Introduction

Choosing your primary care physician (PCP)

When you enroll with Health Net, you will select a primary care physician (PCP); a PCP is a doctor who will be your personal doctor. Your PCP may be a family practice, general practice, internal medicine, obstetrics and gynecology (OB/GYN), or pediatrics (for your children) physician. You may want to have one doctor who will see your whole family, or you may want to have one doctor for you and a different doctor for your children.

Your PCP will be the doctor you will see when you are sick; he or she will refer you to a specialist and coordinate your health care whenever you need it. You must always see your PCP each time you need medical treatment unless it is an emergency. You do not need to get a referral from your PCP to visit your eye doctor for a regular examination, for a family planning visit, for care during pregnancy, or to access a nurse midwife.

If you are a female member, you may choose to see an OB/GYN for routine examinations and prenatal care. You do not need a referral from your PCP, but you may ask him or her to recommend the name of an OB/GYN for you. There is also a listing of these providers in the section of your directory titled “OB/GYN Providers.” The OB/GYN you choose must be a Health Net provider and belong to the same medical group as your PCP.

For assistance in locating a nurse midwife in your area, please contact the American College of Nurse Midwives’ electronic Practice Locator Service at 1-888-MIDWIFE (643-9433). You will be asked to enter your ZIP code, and you will be provided with the name, address and telephone number of the nurse midwife (or midwives) closest to your area.

The Practice Locator Service is only available in English. If you do not speak English, please call Health Net’s Member Services Department at 1-800-675-6110. A representative will be happy to contact the Practice Locator Service and provide you with the information in your language.

All eligible Native Americans have the right to access medical services through Indian Health Service facilities. You do not need a referral from your PCP. The health plan will reimburse the facilities for covered services.

Some hospitals and other providers do not provide one or more of the following services that may be covered under this health plan and which members might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. Call your doctor or clinic, or call Health Net’s Medi-Cal Member Services Department at 1-800-675-6110 to ensure that you can obtain the health care services that you need.

PCP *Specialty Chart*

<i>Doctor specialty</i>	<i>Who will he or she see?</i>
Family practice	Your whole family
General practice	Your whole family
Internal medicine	Adults only (age 18 and older)
OB/GYN	Women only (age 18 and older)
Pediatrician	Children only (age 18 and younger)

The chart above will help you learn what each specialty (type of PCP) means, so you can choose the best doctor for you and your family.

Now that you have an idea about the type of doctor you want as a PCP for yourself and your family, you need to select who that doctor will be.

- **Look** for the city where you live.
- **Pick** a doctor for you and your family.
- **Write** the doctor ID (identification) number or the name of the doctor(s) you choose for you and your family on the Medi-Cal Health Plan Choice Form.
- **Sign** your name on the Medi-Cal Health Plan Choice Form.
- **Check** to make sure you filled out the Medi-Cal Health Plan Choice Form completely.
- **Mail** your completed Medi-Cal Health Plan Choice Form in the self-addressed, stamped envelope included with your packet.

Health Net does not and cannot guarantee the initial or continued availability of any particular participating provider. The current participation status of any provider can be obtained by calling Health Net's Member Services Department at **1-800-675-6110**.

Member Identification Card

When you become a member of Health Net, you will receive a member identification card like the one pictured below. You will need to show this card each time you see your doctor, get your prescriptions (medicine), use the emergency room, or see your eye doctor. Keep this card with you at all times.

Do not throw your Medi-Cal (BIC) card away

You will need to use your Medi-Cal card to see your Medi-Cal dentist and to get some other services that are not covered by Health Net.

24-hour Member Services Department

Health Net has a Member Services Department for you to call if you ever have any questions about your health plan, want to change your doctor, or have a complaint about your doctor or the plan. The Member Services Department is open 24 hours, every day, including weekends and holidays. A friendly representative is always available for you whenever you need help.

Member Services is your link to Health Net's Nurse Triage Department. If you try to call your doctor on the weekend or after office hours because you are sick,

and cannot reach him/her, please call our Member Services Department and a representative will connect you with a nurse who will be able to help you and answer your questions.

Remember: If you have a life-threatening emergency, call 911 for emergency help or go immediately to the closest emergency room.

To talk to a Member Services representative, call 1-800-675-6110. This is a free call for you to make, and you can talk to someone 24 hours a day, every day. The Member Services Department phone number is also on the back of your Health Net member identification card.

Introducción

Cómo elegir a su médico de atención primaria (PCP)

Cuando se inscriba en Health Net, usted seleccionará un médico de atención primaria (por sus siglas en inglés, PCP), que será su médico personal. Su médico de atención primaria puede ser un médico de medicina familiar, práctica general, medicina interna, obstetricia y ginecología (por sus siglas en inglés, OB/GYN) o pediatría (para sus hijos). Si lo desea, puede contar con un médico que atienda a toda su familia, o bien, puede tener un médico para usted y otro para sus hijos.

Su médico de atención primaria será el médico al que consulte cuando se enferme; éste le remitirá a un especialista y coordinará su cuidado de la salud cuando usted lo necesite. Siempre debe consultar a su médico de atención primaria cada vez que necesite tratamiento médico a menos que se trate de una emergencia. No necesita obtener una remisión de su médico de atención primaria para consultar a su oculista a fin de realizarse un examen regular, para una consulta de planificación familiar, para la atención durante el embarazo ni para acceder a una enfermera partera.

Si usted es una afiliada, puede elegir consultar a un obstetra/ginecólogo para realizarse exámenes de rutina y recibir atención prenatal. No necesita una remisión de su médico de atención primaria, pero puede solicitarle que le sugiera el nombre de un obstetra/ginecólogo. También hay una lista de estos proveedores en la sección de su directorio titulada “Proveedores de Obstetricia/Ginecología”. El obstetra/ginecólogo que elija debe ser un proveedor de Health Net y debe pertenecer al mismo grupo médico que su médico de atención primaria.

Si desea obtener ayuda para localizar a una enfermera partera en su área, comuníquese con el “Servicio de Localizador de Consultorios”, un servicio electrónico del American College of Nurse Midwives (Colegio Estadounidense de Enfermeras Parteras), al 1-888-MIDWIFE (643-9433). Se le solicitará que ingrese su código postal y se le proporcionará el nombre, la dirección y el número de teléfono de la/s enfermera/s partera/s más cercana/s a su área.

El Servicio de Localizador de Consultorios sólo se encuentra disponible en inglés. Si usted no habla inglés, llame al Departamento de Servicios al Afiliado de Health Net al 1-800-675-6110. Uno de nuestros representantes con gusto se comunicará con el Servicio de Localizador de Consultorios y le brindará la información en su idioma.

Todos los Nativos Americanos elegibles tienen derecho a acceder a los servicios médicos a través de los centros del Servicio de Salud Indígena. Usted no necesita una remisión de parte de su médico de atención primaria. El plan de salud le reembolsará a los centros por los servicios cubiertos.

Algunos hospitales y otros proveedores no prestan uno o más de los siguientes servicios que pueden estar cubiertos conforme a este plan de salud y que los afiliados podrían necesitar: planificación familiar; servicios anticonceptivos, incluyendo anticoncepción de emergencia; esterilización, incluyendo ligadura de trompas al momento del parto; tratamientos de infertilidad; o aborto. Llame a su médico o clínica, o bien, llame al Departamento de Servicios al Afiliado de Medi-Cal de Health Net al 1-800-675-6110, para asegurarse de poder obtener los servicios de cuidado de la salud que necesita.

Tabla de Especialidades de los Médicos de Atención Primaria

Especialidad del médico	¿A quién atenderá?
Medicina familiar	Toda su familia
Práctica general	Toda su familia
Medicina interna	Adultos únicamente (18 años o más)
Obstetricia/ginecología	Mujeres únicamente (18 años o más)
Pediatría	Niños únicamente (18 años o menos)

La tabla anterior le ayudará a conocer qué significa cada especialidad (tipo de médico de atención primaria), de manera que pueda elegir al mejor médico para usted y su familia.

Ahora que tiene una idea sobre el tipo de médico que desea como médico de atención primaria para usted y su familia, debe seleccionar quién será ese médico.

- **Busque** la ciudad donde usted vive.
- **Escoja** un médico para usted y su familia.
- **Escriba** el número de identificación del médico o el nombre del/de los médico/s que elija para usted y su familia en el Formulario de Selección del Plan de Salud Medi-Cal.
- **Firme** el Formulario de Selección del Plan de Salud Medi-Cal.
- **Verifique** que haya completado el Formulario de Selección del Plan de Salud Medi-Cal en su totalidad.
- **Envíe por correo** su Formulario de Selección del Plan de Salud Medi-Cal completado en el sobre sellado, con el nombre y la dirección del remitente, que se incluye en su paquete.

Departamento de Servicios al Afiliado disponible las 24 horas

Health Net cuenta con un Departamento de Servicios al Afiliado para que usted llame si alguna vez tiene preguntas sobre su plan de salud, desea cambiar de médico, o bien, tiene una queja sobre su médico o el plan. El Departamento de Servicios al Afiliado está disponible las 24 horas, todos los días, incluyendo los fines de semana y los días feriados. Siempre hay un cordial representante a su disposición cada vez que necesita ayuda.

El Departamento de Servicios al Afiliado es su vínculo con el Departamento de Clasificación según las Prioridades de Atención de Enfermería de Health Net. Si intenta llamar a su médico durante el fin de

semana o fuera del horario de atención porque está enfermo, y no puede comunicarse, llame a nuestro Departamento de Servicios al Afiliado y un representante le comunicará con una enfermera que podrá ayudarle y responder sus preguntas.

Recuerde: Si se encuentra en una emergencia de riesgo vital, llame al 911 para obtener ayuda de emergencia o vaya de inmediato a la sala de emergencias más cercana.

Para hablar con un representante del Departamento de Servicios al Afiliado, llame al 1-800-675-6110.

La llamada es gratuita y usted puede hablar con alguien las 24 horas del día, todos los días. El número de teléfono del Departamento de Servicios al Afiliado también aparece en el reverso de su tarjeta de identificación de afiliado de Health Net.
