*Outline of Individual Medicare Supplement Plan Coverage
Benefit Plans A, C, F, F+ (high deductible) and G are offered by
Health Net Life Insurance Company (HNL)*

Medicare supplement insurance can be sold in only standard plans. This chart shows the benefits included in each plan that can be sold on or after June 1, 2010. Every insurance company must offer Plan A. Some plans may not be available.

The basic benefits included in all plans are:

Hospitalization: Medicare Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.

Medical Expenses: Medicare Part B coinsurance (usually 20 percent of the Medicare-approved amount) or copayments for hospital outpatient services. Plans K, L and N require insureds to pay a portion of Part B coinsurance or copayments.

Blood: First three pints of blood each year.

Hospice: Part A coinsurance.

*Plan F also has an option called a High Deductible Plan F, designated by Health Net Life as Plan F+. This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2,070 deductible. Benefits from High Deductible Plan F+ will not begin until out-of-pocket expenses exceed \$2,070. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by this certificate. These expenses include Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.

Premium information

We, Health Net Life (HNL) can only raise your premium if we raise the premium for all policies like yours in California. Premiums in this Outline of Coverage will increase periodically due to the increase in your age. Upon attainment of an age requiring a rate increase, the renewal premium for the Medicare Supplement Plan Policy will be the renewal premium in effect for your attained age. You will receive written notification of any changes in payment fees at least 30 days prior to the effective date of the new rate.

Health Net Life provides an initial 6-month rate guarantee to members enrolling for the first time into a Health Net Life Medicare Supplement plan. During your 6-month rate guarantee period, your premium will not increase even if Health Net Life has a rate increase, you have a birthday which moves you into the next higher age rate bracket or you move to a county in a different region that has a higher premium. If during your 6-month rate guarantee period you choose to enroll in a different Health Net Life Medicare Supplement plan, your 6-month rate guarantee period will end, and you will be charged the premium for the new plan selected.

HNL offers various payment options: Monthly billing and Automatic Bank Draft (ABD).

The term of your health plan is month-to-month, commencing on the date set forth in the Notice of Acceptance. Your coverage will remain in effect for each month for which premiums are received on or before the date it is due, or within the grace period.

This plan is subject to Guaranteed Renewability.

Read your Medicare supplement plan policy very carefully

This is only an outline describing your Medicare Supplement Plan Policy's most important features. This Medicare Supplement Plan Policy is your contract. You must read the Medicare Supplement Plan Policy itself to understand all of the rights and duties of both you and HNL.

Thirty-day right to return the Medicare supplement plan policy

If you find you are not satisfied with your Medicare Supplement Plan Policy, you may return it to HNL Medicare Supplement Plan at: PO Box 10420, Van Nuys, CA 91499-6208, Attention: Membership Accounting. If you send the Medicare Supplement Plan Policy back to us within 30 days after you receive it, we will treat the Contract as if it had never been issued and return all of your payments.

Medicare supplement plan policy replacement

If you are replacing another health insurance Policy, do NOT cancel it until you have actually received your new Medicare Supplement Plan Policy and are sure you want to keep it.

Disclosures

This Policy may not fully cover all your medical costs. Neither HNL nor any of its agents are connected with Medicare. This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "The Medicare Handbook" for more details. For additional information concerning Policy benefits, contact the Health Insurance Counseling and Advocacy Program (HICAP) or your agent. Call the HICAP toll-free telephone number, 1-800-434-0222, for a referral to your local HICAP office. HICAP is a service provided free of charge by the State of California.

Complete answers are very important

You do not need to answer questions about your medical and health history if you are applying for coverage during an open enrollment or guarantee issue period.

When you fill out the application for the HNL Medicare Supplement Plan, be sure to truthfully and completely answer all questions about your medical and health history. HNL may have the right to cancel your Medicare Supplement Plan Policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

An example showing a physician's charges

The following are examples of how the Plans pay benefits for Part B charges, assuming a physician bill of \$2,000 and the annual Medicare Part B deductible of \$140 has been met.

Plan: A and C

	<i>Physician accepts assignment</i>	<i>Physician does not accept assignment</i>
Charges approved for payment by Medicare	\$1,850	\$1,850
Medicare pays 80% of approved charges	\$1,480	\$1,480
This policy pays	\$370	\$370
You pay coinsurance	\$0	\$150

If your physician accepts assignment of Medicare benefits, the difference between your physician's charge, (\$2,000) and the Part B Charges Approved for Payment by Medicare (\$1,850) is absorbed by your physician and you pay no coinsurance. If your physician does not accept assignment of Medicare benefits, you pay the Part B Excess Charges.

Plan: F and G

	<i>Physician accepts assignment</i>	<i>Physician does not accept assignment</i>
Charges approved for payment by Medicare	\$1,850	\$1,850
Medicare pays 80% of approved charges	\$1,480	\$1,480
This policy pays	\$370	\$520
You pay coinsurance	\$0	\$0

Unlike Plans A and C, Plans F and G pay Part B Excess Charges. Part B Excess Charges are the difference between physician charges and the Charges Approved for Payment by Medicare. If you enroll in Plans F or G, you pay no Part B coinsurance.

This high deductible plan pays the same benefits as Plan F after one has paid a \$2,070 calendar-year deductible. Benefits from Plan F+ will not begin until out-of-pocket expenses exceed \$2,070.

Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. This includes the Medicare deductibles for Part A and Part B, but does not include the plan's separate foreign travel emergency deductible.

Eligibility provisions

You are eligible for enrollment in one of HNL's Medicare Supplement plans if you are 65 or older or under 65 and entitled to Medicare on the basis of Social Security disability benefits, and do not have end-stage renal disease (ESRD), enrolled in Medicare Parts A and B, and you reside within the State of California. Your continued eligibility to participate in this health plan depends on your continued Medicare enrollment. You may be eligible for guaranteed issuance of a Medicare Supplement Plan Policy under Health Net Life. Please call Health Net Medicare Inside Sales for more details at **1-800-944-7287**.

Claims reimbursement

The Health Net Life Medicare Supplement plan features electronic claims processing, a claims payment process between Health Net Life and Medicare. Medicare-certified and Medicare-accepting providers bill Medicare for services provided and, upon processing, Medicare then sends claims electronically to Health Net Life for secondary payment. Electronic claims processing is provided with your membership in the Health Net Medicare Supplement Plan. There is no registration necessary.

For claims for services covered by your Health Net Life Medicare Supplement Plan, but not by Medicare, such as Foreign Travel Emergency care, you or your medical provider should submit the claims directly to Health Net at:

Health Net Claims
PO Box 14702
Lexington, KY 40512

You may request a Health Net claim form by contacting the Member Services number provided on your identification card.

How to apply

You may apply by completing the application and returning it in the enclosed envelope. You may enroll in your choice of plans A, C, F, F+ and G. You may be eligible for guaranteed issuance of a Medicare Supplement Plan Policy under Health Net Life. Please call Health Net Medicare Inside Sales for more details at **1-800-944-7287**.

Termination provisions

You can terminate your enrollment in this health plan by giving written notice to HNL that you wish to disenroll at least 30 days prior to the month in which you wish to end your enrollment.

HNL can terminate your coverage:

- If your premium is not paid within the allowed grace period. Your coverage will be canceled on the last day of the month for which premium was last received and accepted by HNL.
- If you make a false statement as to your health status or obtain or attempt to obtain Covered Services by means of false, misleading, or fraudulent information, acts or omissions, HNL may terminate your coverage upon 30 days notice, except that no such termination shall be allowed after the expiration of two years from your initial effective date of coverage under this Policy.

If your coverage is terminated by HNL and you have reason to believe that the termination was based upon your health status or requirements for health care services, you may request a review of the termination by the Commissioner of the California Department of Insurance. Information relative to this procedure is available by contacting the Member Services Department.

In the event of cancellation by either HNL (except in the case of fraud or deception in the use of services of this health plan or knowingly permitting such fraud or deception by another) or yourself, HNL shall within 30 days return to you the

prorated portion of the money paid to HNL which corresponds to any unexpired period for which payment had been received. The amounts shall be adjusted to reflect amounts due on claims, if any.

Grace period

A grace period of 45 days is allowed after each premium due date. When payment is not received within the first two weeks of the month for which it is due, a final bill showing the amount owed will be sent to you. If payment is not received within 30 calendar days after the final bill is sent, your coverage will be terminated on the last day of the month for which premiums were last received and accepted by HNL.

Grievance and arbitration

If you have a grievance against HNL, or are ever dissatisfied with our services and our HNL Medicare Supplement Plan Member Services department is not able to solve the problem, there is a procedure for appealing the issue. You may write a letter explaining the problem to:

HNL Medicare Supplement Plan
Appeals and Grievances Department
PO Box 10344
Van Nuys, CA 91410-0344

HNL uses neutral, binding arbitration to settle disputes, which arise out of or relate to coverage under the Policy. When you enroll in HNL Medicare Supplement Plan, you agree to submit any disputes to arbitration, in lieu of a jury or court trial.

This binding arbitration provision does not apply to claims, disputes, or controversies relating to alleged professional negligence (medical malpractice) and applies only to matters arising under this Policy.

Medicare has specific appeals procedures for the portion of the bill they pay. If you feel a decision made on a claim is incorrect, any Social Security office can help you request a review.
