# Keep Your Budget Healthy, Too

## COST-SAVING TIPS FROM YOUR PARTNER IN HEALTH!

- In an emergency, call 911 or go to the nearest hospital. For non-life-threatening health issues that need same-day care, use urgent care centers instead.
- Ask your doctor for generic versions of brand-name medications, when available.
- You can reduce your out-of-pocket costs with our mail order pharmacy program. The program lets you get a three-month supply of your maintenance prescription drugs, often at a lower copayment. Maintenance drugs are those taken on a daily basis to treat chronic or long-term ailments.

This overview provides benefit information highlights only. Your *Evidence of Coverage (EOC)* or *Certificate of Insurance (COI)*, which you will receive after you enroll, contains the exact terms and conditions of your Health Net coverage.

You have access to Decision Power through current enrollment with Health Net of California, Inc. or Health Net Life Insurance Company (Health Net). Decision Power is not part of Health Net's commercial medical benefit plans. It is not affiliated with Health Net's provider network, and it may be revised or withdrawn without notice.
