This includes retainers, habit appliances, and any fixed or removable interceptive orthodontic appliances.

General exclusions

The following are not covered:

1. Dental services that are not necessary.
2. Hospitalization or other facility charges.
3. Any dental procedure performed solely for cosmetic/aesthetic reasons. (Cosmetic procedures are those procedures that improve physical appearance.)
4. Reconstructive surgery regardless of whether or not the surgery is incidental to a dental disease, injury or congenital anomaly when the primary purpose is to improve physiological functioning of the involved part of the body.
5. Any dental procedure not directly associated with dental disease.
6. Any procedure not performed in a dental setting.
7. Procedures that are considered to be experimental, investigational or unproven. This includes pharmacological regimens not accepted by the American Dental Association (ADA) Council on Dental Therapeutics. The fact that an experimental, investigational or unproven service, treatment, device, or pharmacological regimen is the only available treatment for a particular condition will not result in coverage if the procedure is considered to be experimental, investigational or unproven in the treatment of that particular condition.
8. Services for injuries or conditions covered by workers' compensation or employer liability laws, and services that are provided without cost to the covered person by any municipality, county or other political subdivision. This exclusion does not apply to any services covered by Medicaid or Medicare.
9. Expenses for dental procedures begun prior to the covered person becoming enrolled under the policy.
10. Dental services otherwise covered under the policy, but rendered after the date individual coverage under the policy terminates, including dental services for dental conditions arising prior to the date individual coverage under the policy terminates.
11. Services rendered by a provider with the same legal residence as a covered person or who is a member of a covered person's family, including spouse, brother, sister, parent, or child.
12. Foreign services are not covered unless required in an emergency.
13. Replacement of complete dentures, fixed and removable partial dentures, or crowns, if damage or breakage was directly related to provider error. This type of replacement is the responsibility of the dentist. If replacement is necessary because of patient noncompliance, the patient is liable for the cost of replacement.
14. Fixed or removable prosthodontic restoration procedures for complete oral rehabilitation or reconstruction.
15. Attachments to conventional removable prostheses or fixed bridgework. This includes semiprecision or precision attachments associated with partial dentures, crown or bridge abutments, full or partial overdentures, any internal attachment associated with an implant prosthesis, and any elective endodontic procedure related to a tooth or root involved in the construction of a prosthesis of this nature.
16. Procedures related to the reconstruction of a patient's correct vertical dimension of occlusion (VDO).
17. Placement of fixed partial dentures solely for the purpose of achieving periodontal stability.
18. Treatment of benign neoplasms, cysts or other pathology involving benign lesions, except excisional removal. Treatment of malignant neoplasms or congenital anomalies of hard or soft tissue, including excision.
19. Setting of facial bony fractures and any treatment associated with the dislocation of facial skeletal hard tissue.
20. Services related to the temporomandibular joint (TMJ), either bilateral or unilateral. Upper and lower jaw bone surgery (including that which is related to the temporomandibular joint). No coverage is provided for orthognathic surgery, jaw alignment or treatment for the temporomandibular joint.
21. Acupuncture, acupressure and other forms of alternative treatment, whether or not used as anesthesia.
22. Drugs/medications, obtainable with or without a prescription, unless they are dispensed and utilized in the dental office during the patient visit.
23. Charges for failure to keep a scheduled appointment without giving the dental office 24 hours' notice.
24. Occlusal guards used as safety items or to affect performance primarily in sports-related activities.
25. Dental services received as a result of war or any act of war, whether declared or undeclared, or caused during service in the armed forces of any country.
26. Orthodontic coverage does not include the installation of a space maintainer, any treatment related to treatment of the temporomandibular joint, any surgical procedure to correct a malocclusion, replacement of lost or broken retainers and/or habit appliances, and any fixed or removable interceptive orthodontic appliances previously submitted for payment under the plan.
