- Retroactive adjustments to billing up to two bill cycles past the renewal month.
- Another set of ID cards.

### Renewal checklist

Speed up renewals and be your clients' superhero. We're here to help.

- ✓ **Connect with your account manager** to go over any questions or group-specific strategies.

- ✓ **Plan for processing time:**
  - Renewal confirmations: 5 to 7 business days
  - ID cards: 3 to 5 business days after renewal confirmations are processed
  - Open enrollment and changes: 3 to 5 business days

✔ Use the **Renewal Tool** to help your groups make their 2017 decisions:

## Portfolio Overview

### Mix and match HMOs

Now your clients have the flexibility of picking an HMO plan design, then pairing it with any of the networks we offer in their location. The plan design stays the same. Simple.

Step 1: Pick your plan design.	Step 2: Pair your plan with any of the networks we offer in your location.

### Silver & Gold Is the Way to Go – CommunityCare HMO

Small Group 2.0 brings low-priced CommunityCare HMOs to employers in Los Angeles and Orange counties. Offered via Health Net of California, Inc., these HMO designs – one Gold, one Silver – come with our newest tailored network and the convenience of MinuteClinics (located in select CVS stores).

What's different is that there is no participating provider group (PPG) requirement. Members choose a primary care physician (PCP) from the CommunityCare network to coordinate their care. A PCP can refer to any specialist in the CommunityCare network.

Other health-boosting benefits include:

- A no-cost preventive care visit each year (like with all ACA-compliant health plans).
- \$0 copayment for the first doctor visit (for whatever reason). Cost-sharing applies for all services related to the first office visit.
- Low copayments and \$0 deductible for generic drugs.

**Plus!** CommunityCare's low-priced premiums give employers the opportunity to offer a robust Gold- or Silver-level plan – and save!

*New!*

# PPO Value Plans

## *PPO Value plans in Gold & Silver*

Love offering clients the flexibility of a PPO? Want a lower price point? We designed two new PPO value plans to make it even easier to satisfy clients – by giving them both!

- No deductible requirement for services people use most:
  - Office visits
  - Preventive care
  - Level 1 prescriptions
  - Acupuncture benefits

- Combined medical and Rx deductible so employees don't have to meet separate deductibles.
- 10% lower coinsurance for outpatient surgery at an ambulatory surgery center.
- \$10 copayment for Level 1 prescription and acupuncture benefits with Gold – \$30 for Silver – both lower than our standard plans.

The convenience and savings opportunities add up for employees with our new PPO Value plans, while employers get a premium break (compared to our standard PPO plans).

### **Bonus!**

MinuteClinics are now a benefit with all of our HMOs, making it that much easier for members to get care for common illnesses, wellness screenings, vaccinations, and more.

## **Small Group 2.0 also features EPO and HSP tailored network plans**

For groups interested in an HSA-compatible plan, the Health Net PPO Bronze HSA is one to consider.

## Life and AD&D

For many small businesses, an attractive employee benefits package includes Group Term Life and Accidental Death & Dismemberment (AD&D) insurance offering desirable benefit levels. This allows a small business employer to:

- Increase the attractiveness of the company's benefit package to employees.
- Offer employees life insurance benefits at economical rates.

One way employers can enhance their benefits package and minimize administrative costs is to consolidate health and life insurance carriers. Carrier consolidation eliminates unnecessary administrative costs related to managing an employee benefits package.

Health Net Life Insurance Company underwrites Group Term Life Benefit Insurance, Accidental Death & Dismemberment and Dependent Life Insurance.<sup>12</sup>

## Group Term Life Insurance

### Life options

- **Option A** – \$15,000 flat amount for all employees.
- **Option B** – \$25,000 flat amount for all employees (15–100 employees).
- **Option C** – \$50,000 flat amount for all employees (25–100 employees).

## Group Life plan features

- **Waiver of premium provision** – A life benefit can be extended during a period of total disability under terms specified in the group *Certificate of Insurance*.
- **Accelerated death benefit** – Provides financial protection to the insured in time of need, while also protecting the interest of the beneficiary. The accelerated benefit is a portion of the basic life insurance amount and is payable in a lump sum.
- **Conversion privilege** – A conversion privilege to whole life insurance is available to certain individuals whose coverage terminates due to reasons specified in the group policy.

## Accidental Death & Dismemberment (AD&D)

These benefits are usually included as part of the group life insurance policy. Health Net Life Insurance Company does not offer Accidental Death & Dismemberment benefits on a standalone basis.

- Benefit is payable as a result of an accident, loss of life or any of the physical losses specified in the group policy.
- The maximum benefit amount is equal to the basic life amount shown in the policy.
- This maximum benefit amount is payable for loss of life. It can also be payable for the loss of sight in both eyes, loss of both hands or both feet, or any two or more of these physical losses in the same accident.
- One-half of the maximum benefit amount is payable for loss of one hand, loss of one foot or the loss of sight in one eye.
