

# WE'VE ADDED MORE IN-STORE HEALTH CARE CLINICS FOR YOUR CONVENIENCE IN ARIZONA

Health Net members now have access to in-store health care clinics (convenience care clinics). Our newly enhanced provider network facilities allow you to get treatment without an appointment for minor illness, allergies, vaccinations, flu diagnosis and wellness care. In-store health care clinics are open throughout the greater Phoenix and Tucson areas at locations including CVS, Walgreens and more, so there's sure to be one close to your home or work.

- Flexible store hours give you the freedom to have your health concerns taken care of during after-work hours.
- Walk-ins welcome – you don't need an appointment to visit an in-store health care clinic.
- Your copay is the same as your Primary Care Physician copay amount.

To find an in-store health care clinic near you online:

- Go to [www.healthnet.com](http://www.healthnet.com), then
