A - Application Required
 D - Downgrade
 N/A - Plan Not Available

- Notes:
1. Health Net is not allowing members in a comprehensive pharmacy benefit to downgrade into a generic only benefit. The reason for this decision is that once a member downgrades into a generic plan they can only downgrade into a generic only plan. To obtain a comprehensive pharmacy benefit they must resubmit an underwriting application.
 2. Since Health Net is unable to administer the NetSaver 1500 and ValueChoice 1500 plans correctly, these plans are no longer available to be downgraded into.
