# Participating Physician Group Index

The following is a listing of Health Net contracted Participating Physician Groups, arranged in alphabetical order. An overview of services, affiliated Primary Care Physicians and hospitals is provided for each physician group. Information shown for each group also includes any available Rapid Access® services. Further information on Rapid Access can be found at the front of this directory. For a

listing of specialists available by physician group, please contact the group directly. A unique number is shown for each physician group. When you complete the enrollment form to become a Health Net member, you will need to identify the group of your choice by writing in this number. After you've selected a physician group, you'll also need to choose a Primary Care Physician. Please refer to the Primary Care Physicians by city listing for more information about affiliated Primary Care Physicians. And for the most-up-to-date directory information, visit the Health Net website at [www.healthnet.com/uc](http://www.healthnet.com/uc).

# Primary Care Physicians by City Index

The following is a listing of Health Net contracted Primary Care Physicians, grouped in alphabetical order by the city in which their offices are located. The listing shows the physician group(s) with which each physician is affiliated, as well as each physician's unique physician number and each physician group's unique group number. When you complete the

enrollment form to become a Health Net member, you will need to identify the Primary Care Physician and physician group of your choice by writing in each of these numbers. For more information about each physician group, see the Participating Physician Group index. If you want to select a Primary Care Physician from a physician group affiliated with a particular hospital, turn to the Hospital index for more information. For the most up-to-date directory listings, visit the Health Net website at [www.healthnet.com/uc](http://www.healthnet.com/uc).

# Hospital Index

The following is a listing of hospitals affiliated with Health Net, arranged in alphabetical order. Information shown for each hospital includes Health Net contracted Participating Physician Groups that are affiliated with that hospital. You will need to choose a physician group to provide your health care services when you enroll as a Health Net member. For more information about each group, see the Participating Physician

Group index. You will also need to select a Primary Care Physician from the physician group of your choice. For more information about affiliated Primary Care Physicians, see the Primary Care Physicians by city listing. For the most up-to-date directory listings, visit the Health Net website at [www.healthnet.com/uc](http://www.healthnet.com/uc). For the most complete, list of hospital affiliations, please contact your selected Participating Physician Group or Primary Care Physician.
