

Follow the next steps to find medical groups and compare up to three medical groups. This tool will help you decide which medical group is right for you by providing detailed ratings on member satisfaction, clinical care, preventive health screenings, and information technology usage.

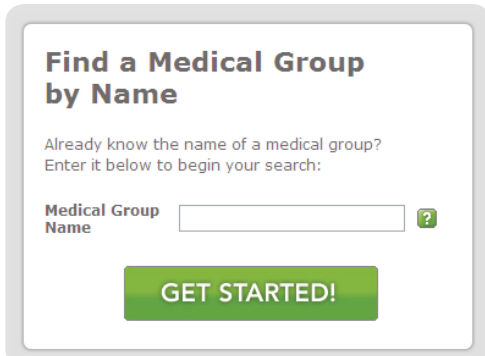

Find and Compare Medical Groups by Location

- STEP 1** If searching by region, select a region then click on the “Get Started!” button. If searching by county, select a county then click on the “Get Started!” button.
- STEP 2** Locate the medical group(s) and click their corresponding “Compare” check box.
Note: You can select up to three medical groups to compare.
- STEP 3** Click on any of the “Compare Now” buttons.
- STEP 4** To find a specific rating, make a selection from the “Jump to a specific rating:” drop-down menu and click the rating you wish to view.
Note: You can also browse the ratings by clicking the Member Satisfaction, Clinical Care, Preventive Health Screenings, or Information Technology Usage tab.

Finding a Medical Group by Name

- STEP 1** Enter the name of the medical group you’re searching for in the “Medical Group Name” text box then click on the “Get Started!” button.
Note: You can also search by ID# by entering it here.
- STEP 2** Click the name of the medical group you wish to view.
- STEP 3** To find a specific rating, make a selection from the “Jump to a specific rating:” drop-down menu and click the rating you wish to view
Note: You can also browse the ratings by clicking the Member Satisfaction, Clinical Care, Preventive Health Screenings, or Information Technology Usage tab.
