Cost-sharing means copayments, including coinsurance and deductibles.

For more information on generally recommended preventive services, go to www.healthcare.gov. The applicable cost-sharing for preventive care will apply to these services.

⁵The Essential Rx Drug List is a list of prescription drugs that are covered by this plan. Some drugs require prior authorization from Health Net. For a copy of the Essential Rx Drug List, go to Health Net's website. Refer to the Policy for complete information on prescription drugs. Plans will cover most female prescription contraceptives at \$0 cost-share. Coverage on some drugs may not follow the generic and brand tier system. Please refer to your Policy and Health Net's Essential Rx Drug List for coverage, cost-share and tier information. The Policy is a legal, binding document. If the information in this brochure differs from the information in the Policy, the Policy controls. Prescription drugs filled through mail order (up to a 90-day supply) require twice the level of copayment. For details regarding a specific drug, go to www.healthnet.com.
