Find the Doctor *You Want,* *Plus More!*

When doctors (physicians) agree to provide care to Health Net Life Insurance Company (Health Net) insureds, they give us some key information about their qualifications. To help you make informed decisions about your care, we make much of this information available in our directories, on our website or by calling our Customer Contact Center. You can learn whether your doctor is board-certified, where your doctor attended medical school, where your doctor performed his or her residency, your doctor's address and phone number, the hospital(s) at which your doctor practices, and which languages (other than English) your doctor may speak.

Health Net's most current provider network information is published on our website. To access this information, visit us at **www.healthnet.com** and select *ProviderSearch*.

At Health Net, we work hard to ensure that this directory is accurate. However, we are continuously updating and adding to our network information. Because of this, we advise you to confirm a doctor's participation prior to receiving services.

PPO insureds can access affordable coverage nationwide¹

In addition to Health Net's California network of more than 66,000 doctors and health professionals, you have access to more than 160,000 doctors (family practitioners, pediatricians and obstetricians) and 480,000 specialists nationwide. Health Net's arrangement with the First Health Network allows PPO insureds to use their in-network benefits while traveling away from home. To find a doctor in our

network, please visit www.healthnet.com > *ProviderSearch* > *Search First Health*. You can also call the Customer Contact Center number listed on your ID card.

For more details about your plan benefits and the terms of your coverage, please refer to one of the following, which you should have already received in your enrollment kit, or as part of your ID card kit:

- *Certificate of Insurance (COI)*
- *Summary of Benefits/Disclosure Form*

¹Available through an arrangement with First Health, a national PPO network.

Effective January 1, 2017, First Health Network is not available with Individual and Family Plans.

Before You Make an Appointment

Verify your coverage

Does your health plan include medical or mental health and substance abuse benefits for this visit, service or procedure? Consult your plan documents (e.g., *Summary of Benefits* or Plan Policy) to confirm your benefits are available through this network of providers before making an appointment. **Note:** For some services (including some chiropractic care), you may need to refer to a supplemental directory.

Please note: Not all plans offer mental health and substance abuse treatment through the Health Net network. Some plans have mental health and substance abuse treatment offered through the separate MHN network. Although this directory contains Health Net provider listings for mental health and substance abuse treatment professionals, if you seek care from one of them, your treatment will be covered only if – and only to the extent that – your plan covers mental health and substance abuse treatment through this network.

Prior to seeking treatment, please verify that your health plan includes coverage for mental health and substance abuse treatment. In addition, please verify whether your plan allows mental health and substance abuse visits through the network covered in this directory or through the separate MHN network. To do this, consult your group's plan materials (*Summary of Benefits* or plan documents) or call Health Net at the phone number listed on your ID card.

Confirm whether a hospital, doctor, chiropractor, or other health care professional is currently participating in the network

Hospitals, doctors, chiropractors, and other health care professionals participate in the Health Net network through voluntary contracts with Health Net. Any given doctor's status as participating in the network may change at any time.

Before accessing services, confirm that the doctor you would like to see is currently participating in the network. You can confirm participation by calling Health Net.

For ELECT and SELECT Plans

Services That Can Be Obtained without Referral

PPO

Health Net's Preferred Provider Organization (PPO) product does not require an enrollee or the enrollee's treating provider to request approval for a referral of an enrollee to an in-network or out-of-network provider. Enrollee referrals to out-of-network providers are at both the enrollee and the enrollee's treating provider's discretion, as enrollees have coverage for out-of-network providers. While an approval for referral to an out-of-network provider is

not required, the enrollee will incur higher out-of-pocket expenses when receiving services or supplies from an out-of-network provider.

This does not waive any prior certification requirements that may be applicable to the types of services obtained. Please refer to your *Certificate of Insurance* for more information about services requiring certification, or contact the Customer Contact Center at the number on your ID card.

Timeline Standards for Access to Care

Access type	Standard
Non-urgent appointments for primary care – regular and routine care (PCP) appointment	Appointment within 10 business days of request
Urgent care (PCP) services that do not require prior certification	Wait time not to exceed 48 hours of request
Urgent care (specialist and other) services that require prior certification	Appointment within 96 hours of request
Non-urgent appointments with specialist	Appointment within 15 business days of request
Non-urgent appointments with a non-physician mental health care provider	Appointment within 10 business days of request
Non-urgent appointments for ancillary services for the diagnosis or treatment of injury, illness or other health condition	Appointment within 15 business days of request

Note: The applicable waiting time for a particular appointment may be extended if the referring or treating licensed health care provider (or the health professional providing triage or screening services, as applicable), acting within the scope of his or her practice and consistent

with professionally recognized standards of practice, has determined and noted in the relevant record that a longer waiting time will not have a detrimental impact on the health of the covered person.

Also, preventive care services and periodic follow-up care (including, but not limited to, standing referrals to specialists for chronic conditions, periodic office visits to monitor and treat pregnancy, cardiac or mental health conditions, and laboratory and radiological

monitoring for recurrence of disease) may be scheduled in advance, consistent with professionally recognized standards of practice as determined by the treating licensed health care provider acting within the scope of his or her practice.

¡Encuentre al Médico que Desea, Y Más!

Cuando los médicos aceptan brindar atención a las personas aseguradas en Health Net Life Insurance Company (Health Net), nos proporcionan cierta información clave sobre sus calificaciones. Para ayudarle a tomar decisiones informadas sobre su atención, ponemos mucha de esta información a su disposición en nuestros directorios y en nuestro sitio Web, o bien, usted puede acceder a ella llamando a nuestro Centro de Comunicación con el Cliente. Puede conocer si su médico está certificado por la junta, dónde asistió a la escuela de medicina, dónde realizó su residencia, la dirección y el número de teléfono de su médico, el o los hospitales donde ejerce y qué idiomas (además del inglés) habla.

La información de la red de proveedores más actualizada de Health Net se publica en nuestro sitio Web. Para acceder a esta información, visítenos en **www.healthnet.com** y seleccione *Búsqueda de Proveedores*.

En Health Net, nos esforzamos por garantizar que este directorio sea exacto. Sin embargo, actualizamos la información de nuestra red y agregamos datos continuamente. Es por eso que le recomendamos que confirme la participación de un médico antes de recibir los servicios.

Las personas aseguradas en planes PPO pueden acceder a una cobertura a su alcance en todo el país¹

Además de la red de Health Net en California de más de 66,000 médicos y profesionales de la salud, usted tiene acceso a más de 160,000 médicos (médicos de medicina familiar, pediatras y obstetras) y 480,000 especialistas en todo el país. El acuerdo de Health Net

Para encontrar a un médico de nuestra red, visite www.healthnet.com > *ProviderSearch* > *Search First Health* (Buscar en First Health). También puede llamar al número del Centro de Comunicación con el Cliente que aparece en su tarjeta de identificación.

Antes de Programar una Cita

Verifique su cobertura

¿Su plan de salud incluye beneficios médicos o de salud mental y abuso de sustancias para esta consulta, servicio o procedimiento? Antes de programar una cita, consulte los documentos de su plan (p. ej., *Resumen de Beneficios* o Póliza del Plan) para confirmar que sus beneficios estén disponibles a través de esta red de proveedores. **Nota:** Para algunos servicios (incluyendo algunos servicios de cuidado quiropráctico), es posible que necesite consultar un directorio suplementario.

Tenga en cuenta que: No todos los planes ofrecen tratamiento de salud mental y abuso de sustancias a través de la red de Health Net. Algunos planes ofrecen tratamiento de salud mental y abuso de sustancias a través de la red MHN separada. Aunque este directorio contiene listas de proveedores de Health Net correspondientes a profesionales para el tratamiento de salud mental y abuso de sustancias, si usted busca atención de uno de ellos, su tratamiento estará cubierto sólo si su plan cubre —y únicamente en la medida que cubra— el tratamiento de salud mental y abuso de sustancias a través de esta red.

Antes de buscar tratamiento, verifique que su plan de salud incluya cobertura para el tratamiento de salud mental y abuso de sustancias. Además, verifique si su plan permite consultas de salud mental y abuso de sustancias a través de la red incluida en este directorio o a través de la red MHN separada. Para ello, consulte los materiales del plan de su grupo (*Resumen de Beneficios* o documentos del plan) o llame a Health Net al número de teléfono que aparece en su tarjeta de identificación.

Confirme si un hospital, médico, quiropráctico u otro profesional para el cuidado de la salud actualmente participa de la red

Los hospitales, médicos, quiroprácticos y otros profesionales para el cuidado de la salud participan de la red de Health Net a través de contratos voluntarios celebrados con Health Net. El estado de participante de la red de un médico dado puede cambiar en cualquier momento.

Antes de acceder a los servicios, confirme que el médico al que desea consultar actualmente participa de la red. Puede confirmar la participación llamando a Health Net.

Para poder recibir el nivel más alto de beneficios, usted debe ir a su médico de atención primaria a fin de obtener remisiones a médicos afiliados a su grupo médico.

Llame para obtener una certificación

Para asegurarse de recibir los beneficios máximos que se encuentran disponibles para usted conforme a su plan de Health Net, tenga en cuenta que debe llamar al **1-800-977-7282** para obtener una certificación.

Servicios Que Pueden Obtenerse sin Remisión

PPO

El producto de la Organización de Proveedores Preferidos (por sus siglas en inglés, PPO) de Health Net no requiere que la persona inscrita o el proveedor que la está tratando soliciten la aprobación para una remisión de la persona inscrita a un proveedor dentro o fuera de la red. Las remisiones de las personas inscritas a proveedores fuera de la red quedan a discreción tanto de la persona inscrita como del proveedor que la trata, dado que las personas inscritas cuentan con cobertura para proveedores fuera de la red. Aunque no se requiere una aprobación

para una remisión a un proveedor fuera de la red, la persona inscrita incurrirá en gastos de desembolso más altos cuando reciba servicios o suministros de parte de un proveedor fuera de la red.

Esto no elimina ningún requisito de certificación previa que pueda ser aplicable a los tipos de servicios obtenidos. Consulte su *Certificado de Seguro* para obtener más información sobre los servicios que requieren certificación o llame al Centro de Comunicación con el Cliente al número que aparece en su tarjeta de identificación.
