*Plan F also has an option called a High Deductible Plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2,240 deductible. Benefits from High Deductible Plan F will not begin until out-of-pocket expenses exceed \$2,240. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by this policy. These expenses include Medicare deductibles for Parts A and B but do not include the plan's separate foreign travel emergency deductible.
