¹ The plan code listed is for the Full network.

² Preventive care services for women also includes: female contraceptive services, devices and supplies, female family planning, female preventive sterilizations, screening for gestational diabetes, domestic violence and HIV, breast feeding devices and supplies, applicable female counseling for sexually transmitted infections, HIV, domestic violence, contraceptives and breastfeeding support.

³ Includes annual preventive physical, preventive vision/hearing screenings, newborn and well-child care, well-woman exams, preventive lab, and X-ray services.

⁴ Complex radiology includes CT, SPECT, PET and MRI.

⁵ All mental health and chemical dependency services are administered by MHN Services on behalf of Health Net. The following conditions are considered severe mental illnesses: schizophrenia, schizoaffective disorder, bipolar disorder, major depressive disorders, panic disorders, obsessive-compulsive disorder, pervasive developmental disorder or autism, anorexia nervosa, bulimia nervosa and serious emotional disturbances of children (SED).

⁶ Chiropractic and/or Acupuncture rider coverage is available as an optional benefit with the HMO plan shown above. Features of Health Net's chiropractic coverage include a \$10 per visit copayment and up to 20 visits per calendar year.

⁷ The three prescription drug tiers are Tier 1: Generic formulary; Tier 2: Brand formulary; Tier 3: Brand non-formulary.

⁸ Some plans cover most female prescription contraceptives at \$0 cost share. Coverage on some drugs may not follow the generic and brand tier system. Please refer to your plan documents and Health Net's Recommended Drug List (RDL) for coverage, cost share and tier information.
