# HMO ExcelCare *Network*

HMO plans with a quality, affordable network give you economical coverage options.

At Health Net of California, Inc., we've translated decades of HMO experience into products and networks that give you and your employees a wide range of covered services at predictable costs.

When you pair our HMO plans with our HMO ExcelCare Network, you get the advantages of an HMO plan with the cost-savings of our HMO ExcelCare Network.

Our HMO ExcelCare Network is simply a select subset of our quality providers in our full HMO network, giving your employees access to trusted, local health care resources.

HMO ExcelCare Network plans are a good coverage choice if you want to offer:

- A wide range of covered services.
- A \$0 calendar year deductible.
- Predictable costs, with fixed copayments for most services.
- No claim forms to file (except for emergency out-of-network care).
- Ability to choose a separate primary care physician and medical group for each family member.
- Cost-savings of our ExcelCare Network.
