

Salud con Health Net

**LATINO FOCUSED. COMMUNITY CENTERED.
BUDGET FRIENDLY.**

Salud HMO y Más

The Latino population continues to grow in California, and so does the demand for quality benefit coverage to meet their specific needs. Comprehensive benefit designs coupled with our experience serving the Hispanic community make for a perfect health care solution for your clients.

Salud HMO y Más gives you a competitive edge by:

Boosting your sales in untapped territories with consumer-centric products.

Offering comprehensive benefits and employer cost-savings for both large and small group businesses alike.

Supporting you with culturally aware, dedicated systems and services.

Affordability is an essential part of the Salud HMO y Más offering. It gives employers cost-savings for their businesses while providing health care coverage that meets the distinct needs of the Hispanic community.

And when you pair another Health Net plan alongside Salud HMO y Más, you get a combination that's a perfect fit for your clients' diverse workforces.

Salud Mexico

Salud Mexico is an affordable coverage alternative that gives your group clients and their enrolled dependents access to participating SIMNSA providers. Eligible employees and their dependent(s) can enroll in this plan if they live or work in select ZIP codes of San Diego, Imperial and Kern counties or reside in Mexico within 50 miles (80.5 km) of the California-Mexico border.

(continued)

Salud plans are a great way to attract and retain group clients in all or parts of Kern, Los Angeles, Orange, Riverside, San Bernardino, and San Diego counties.

A distinctive reputation

As a solutions innovator, we understand the diverse needs of our community. That's because we've been serving Californians for more than 35 years. Our solid reputation precedes us.

Health Net of California, LLC. is the only California health plan to receive the Distinction Status in Multicultural Health Care (MHC) from NCQA for all lines of business: Commercial, Exchange, Medicare and Medicaid.
