health Net. Urgent requests from physicians for authorization are processed as soon as possible, not to exceed 72 hours, after Health Net's receipt of the request and any additional information requested by Health Net that is reasonably necessary to make the determination. Routine requests from physicians are processed in a timely fashion, not to exceed 5 days, as appropriate and medically necessary, for the nature of the member's condition after Health Net's receipt of the information reasonably necessary and requested by Health Net to make the determination. For a copy of the Recommended Drug List, call the Customer Contact Center at the number listed on the back cover of this booklet or visit our website at www.healthnet.com.

Medical Supplies

- Durable medical equipment (including nebulizers, face masks and tubing for the treatment of asthma) 50%
- Orthotics (such as bracing, supports and casts) Covered in full
- Diabetic Equipment See the "Prescription drug program" section of this SB/DF for diabetic supplies benefit information. 20%
- Diabetic footwear Covered in full
- Prostheses Covered in full

 *Breastfeeding devices and supplies, as supported by HRSA guidelines, are covered under "Preventive care" in this section.*

 *Diabetic equipment covered under the medical benefit (through "Diabetic equipment") includes blood glucose monitors designed for the visually impaired, insulin pumps and related supplies, and corrective footwear. Diabetic equipment and supplies covered under the prescription drug benefit include insulin, specific brands of blood glucose monitors and testing strips, Ketone urine testing strips, lancets and lancet puncture devices, specific brands of pen delivery systems for the administration of insulin (including pen needles) and insulin syringes.*

In addition, the following supplies are covered under the medical benefit as specified: visual aids (excluding eyewear) to assist the visually impaired with the proper dosing of insulin are provided through the prostheses benefit; Glucagon is provided through the self-injectable benefit. Self-management training, education and medical nutrition therapy will be covered only when provided by licensed health care professionals with expertise in the management or treatment of diabetes (provided through the patient education benefit).

Mental disorders and chemical dependency benefits

 *Benefits are administered by MHN Services, an affiliate behavioral health administrative services company which provides behavioral health services. For definitions of severe mental illness or serious emotional disturbances of a child, please refer to the Behavioral health section of this SB/DF, or call the Customer Contact Center at the number listed on the back cover of this booklet.*

Severe Mental Illness and Serious Emotional Disturbances of a Child

- Outpatient professional consultation (psychological evaluation or therapeutic session in an office setting)* \$50

Outpatient professional consultation (psychological evaluation or therapeutic session in a home setting for pervasive developmental disorder or autism per provider per day)*	\$50
Inpatient services	\$1500 per day for a maximum of 3 days per admission

Other Mental Disorders

Outpatient professional consultation (psychological evaluation or therapeutic session in an office setting)*	\$50
Inpatient services	\$1500 per day for a maximum of 3 days per admission

Chemical Dependency

Outpatient professional consultation (psychological evaluation or therapeutic session in an office setting)*	\$50
Inpatient services	\$1500 per day for a maximum of 3 days per admission
Acute care detoxification.....	\$1500 per day for a maximum of 3 days per admission

**Each group therapy session requires only one half of a private office visit copayment. If two or more members in the same family attend the same outpatient treatment session, only one copayment will be applied.*

Home health services

Home health services (copayment required for each day home health visits occur)	\$50
<i>Calendar year maximum</i>	<i>100 visits</i>

Other services

Sterilizations --Vasectomy	Covered in full
Sterilizations --Tubal ligation	Covered in full
Blood, blood plasma, blood derivatives and blood factors.....	Covered in full
Renal dialysis	Covered in full
Hospice services	Covered in full

Infertility services and supplies are described below in the "Infertility services" section.

Sterilization of females and women's contraception methods and counseling, as supported by HRSA guidelines, are covered under "Preventive care" in this section.

Infertility services

Infertility services and supplies (all covered services that diagnose, evaluate or treat infertility).....Not covered

LIMITS OF COVERAGE

WHAT'S NOT COVERED (EXCLUSIONS AND LIMITATIONS)

- Ambulance and paramedic services that do not result in transportation or that do not meet the criteria for emergency care, unless such services are medically necessary and prior authorization has been obtained.
- Artificial insemination;
- Biofeedback therapy is limited to medically necessary treatment of certain physical disorders such as incontinence and chronic pain;
- Conception by medical procedures (IVF, GIFT and ZIFT);
- Except for podiatric devices to prevent or treat diabetes related complications, corrective footwear is not covered unless medically necessary, custom made for the member and permanently attached to a medically necessary orthotic device that is also a covered benefit under this plan;
- Cosmetic services and supplies;
- Custodial or live-in care;
- Dental services. However, Medically Necessary dental or orthodontic services that are an integral part of reconstructive surgery for cleft palate procedures are covered. Cleft palate includes cleft palate, cleft lip or other craniofacial anomalies associated with cleft palate.
- Disposable supplies for home use;
- Experimental or investigational procedures, except as set out under the "Clinical trials" and "If you have a disagreement with our plan" sections of this SB/DF;
- Genetic testing is not covered except when determined by Health Net to be medically necessary. The prescribing physician must request prior authorization for coverage;
- Hearing aids;
- Infertility services and supplies;
- Marriage counseling, except when rendered in connection with services provided for a treatable mental disorder;
- Non-eligible institutions. This plan only covers services or supplies provided by a legally operated hospital, Medicare-approved skilled nursing facility or other properly licensed facility as specified in the plan's EOC. Any institution that is primarily a place for the aged, a nursing home or similar institution, regardless of how it is designated, is not an eligible institution. Services or supplies provided by such institutions are not covered;
- Orthoptics (eye exercises);
- Orthotics (such as bracing, supports and casts) that are not custom made to fit the member's body. Refer to the "corrective footwear" bullet above for additional foot orthotic limitations;
- Outpatient prescription drugs (except as noted under "Prescription drug program");
- Personal or comfort items;
- Physician self-treatment;
- Physician treating immediate family members;
- Physician visit to member's home;
- Private rooms when hospitalized, unless medically necessary;
- Private-duty nursing;
- Refractive eye surgery unless medically necessary, recommended by the member's treating physician and authorized by Health Net;
- Reversal of surgical sterilization;
- Routine foot care for treatment of corns, calluses and cutting of nails, unless prescribed for the treatment of diabetes;

- Routine physical examinations (including psychological examinations or drug screening) for insurance, licensing, employment, school, camp or other nonpreventive purposes;
- Services and supplies not authorized by Health Net, the Behavioral Health Administrator or the physician group according to Health Net's procedures;
- Services for a surrogate pregnancy are covered only when the surrogate is a Health Net member. However, when compensation is obtained for the surrogacy, Health Net shall have a lien on such compensation to recover its medical expense;
- Services received before effective date or after termination of coverage, except as specifically stated in the "Extension of Benefits" section of the plan's EOC;
- Services related to educational or training, including for employment or professional purposes, except for behavioral health treatment for pervasive developmental disorder or autism;
- State hospital treatment, except as the result of an emergency or urgently needed care;
- Stress, except when rendered in connection with services provided for a treatable mental disorder;
- Treatment of jaw joint disorders or surgical procedures to reduce or realign the jaw, unless medically necessary; and
- Treatment of obesity, weight reduction or weight management, except for treatment of morbid obesity.

The above is a partial list of the principal exclusions and limitations applicable to the medical portion of your Health Net plan. The EOC, which you will receive if you enroll in this plan, will contain the full list.

BENEFITS AND COVERAGE

WHAT YOU PAY FOR SERVICES

The "Schedule of benefits and coverage" section explains your coverage and payment for services. Please take a moment to look it over.

TIMELY ACCESS TO NON-EMERGENCY HEALTH CARE SERVICES

The California Department of Managed Health Care (DMHC) has issued regulations (Title 28, Section 1300.67.2.2) with requirements for timely access to non-emergency health care services.

You may contact Health Net at the number shown on the back cover, 7 days per week, 24 hours per day to access triage or screening services. Health Net provides access to covered health care services in a timely manner. For further information, please refer to the plan's EOC or contact the Health Net Customer Contact Center at the phone number on the back cover.

SPECIAL ENROLLMENT RIGHTS UNDER CHILDREN'S HEALTH INSURANCE PROGRAM REAUTHORIZATION ACT OF 2009 (CHIPRA)

The Children's Health Insurance Program (CHIP) is a joint federal and state funded program that provides comprehensive health care coverage for qualified uninsured children under the age of 19. In California, the CHIP plans are known as the Healthy Families Program and the Access for Infants and Mothers Program (AIM). The Children's Health Insurance Reauthorization Act of 2009 (CHIPRA) creates a special enrollment period in which individuals and their dependent(s) are eligible to request enrollment in this plan within 60 days of becoming ineligible and losing coverage from the Healthy Families Program, Access for Infants and Mothers Program (AIM) or a Medi-Cal plan.

NOTICE OF REQUIRED COVERAGE

Benefits of this plan provide coverage required by the Newborns' and Mothers' Health Protection Act of 1996 and the Women's Health and Cancer Right Act of 1998.

The Newborns' and Mothers' Health Protection Act of 1996 sets requirements for a minimum Hospital length of stay following delivery. Specifically, group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

The Women's Health and Cancer Right Act of 1998 applies to medically necessary mastectomies and requires coverage for prosthetic devices and reconstructive surgery on either breast provided to restore and achieve symmetry.

COVERAGE FOR NEWBORNS

Children born after your date of enrollment are automatically covered at birth. To continue coverage, the child must be enrolled through your employer before the 30th day of the child's life. If the child is not enrolled within 30 days of the child's birth:

- Coverage will end the 31st day after birth; and
- You will have to pay your physician group for all medical care provided after the 30th day of your baby's life.

EMERGENCIES

Health Net covers emergency and urgently needed care throughout the world. If you need emergency or urgently needed care, seek care where it is immediately available. Depending on your circumstances, you may seek this care by going to your physician group (medical) or the Behavioral Health Administrator (mental disorder and chemical dependency) or to the nearest emergency facility or by calling 911.

You are encouraged to use appropriately the 911 emergency response system, in areas where the system is established and operating, when you have an emergency medical condition (including severe mental disorder and serious emotional disturbances of a child) that requires an emergency response. All air and ground ambulance and ambulance transport services provided as a result of a 911 call will be covered, if the request is made for an emergency medical condition (including severe mental illness and serious emotional disturbances of a child).

All follow-up care (including severe mental illness and serious emotional disturbances of a child) after the urgency has passed and your condition is stable, must be provided or authorized by your physician group (medical) or the Behavioral Health Administrator (mental disorder and chemical dependency); otherwise, it will not be covered by Health Net.

Emergency care means any otherwise covered service for an acute illness, a new injury or an unforeseen deterioration or complication of an existing illness, injury or condition already known to the person or, if a minor, to the minor's parent or guardian that a reasonable person with an average knowledge of health and medicine (a prudent layperson) would believe requires immediate treatment (including severe mental illness and serious emotional disturbances of a child), and without immediate treatment, any of the following would occur: (a) his or her health would be put in serious danger (and in the case of a pregnant woman, would put the health of her unborn child in serious danger); (b) his or her bodily functions, organs or parts would become seriously damaged; or (c) his or her bodily organs or parts would seriously malfunction. Emergency Care also includes treatment of severe pain or active labor. Active labor means labor at the time that either of the following would occur: (a) there is inadequate time to effect safe transfer to another hospital prior to delivery; or (b) a transfer poses a threat to the health and safety of the member or her unborn child. Emergency Care will also include additional screening, examination and evaluation by a physician (or other personnel to the extent permitted by applicable law and within the scope of his or her license and privileges) to determine if a psychiatric emergency medical condition exists and the care and treatment necessary to relieve or eliminate the psychiatric emergency medical condition, either within the capability of the facility or by transferring the member to a psychiatric unit within a general acute hospital or to an acute psychiatric hospital as medically necessary.

All air and ground ambulance and ambulance transport services provided as a result of a 911 call will be covered, if the request is made for an emergency medical condition (including severe mental illness and serious emotional disturbances of a child).

***Urgently needed care** means any otherwise covered medical service that a reasonable person with an average knowledge of health and medicine would seek for treatment of an injury, unexpected illness or complication of an existing condition, including pregnancy, to prevent the serious deterioration of his or her health, but which does not qualify as emergency care, as defined in this section. This may include services for which a person should reasonably have known an emergency did not exist.*

MEDICALLY NECESSARY CARE

All services that are medically necessary will be covered by your Health Net plan (unless specifically excluded under the plan). All covered services or supplies are listed in the plan's EOC; any other services or supplies are not covered.

SECOND OPINIONS

You have the right to request a second opinion when:

- Your PCP or a referral physician gives a diagnosis or recommends a treatment plan that you are not satisfied with;
- You are not satisfied with the result of treatment you have received;
- You are diagnosed with, or a treatment plan is recommended for, a condition that threatens loss of life, limb, or bodily function, or a substantial impairment, including but not limited to a serious chronic condition; or
- Your PCP or a referral physician is unable to diagnose your condition, or test results are conflicting.

To obtain a copy of Health Net's second opinion policy, call the Customer Contact Center at the phone number on the back cover.

CLINICAL TRIALS

Routine patient care costs for patients diagnosed with cancer or other life-threatening disease or condition who are accepted into phase I, II, III, or IV clinical trials are covered when medically necessary, recommended by the member's treating physician and authorized by Health Net. The physician must determine that participation has a meaningful potential benefit to the member and the trial has therapeutic intent. For further information, please refer to the plan's EOC.

EXTENSION OF BENEFITS

If you or a covered family member is totally disabled when your employer ends its group services agreement with Health Net, we will cover the treatment for the disability until one of the following occurs:

- A maximum of 12 consecutive months elapses from the termination date;
- Available benefits are exhausted;
- The disability ends; or
- The member becomes enrolled in another plan that covers the disability.

Your application for an extension of benefits for disability must be made to Health Net within 90 days after your employer ends its agreement with us. We will require medical proof of the total disability at specified intervals.

CONFIDENTIALITY AND RELEASE OF MEMBER INFORMATION

Health Net knows that personal information in your medical records is private. Therefore, we protect your personal health information in all settings (including oral, written and electronic information). The only time we would release your confidential information without your authorization is for payment, treatment, health care operations (including, but not limited to utilization management, quality improvement, disease or case management programs) or when permitted or required to do so by law, such as for court order or subpoena. We will not release your confidential claims details to your employer or their agent. Often Health Net is required to comply with aggregated measurement and data reporting requirements. In those cases, we protect your privacy by not releasing any information that identifies our members.

PRIVACY PRACTICES

Once you become a Health Net member, Health Net uses and discloses a member's protected health information and nonpublic personal financial information* for purposes of treatment, payment, health care operations, and where permitted or required by law. Health Net provides members with a Notice of Privacy Practices that describes how it uses and discloses protected health information; the individual's rights to access, to request amendments, restrictions, and an accounting of disclosures of protected health information; and the procedures for filing complaints. Health Net will provide you the opportunity to approve or refuse the release of your information for non-routine releases such as marketing. Health Net provides access to members to inspect or obtain a copy of the member's protected health information in designated record sets maintained by Health Net. Health Net protects oral, written and electronic information across the organization by using reasonable and appropriate security safeguards. These safeguards include limiting access to an individual's protected health information to only those who have a need to know in order to perform payment, treatment, health care operations or where permitted or required by law. Health Net releases protected health information to plan sponsors for administration of self-funded plans but does not release protected health information to plan sponsors/employers for insured products unless the plan sponsor is performing a payment or health care operation function for the plan. Health Net's entire Notice of Privacy Practices can be found in the plan's EOC, at www.healthnet.com under "Privacy" or you may call the Customer Contact Center at the phone number on the back cover of this booklet to obtain a copy.

** Nonpublic personal financial information includes personally identifiable financial information that you provided to us to obtain health plan coverage or we obtained in providing benefits to you. Examples include Social Security numbers, account balances and payment history. We do not disclose any nonpublic personal information about you to anyone, except as permitted by law.*

TECHNOLOGY ASSESSMENT

New technologies are those procedures, drugs or devices that have recently been developed for the treatment of specific diseases or conditions or are new applications of existing procedures, drugs or devices. New technologies are considered investigational or experimental during various stages of clinical study as safety and effectiveness are evaluated and the technology achieves acceptance into the medical standard of care. The technologies may continue to be considered investigational or experimental if clinical study has not shown safety or effectiveness or if they are not considered standard care by the appropriate medical specialty. Approved technologies are integrated into Health Net benefits.

Health Net determines whether new technologies should be considered medically appropriate, or investigational or experimental, following extensive review of medical research by appropriately specialized physicians. Health Net requests review of new technologies by an independent, expert medical reviewer in order to determine medical appropriateness or investigational or experimental status of a technology or procedure.

The expert medical reviewer also advises Health Net when patients require quick determinations of coverage, when there is no guiding principle for certain technologies or when the complexity of a patient's medical condition requires expert evaluation. If Health Net denies, modifies or delays coverage for your requested treatment on the basis that it is experimental or investigational, you may request an independent medical review (IMR) of Health Net's decision from the Department of Managed Health Care. Please refer to the "Independent Medical Review of Grievances Involving a Disputed Health Care Service" in the *Evidence of Coverage* for additional details.

UTILIZATION MANAGEMENT

Utilization management is an important component of health care management. Through the processes of pre-authorization, concurrent and retrospective review and care management, we evaluate the services provided to our members to be sure they are medically necessary and appropriate for the setting and time. These processes help to maintain Health Net's high quality medical management standards.

PRE-AUTHORIZATION

Certain proposed services may require an assessment prior to approval. Evidence-based criteria are used to evaluate whether or not the procedure is medically necessary and planned for the appropriate setting (that is, inpatient, ambulatory surgery, etc.).

CONCURRENT REVIEW

This process continues to authorize inpatient and certain outpatient conditions on a concurrent basis while following a member's progress, such as during inpatient hospitalization or while receiving outpatient home care services.

DISCHARGE PLANNING

This component of the concurrent review process ensures that planning is done for a member's safe discharge in conjunction with the physician's discharge orders and to authorize post-hospital services when needed.

RETROSPECTIVE REVIEW

This medical management process assesses the appropriateness of medical services on a case-by-case basis after the services have been provided. It is usually performed on cases where pre-authorization was required but not obtained.

CARE OR CASE MANAGEMENT

Nurse care managers provide assistance, education and guidance to members (and their families) through major acute and/or chronic long-term health problems. The care managers work closely with members, their physicians and community resources.

If you would like additional information regarding Health Net's utilization management process, please call the Health Net Customer Contact Center at the phone number on the back cover.

PAYMENT OF FEES AND CHARGES

YOUR COPAYMENT AND DEDUCTIBLES

The "Schedule of benefits and coverage" section explains your coverage and payment for services. Please take a moment to look it over.

PREPAYMENT FEES

Your employer will pay Health Net your monthly subscription charges for you and all enrolled family members. Check with your employer regarding any share that you may be required to pay. If your share ever increases, your employer will inform you in advance.

OTHER CHARGES

You are responsible for payment of your share of the cost of services covered by this plan. Amounts paid by you are called copayments, which are described in the "Schedule of benefits and coverage" section of this SB/DF. Beyond these charges the remainder of the cost of covered services will be paid by Health Net.

When the total amount of copayments you pay equals the out-of-pocket maximum shown in the "Schedule of benefits and coverage" section, you will not have to pay additional copayments for the rest of the year for most services provided or authorized by your physician group.

Payment for services not covered by this plan will not count toward the calendar year out-of-pocket maximum. Additionally, certain deductibles and copayments will not count toward the out-of-pocket maximum as shown in the "Schedule of benefits and coverage" section. For further information please refer to the plan's EOC.

LIABILITY OF SUBSCRIBER OR ENROLLEE FOR PAYMENT

If you receive health care services without the required referral or authorization from your PCP or physician group (medical), or the Behavioral Health Administrator (mental disorder and chemical dependency), you are responsible for the cost of these services.

Remember, this plan only covers services that are provided or authorized by a PCP or physician group or the Behavioral Health Administrator, except for emergency or out-of-area urgent care. Consult the Health Net HMO Directory for a full listing of Health Net-contracted physicians.

REIMBURSEMENT PROVISIONS

Payments that are owed by Health Net for services provided by or through your physician group (medical) or the Behavioral Health Administrator (mental disorder and chemical dependency) will never be your responsibility.

If you have out-of-pocket expenses for covered services, call the Health Net Customer Contact Center for a claim form and instructions. You will be reimbursed for these expenses less any

required copayment or deductible. (Remember, you do not need to submit claims for medical services provided by your PCP or physician group.)

If you receive emergency services not provided or directed by your physician group (medical) or the Behavioral Health Administrator (mental disorder and chemical dependency), you may have to pay at the time you receive service. To be reimbursed for these charges, you should get a complete statement of the services received and, if possible, a copy of the emergency room report.

Please call the Health Net Customer Contact Center at the phone number on the back cover to obtain claim forms, and to find out whether you should send the completed form to your physician group (medical) or the Behavioral Health Administrator (mental disorder and chemical dependency) or to Health Net. Medical claims must be received by Health Net within one year of the date of service to be eligible for reimbursement.

How to file a claim:

For medical services, please send a completed claim form within one year of the date of service to:

*Health Net Commercial Claims
P.O. Box 14702
Lexington, KY 40512*

Please call Health Net's Customer Contact Center at the phone number on the back cover of this booklet or visit our website at www.healthnet.com to obtain the claim form.

For mental disorders and chemical dependency emergency services or for services authorized by MHN Services you must use the CMS (HCFA) - 1500 form. Please send the claim to MHN Services within one year of the date of service at the address listed on the claims form or to MHN Services at:

*MHN Services
P.O. Box 14621
Lexington, KY 40512-4621*

Please call MHN Services at 1-800-444-4281 to obtain a claim form.

For outpatient prescription drugs, please send a completed prescription drug claim form to:

*Health Net
C/O Caremark
P.O. Box 52136
Phoenix, AZ 85072*

Please call Health Net's Customer Contact Center at the phone number on the back cover of this booklet or visit our website at www.healthnet.com to obtain a prescription drug claim form.

Claims for covered expenses filed more than one year from the date of service will not be paid unless you can show that it was not reasonably possible to file your claim within that time limit and that you have filed as soon as was reasonably possible.

PROVIDER REFERRAL AND REIMBURSEMENT DISCLOSURE

If you are considering enrolling in our plan, you are entitled to ask if the plan has special financial arrangements with our physicians that can affect the use of referrals and other services you may need. Health Net uses financial incentives and various risk sharing arrangements when paying providers. To get this information, call the Health Net Customer Contact Center at the phone number on the back cover. You can also contact your physician group or your PCP to find out about our physician payment arrangements.

FACILITIES

Health care services for you and eligible members of your family will be provided at:

- The facilities of the physician group you chose at enrollment; or
- A nearby Health Net-contracted hospital, if hospitalization is required.

Many Health Net contracting physician groups have either a physician on call 24 hours a day or an urgent care center available to offer access to care at all times.

The physician group you choose will also have a contractual relationship with local hospitals (for acute, subacute and transitional care) and skilled nursing facilities. These are listed in your *Health Net HMO Directory*.

PHYSICIAN GROUP TRANSFERS

You may switch doctors within the same physician group at any time. You may also transfer to another physician group monthly. Simply contact Health Net by the 15th of the month to have your transfer effective by the 1st of the following month. If you call after the 15th, your transfer will be effective the 1st of the second following month.

Transfer requests will generally be honored unless you are confined to a hospital. (However, Health Net may approve transfers under this condition for certain unusual or serious circumstances. Please contact the Health Net Customer Contact Center at the phone number on the back cover of this booklet.)

CONTINUITY OF CARE

Transition of Care for New Enrollees

You may request continued care from a provider who does not contract with Health Net if at the time of your enrollment with Health Net you were receiving care for the conditions listed below. Health Net may provide coverage for completion of services from a non-participating provider, subject to applicable copayments and any exclusions and limitations of your plan. You must request the coverage within 60 days of your group's effective date unless you can show that it was not reasonably possible to make the request within 60 days of the group's effective date and you make the request as soon as reasonably possible. The non-participating provider must be willing to accept the same contract terms applicable to providers currently contracted with Health Net, who are not capitated and who practice in the same or similar geographic region. If the provider does not accept such terms, Health Net is not obligated to provide coverage with that provider.

Continuity of Care Upon Termination of Provider Contract

If Health Net's contract with a physician group or other provider ends, Health Net will transfer any affected members to another contracted physician group or provider to ensure that care continues. Health Net will provide a written notice to affected members at least 60-days prior to termination of a contract with a physician group or an acute care hospital to which members are assigned for services. For all other hospitals that end their contract with Health Net, a written notice will be provided to affected members within five days after the effective date of the contract termination.

Health Net may provide coverage for completion of services from a provider whose contract has ended, subject to applicable copayments and any other exclusions and limitations of your plan and if such provider is willing to accept the same contract terms applicable to the provider prior to the provider's contract termination. You must request continued care within 30 days of the provider's date of termination, unless you can show that it was not reasonably possible to make the request within 30 days of the provider's date of termination and you make the request as soon as it is reasonably possible.

You may request continued care from a provider whose contract is terminated if at the time of termination the member was receiving care from such a provider for the conditions listed below.

The following conditions are eligible for continuation of care:

- An acute condition;
- A serious chronic condition not to exceed twelve months;
- A pregnancy (including the duration of the pregnancy and immediate postpartum care);
- A newborn (up to 36 months of age, not to exceed twelve months);
- A terminal illness (through the duration of the terminal illness);
- A surgery or other procedure that has been authorized by Health Net (or by the member's prior health plan for new enrollee) as part of a documented course of treatment.

In addition, you may request continued care from a provider, including a hospital, if you have been enrolled in another Health Net HMO plan that included a larger network than this plan, Health Net will offer the same scope of continuity of care for completion of services, regardless of whether you had the opportunity to retain your current provider by selecting either:

- a Health Net product with an out of network benefit;
- a different Health Net HMO network product that included your current provider; or
- another health plan or carrier product.

If you would like more information on how to request continued care or to request a copy of Health Net's continuity of care policy, please call the Health Net Customer Contact Center at the phone number on the back cover.

RENEWING, CONTINUING OR ENDING COVERAGE

RENEWAL PROVISIONS

The contract between Health Net and your employer is usually renewed annually. If your contract is amended or terminated, your employer will notify you in writing.

INDIVIDUAL CONTINUATION OF BENEFITS

Please examine your options carefully before declining coverage.

If your employment with your current employer ends, you and your covered family members may qualify for continued group coverage under:

- **COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985):** For most groups with 20 or more employees, COBRA applies to employees and their eligible dependents, even if they live outside of California. Please check with your group to determine if you and your covered dependents are eligible.
- **Cal-COBRA Continuation Coverage:** If you have exhausted COBRA and you live in the Health Net Service Area, you may be eligible for additional continuation coverage under state Cal-COBRA law. This coverage may be available if you have exhausted federal COBRA coverage, have had less than 36 months of COBRA coverage, and you are not entitled to Medicare. If you are eligible, you have the opportunity to continue group coverage under this plan through Cal-COBRA for up to 36 months from the date that federal COBRA coverage began.
- **USERRA Coverage:** Under a federal law known as the Uniformed Services Employment and Reemployment Rights Act (USERRA), employers are required to provide employees who are absent from employment to serve in the uniformed services and their dependents who would lose their group health coverage the opportunity to elect continuation coverage for a period of up to 24 months. Please check with your group to determine if you are eligible.

Also, you may be eligible for continued coverage for a disabling condition (for up to 12 months) if your employer terminates its agreement with Health Net. Please refer to the "Extension of benefits" section of this SB/DF for more information.

TERMINATION OF BENEFITS

The following information describes circumstances when your coverage in this plan may be terminated. For a more complete description of termination of benefits, please see the plan's EOC.

Termination for Nonpayment of Subscription Charges

Your coverage under this plan ends when the agreement between the employer and Health Net terminates due to nonpayment of the subscription charges by the employer. Health Net will provide your employer a 30-day grace period to submit the delinquent subscription charges. If your employer fails to pay the required subscription charges by the end of the 30-day grace period, the

agreement between Health Net and your employer will be cancelled and Health Net will terminate your coverage at the end of the grace period.

Termination for Loss of Eligibility

Your coverage under this plan ends on the date you become ineligible. Some reasons that you may lose eligibility in this plan include, but are not limited to, the following situations:

- The agreement between the employer covered under this plan and Health Net ends;
- You cease to either live or work within Health Net's service area; or
- You no longer work for the employer covered under this plan.

Termination for Cause

Coverage under this Health Net plan may be terminated for good cause with a 30-day written notice for a member who commits any act or practice, which constitutes fraud, or for any intentional misrepresentation of material fact under the terms of the agreement, including:

- Misrepresenting eligibility information about yourself or a dependent;
- Presenting an invalid prescription or physician order;
- Misusing a Health Net Member I.D. Card (or letting someone else use it); or
- Failing to notify us of changes in family status that may affect your eligibility or benefits.

We may report criminal fraud and other illegal acts to the authorities for prosecution.

How to Appeal Your Termination

You have a right to file a complaint if you believe that your coverage is improperly terminated or not renewed. A complaint is also called a grievance or an appeal. Refer to the "If You Have a Disagreement With Our Plan" section for information about how to appeal Health Net's decision to terminate your coverage.

If your coverage is terminated based on any reason other than for nonpayment of subscription charges and your coverage is still in effect when you submit your complaint, Health Net will continue your coverage until the review process is completed, subject to Health Net's receipt of the applicable subscription charges. You must also continue to pay the deductible and copayments for any services and supplies received while your coverage is continued during the review process.

If your coverage has already ended when you submit your request for review, Health Net is not required to continue coverage. However, you may still request a review of Health Net's decision to terminate your coverage by following the complaint process described in the "If You Have a Disagreement With Our Plan" section.

If the person involved in any of the above activities is the enrolled employee, coverage under this plan will end as well for any covered dependents.

IF YOU HAVE A DISAGREEMENT WITH OUR PLAN

The provisions referenced under this title as described below are applicable to services and supplies covered under this SB/DF. The California Department of Managed Health Care is responsible for regulating health care service plans.

If you have a grievance against Health Net, you should first telephone Health Net at 1-800-522-0088 and use the plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, or a grievance that has not been satisfactorily resolved by Health Net, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance.

You may also be eligible for an independent medical review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the Medical Necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number (1-888-HMO-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The Department's Internet Web site <http://www.hmohelp.ca.gov> has complaint forms, IMR application forms and instructions online.

MEMBER GRIEVANCE AND APPEALS PROCESS

If you are dissatisfied with the quality of care that you have received or feel that you have been incorrectly denied a service or claim, you may file a grievance or appeal.

How to file a grievance or appeal:

You may call the Customer Contact Center at the phone number on the back cover or submit a Member Grievance Form through the Health Net website at www.healthnet.com:

*You may also write to: Health Net of California
P.O. Box 10348
Van Nuys, CA 91410-0348*

Please include all the information from your Health Net identification card as well as details of your concern or problem.

Health Net will acknowledge your grievance or appeal within five calendar days, review the information and tell you of our decision in writing within 30 days of receiving the grievance. For conditions where there is an immediate and serious threat to your health, including severe pain or the potential loss of life, limb or major bodily function, Health Net will notify you of the status of your grievance no later than three days from the receipt of all the required information. For urgent grievances, Health Net will immediately notify you of the right to contact the Department of Managed Health Care. There is no requirement that you participate in Health Net's grievance process prior to applying to the Department of Managed Health Care for review of an urgent grievance.

In addition, you can request an independent medical review of disputed health care services from the Department of Managed Health Care if you believe that health care services eligible for coverage and payment under the plan was improperly denied, modified or delayed by Health Net or one of its contracting providers.

Also, if Health Net denies your appeal of a denial for lack of medical necessity, or denies or delays coverage for requested treatment involving experimental or investigational drugs, devices, procedures or therapies, you can request an independent medical review of Health Net's decision from the Department of Managed Health Care if you meet the eligibility criteria set out in the plan's EOC.

ARBITRATION

If you are not satisfied with the result of the grievance hearing and appeals process, you may submit the problem to binding arbitration. Health Net uses binding arbitration to settle disputes, including medical malpractice. When you enroll in Health Net, you agree to submit any disputes to arbitration, in lieu of a jury or court trial.

ADDITIONAL PLAN BENEFIT INFORMATION

The following plan benefits show benefits available with your plan. For a more complete description of copayments, and exclusions and limitations of service, please see the plan's EOC.

BEHAVIORAL HEALTH SERVICES

Health Net contracts with MHN Services, an affiliate behavioral health administrative services company (the Behavioral Health Administrator) which administers behavioral health services through a personalized, confidential and affordable mental disorder and chemical dependency care program.

Contact the Behavioral Health Administrator by calling the Health Net Customer Contact Center at the phone number on the back cover. The Behavioral Health Administrator will help you identify a participating mental health professional, a participating independent physician or a sub-contracted provider association (IPA) within the network, close to where you live or work, with whom you can make an appointment.

Certain services and supplies for mental disorders and chemical dependency may require prior authorization by the Behavioral Health Administrator in order to be covered. No prior authorization is required for outpatient office visits, but a voluntary registration with the Behavioral Health Administrator is encouraged.

Please refer to the plan's EOC for a more complete description of mental disorder and chemical dependency services and supplies, including those that require prior authorization by the Behavioral Health Administrator.

TRANSITION OF CARE FOR NEW ENROLLEES

If you are receiving ongoing care for an acute, serious, or chronic mental health condition from a provider not affiliated with the Behavioral Health Administrator when you enroll with Health Net,

we may temporarily cover services provided by that provider, subject to applicable copayments and any other exclusions and limitations of this plan.

Your non-participating mental health professional must be willing to accept the Behavioral Health Administrator's standard mental health provider contract terms and conditions and be located in the plan's service area.

If you would like more information on how to request continued care, or to request a copy of our continuity of care policy, please call the Health Net Customer Contact Center at the phone number on the back cover.

SERIOUS EMOTIONAL DISTURBANCES OF A CHILD

Serious emotional disturbances of a child is when a child under the age of 18 has one or more mental disorders identified in the most recent edition of the *Diagnostic and Statistical Manual of Mental Disorders*, as amended to date, other than a primary substance use disorder or a developmental disorder, that result in behavior inappropriate to the child's age according to expected developmental norms. In addition, the child must meet one or more of the following:

- As a result of the mental disorder, the child has substantial impairment in at least two of the following areas: self-care, school functioning, family relationships, or ability to function in the community; and either (i) the child is at risk of removal from home or has already been removed from the home or (ii) the mental disorder and impairments have been present for more than six months or are likely to continue for more than one year;
- The child displays one of the following: psychotic features, risk of suicide or risk of violence due to a mental disorder; or
- The child meets special education eligibility requirements under Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code.

SEVERE MENTAL ILLNESS

Severe mental illness includes schizophrenia, schizoaffective disorder, bipolar disorder (manic-depressive illness), major depressive disorders, panic disorder, obsessive-compulsive disorders, pervasive developmental disorder (including Autistic Disorder, Rett's Disorder, Childhood Disintegrative Disorder, Asperger's Disorder and Pervasive Developmental Disorder not otherwise specified to include Atypical Autism, in accordance with professionally recognized standards including, but not limited to, the most recent edition the *Diagnostic and Statistical Manual for Mental Disorders*, as amended to date), autism, anorexia nervosa, and bulimia nervosa.

CONTINUATION OF TREATMENT

If you are in treatment for a mental disorder or chemical dependency problem, call the telephone number shown on your Health Net ID card to receive assistance in transferring your care to a network provider.

WHAT'S COVERED

Please refer to the "Schedule of benefits and coverage" section of this SB/DF for the explanation of covered services and copayments.

WHAT'S NOT COVERED (EXCLUSIONS AND LIMITATIONS)

Services or supplies for treatment of mental disorder and chemical dependency are subject to the plan's general exclusions and limitations. Please refer to the "Limits of coverage" section of this SB/DF for a list of what's not covered under this plan.

This is only a summary. Consult the plan's EOC to determine the exact terms and conditions of your coverage.

PRESCRIPTION DRUG PROGRAM

Health Net contracts with many major pharmacy chains, supermarket based pharmacies and privately owned neighborhood pharmacies in California. For a complete and up-to-date list of participating pharmacies, please visit our website at www.healthnet.com or call the Health Net Customer Contact Center at the phone number on the back cover.

PRESCRIPTIONS BY MAIL DRUG PROGRAM

If your prescription is for a maintenance medication (a drug that you will be taking for an extended period), you must fill the prescription through our convenient Prescriptions By Mail Drug Program. This program allows you to receive a 90-consecutive-calendar-day supply of maintenance medications. For complete information, call the Health Net Customer Contact Center at the phone number on the back cover.

Schedule II narcotic drugs (which are drugs that have a high abuse risk as classified by the Federal Drug Enforcement Administration) are not covered through mail order.

THE HEALTH NET RECOMMENDED DRUG LIST

This plan uses the Recommended Drug List. The Health Net Recommended Drug List (or Formulary or the List) is the approved list of medications covered for illnesses and conditions. It was developed to identify the safest and most effective medications for Health Net members while attempting to maintain affordable pharmacy benefits.

We specifically suggest to all Health Net contracting PCPs and specialists that they refer to this List when choosing drugs for patients who are Health Net members. When your physician prescribes medications listed in the Recommended Drug List, it ensures that you are receiving a high quality prescription medication that is also of high value.

The Recommended Drug List is updated regularly, based on input from the Health Net Pharmacy and Therapeutics (P&T) Committee. The Committee members are actively practicing physicians of various medical specialties and clinical pharmacists. Voting members are recruited from contracting physician groups throughout California based on their experience, knowledge and expertise. In addition, the P&T Committee frequently consults with other medical experts to provide additional input to the Committee. Updates to the Recommended Drug List and drug usage guidelines are made as new clinical information and new drugs become available. In order to keep the List current, the P&T Committee evaluates clinical effectiveness, safety and overall value through:

- Medical and scientific publications;
- Relevant utilization experience; and
- Physician recommendations.

To obtain a copy of Health Net's most current Recommended Drug List, please visit our web site at www.healthnet.com or call the Health Net Customer Contact Center at the phone number on the back cover.

WHAT IS "PRIOR AUTHORIZATION?"

Some drugs require prior authorization. This means that your doctor must contact Health Net in advance to provide the medical reason for prescribing the medication. You may obtain a list of drugs requiring prior authorization by visiting our website at www.healthnet.com or call the Health Net Customer Contact Center at the phone number on the back cover.

How to request prior authorization:

Requests for prior authorization may be submitted by telephone or facsimile. Upon receiving your physician's request for prior authorization, Health Net will evaluate the information submitted and make a determination based on established clinical criteria for the particular medication. The criteria used for prior authorization are developed and based on input from the Health Net P&T Committee as well as physician specialist experts. Your physician may contact Health Net to obtain the usage guidelines for specific medications.

If authorization is denied by Health Net, you will receive written communication including the specific reason for denial. If you disagree with the decision, you may appeal the decision.

The appeal may be submitted in writing, by telephone or through e-mail. We must receive the appeal within 60 days of the date of the denial notice. Please refer to the plan's for details regarding your right to appeal.

To submit an appeal:

- Call the Health Net Customer Contact Center at the phone number on the back cover;
- Visit www.healthnet.com for information on e-mailing the Customer Contact Center; or
- Write to: Health Net Customer Contact Center
P.O. Box 10348
Van Nuys, CA 91410-0348

WHAT'S COVERED

Please refer to the "Schedule of benefits and coverage" section of this SB/DF for the explanation of covered services and copayments.

This plan covers the following:

- Level I drugs - Drugs listed as Level I on the Recommended Drug List that are not excluded from coverage (primarily generic);

- Level II drugs – Drugs listed as Level II on the Recommended Drug List that are not excluded from coverage (primarily brand name and diabetic supplies, including insulin); and
- Level III drugs - Drugs listed on the Recommended Drug List as Level III or drugs that are not listed on the Recommended Drug List.
- Preventive drugs and women’s contraceptives

MORE INFORMATION ABOUT DRUGS THAT WE COVER

- Prescription drug covered expenses are the lesser of Health Net’s contracted pharmacy rate or the pharmacy’s retail price for covered prescription drugs.
- If a brand name prescription drug deductible (per member each calendar year) applies, you must pay this amount for prescription drug covered expenses before Health Net begins to pay. Diabetic supplies, preventive drugs and women’s contraceptives are not subject to the deductible. After the deductible is met the copayment amounts will apply.
- Prescription drug refills are covered, up to a 30-consecutive-day supply per prescription at a Health Net contracted pharmacy for one copayment. A copayment is required for each prescription. In some cases, a 30-consecutive-calendar-day supply of medication may not be an appropriate drug treatment plan according to the Food and Drug Administration (FDA) or Health Net’s usage guidelines. If this is the case, the amount of medication dispensed may be less than a 30-consecutive-calendar-day supply.
- If the pharmacy’s retail price is less than the applicable copayment, the member will only pay the pharmacy’s retail price.
- Percentage copayments will be based on Health Net’s contracted pharmacy rate.
- Mail order drugs are covered up to a 90-consecutive-calendar-day supply. When the retail pharmacy copayment is a percentage, the mail order copayment is the same percentage of the cost to Health Net as the retail pharmacy copayment.
- Prescription drugs for the treatment of asthma are covered as stated in the Recommended Drug List. Inhaler spacers and peak flow meters under the pharmacy benefit are covered when medically necessary. Nebulizers (including face masks and tubing) are covered under "Durable Medical Equipment" and educational programs for the management of asthma are covered under "Patient Education" through the medical benefit. For information about copayments required for these benefits, please see the "Schedule of benefits and coverage" section of this SB/DF.
- Preventive drugs are prescribed over-the-counter drugs or prescription drugs that are used for preventive health purposes per the U.S. Preventive Services Task Force A and B recommendations. Covered contraceptives are FDA-approved contraceptives for women that are either available over-the-counter or are only available with a prescription. Vaginal, oral, transdermal and emergency contraceptives are covered under this pharmacy benefit. IUD, implantable and injectable contraceptives are covered (when administered by a physician) under the medical benefit. Refer to the plan’s EOC for more information.
- Diabetic supplies (blood glucose testing strips, lancets, needles and syringes) are packaged in 50, 100 or 200 unit packages. Packages cannot be "broken" (that is, opened in order to dispense the product in quantities other than those packaged). When a prescription is dispensed,

you will receive the size of package and/or number of packages required for you to test the number of times your physician has prescribed for up to a 30-day period. For more information about diabetic equipment and supplies, please see "Endnotes" in the "Schedule of benefits and coverage" section of this SB/DF.

- Self-injectable drugs (other than insulin) are considered specialty drugs and must be obtained through a contracted specialty pharmacy vendor. Specialty Drugs require Prior Authorization and upon approval, the specialty pharmacy vendor will arrange for the dispensing of the drugs. Please refer to the plan's EOC for additional information.

WHAT'S NOT COVERED (EXCLUSIONS AND LIMITATIONS)

Services or supplies excluded under pharmacy services may be covered under the medical benefits portion of your plan. In addition to the exclusion and limitations listed below, prescription drug benefits are subject to the plan's general exclusions and limitations. Consult the plan's EOC for more information.

- Allergy serum is covered as a medical benefit. See "allergy serum" benefit in the "Schedule of benefits and coverage" for details;
- Coverage for devices is limited to vaginal contraceptive devices, peak flow meters, spacer inhalers and diabetic supplies. No other devices are covered even if prescribed by a participating physician;
- Drugs that require a prescription in order to be dispensed for the relief of nicotine withdrawal symptoms are covered up to a twelve week course of therapy per calendar year if the member is concurrently enrolled in a comprehensive smoking cessation behavioral modification support program. The prescribing physician must request prior authorization for coverage. For information regarding smoking cessation behavioral modification support programs available through Health Net, call the Customer Contact Center at the telephone number on your Health Net ID card or visit the Health Net website at www.healthnet.com;
- Drugs prescribed for the treatment of obesity are covered, when medically necessary for the treatment of morbid obesity. In such cases, the drugs will be subject to prior authorization from Health Net;
- Drugs or medicines administered by a physician or physician's staff member;
- Drugs prescribed for routine dental treatment;
- Drugs prescribed to shorten the duration of the common cold;
- Drugs prescribed for sexual dysfunction when not medically necessary, including drugs that establish, maintain, or enhance sexual function or satisfaction;
- Experimental drugs (those that are labeled "Caution - Limited by Federal Law to investigational use only"). If you are denied coverage of a drug because the drug is investigational or experimental you will have a right to independent medical review. See "If you have a disagreement with our plan" section of this SB/DF for additional information;
- Hypodermic needles or syringes, except for insulin needles, syringes and specific brands of pen devices;

- Immunizing agents, injections (except for insulin), agents for surgical implantation, biological sera, blood, blood derivatives or blood plasma obtained through a prescription;
- Individual doses of medication dispensed in plastic, unit dose or foil packages unless medically necessary or only available in that form;
- Limits on quantity, dosage and treatment duration may apply to some drugs. Medications taken on an "as-needed" basis may have a copayment based on a specific quantity, standard package, vial, ampoule, tube, or other standard unit. In such a case, the amount of medication dispensed may be less than a 30-consecutive-calendar-day supply. If medically necessary, your physician may request a larger quantity from Health Net;
- Maintenance drugs must be obtained through the mail order program in order to be covered. (See the "Prescriptions by Mail Drug Program" provision in "Prescription Drug Program" for details.)
- Medical equipment and supplies (including insulin), that are available without a prescription are covered when prescribed by a physician for the management and treatment of diabetes or for preventive purposes in accordance with the U.S. Preventive Services Task Force A and B recommendations or for female contraception as approved by the FDA. Any other nonprescription drug, medical equipment or supply that can be purchased without a prescription drug order is not covered even if a physician writes a prescription drug order for such drug, equipment or supply. However, if a higher dosage form of a prescription drug or over-the-counter (OTC) drug is only available by prescription, that higher dosage drug will be covered. If a drug that was previously available by prescription becomes available in an OTC form in the same prescription strength, then any prescription drugs that are similar agents and have comparable clinical effect(s) will only be covered when medically necessary and prior authorization is obtained from Health Net;
- Prescription drugs filled at pharmacies that are not in the Health Net pharmacy network or are not in California except in emergency or urgent care situations;
- Prescription drugs prescribed by a physician who is not a member physician or an authorized specialist are not covered, except when the physician's services have been authorized, or because of a medical emergency condition, illness or injury, for urgently needed care or as specifically stated;
- Replacement of lost, stolen or damaged medications;
- Supply amounts for prescriptions that exceed the FDA's or Health Net's indicated usage recommendation are not covered unless medically necessary and prior authorization is obtained from Health Net; and
- Drugs prescribed for a condition or treatment not covered by this plan are not covered. However, the plan does cover drugs for medical conditions that result from nonroutine complications of a noncovered service.

This is only a summary. Consult the plan's EOC to determine the exact terms and conditions of your coverage.

NOTICE OF LANGUAGE SERVICE

No Cost Language Services. You can get an interpreter. You can get documents read to you and some sent to you in your language. For help, call us at the number listed on your ID card or please call 800-522-0088. PPO members: for more help call the CA Dept. of Insurance at 1-800-927-4357. HMO members: call the DMHC Helpline at 1-888-HMO-2219.
