Introduction

Choosing your primary care physician (PCP)

When you enroll with Health Net, you will select a primary care physician (PCP); a PCP is a doctor who will be your personal doctor. Your PCP may be a family practice, general practice, internal medicine, obstetrics and gynecology (OB/GYN), or pediatrics (for your children) physician. You may want to have one doctor who will see your whole family, or you may want to have one doctor for you and a different doctor for your children.

Your PCP will be the doctor you will see when you are sick; he or she will refer you to a specialist and coordinate your health care whenever you need it. You must always see your PCP each time you need medical treatment unless it is an emergency. You do not need to get a referral from your PCP to visit your eye doctor for a regular examination, for a family planning visit, for care during pregnancy, or to access a nurse midwife.

If you are a female member, you may choose to see an OB/GYN for routine examinations and prenatal care. You do not need a referral from your PCP, but you may ask him or her to recommend the name of an OB/GYN for you. There is also a listing of these providers in the section of your directory titled "OB/GYN Providers." The OB/GYN you choose must be a Health Net provider and belong to the same medical group as your PCP.

For assistance in locating a nurse midwife in your area, please contact the American College of Nurse Midwives' electronic "Practice Locator Service" at 1-888-MIDWIFE (643-9433). You will be asked to enter your ZIP code, and you will be provided with the name, address and telephone number of the nurse midwife (or midwives) closest to your area.

The Practice Locator Service is only available in English. If you do not speak English, please call Health Net's Member Services Department at 1-800-675-6110. A representative will be happy to contact the Practice Locator Service and provide you with the information in your language.

All eligible Native Americans have the right to access medical services through Indian Health Service facilities. You do not need a referral from your PCP. The health plan will reimburse the facilities for covered services.

Some hospitals and other providers do not provide one or more of the following services that may be covered under this health plan, and which members might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. Call your doctor or clinic, or call Health Net's Medi-Cal Member Services Department at 1-800-675-6110 to ensure that you can obtain the health care services that you need.

If you feel this document has given wrong, partial or deceptive information, you may file a complaint. To file a complaint, go to **www.healthnet.com**, or contact our Member Services Department at 1-800-675-6110. You can also contact us by mail.

When you become a member of Health Net, you will receive a member identification card like the one pictured below. You will need to show this card each time you see your doctor, get your prescriptions (medicine), use the emergency room, or see your eye doctor. Keep this card with you at all times.

Do not throw your Medi-Cal (BIC) card away

You will need to use your Medi-Cal card to see your Medi-Cal dentist and to get some other services that are not covered by Health Net.

Introducción

Cómo elegir a su médico de atención primaria (PCP)

Cuando se inscriba en Health Net, usted seleccionará un médico de atención primaria (por sus siglas en inglés, PCP), que será su médico personal. Su médico de atención primaria puede ser un médico de medicina familiar, práctica general, medicina interna, obstetricia y ginecología (por sus siglas en inglés, OB/GYN) o pediatría (para sus hijos). Si lo desea, puede contar con un médico que atienda a toda su familia, o bien, puede tener un médico para usted y otro para sus hijos.

Su médico de atención primaria será el médico al que consulte cuando se enferme; éste le remitirá a un especialista y coordinará su cuidado de la salud cuando usted lo necesite. Siempre debe consultar a su médico de atención primaria cada vez que necesite tratamiento médico a menos que se trate de una emergencia. No necesita obtener una remisión de su médico de atención primaria para consultar a su oculista a fin de realizarse un examen regular, para una consulta de planificación familiar, para la atención durante el embarazo ni para acceder a una enfermera partera.

Si usted es una afiliada, puede elegir consultar a un obstetra/ginecólogo para realizarse exámenes de rutina y recibir atención prenatal. No necesita una remisión de su médico de atención primaria, pero puede solicitarle que le sugiera el nombre de un obstetra/ginecólogo. También hay una lista de estos proveedores en la sección de su directorio titulada “Proveedores de Obstetricia/Ginecología”. El obstetra/ginecólogo que elija debe ser un proveedor de Health Net y debe pertenecer al mismo grupo médico que su médico de atención primaria.

Si desea obtener ayuda para localizar a una enfermera partera en su área, comuníquese con el “Servicio de Localizador de Consultorios”, un servicio electrónico del American College of Nurse Midwives (Colegio Estadounidense de Enfermeras Parteras), al 1-888-MIDWIFE (643-9433). Se le solicitará que ingrese su

código postal y se le proporcionará el nombre, la dirección y el número de teléfono de la/s enfermera/s partera/s más cercana/s a su área.

El Servicio de Localizador de Consultorios sólo se encuentra disponible en inglés. Si usted no habla inglés, llame al Departamento de Servicios al Afiliado de Health Net al 1-800-675-6110. Uno de nuestros representantes con gusto se comunicará con el Servicio de Localizador de Consultorios y le brindará la información en su idioma.

Todos los Nativos Americanos elegibles tienen derecho a acceder a los servicios médicos a través de los centros del Servicio de Salud Indígena. Usted no necesita una remisión de parte de su médico de atención primaria. El plan de salud le reembolsará a los centros por los servicios cubiertos.

Algunos hospitales y otros proveedores no prestan uno o más de los siguientes servicios que pueden estar cubiertos conforme a este plan de salud y que los afiliados podrían necesitar: planificación familiar; servicios anticonceptivos, incluyendo anticoncepción de emergencia; esterilización, incluyendo ligadura de trompas al momento del parto; tratamientos de infertilidad; o aborto. Llame a su médico o clínica, o bien, llame al Departamento de Servicios al Afiliado de Medi-Cal de Health Net al 1-800-675-6110, para asegurarse de poder obtener los servicios de cuidado de la salud que necesita.

Si considera que este documento ha brindado información incorrecta, parcial o engañosa, puede presentar una queja. Para presentar una queja, visite www.healthnet.com o comuníquese con nuestro Departamento de Servicios al Afiliado al 1-800-675-6110. También puede comunicarse con nosotros por correo postal.

Envíe su queja a:

¿Con Qué Rapidez Puedo Consultar al Médico?

Cuando usted necesita atención médica, es importante que la reciba de manera oportuna. La cantidad de tiempo que debe esperar para su cita depende de su afección de salud. También depende del tipo de atención que necesite. La siguiente tabla indica con qué rapidez debería poder consultar a un médico. Puede ser aceptable esperar más tiempo **si esto no daña su salud**.

(**Nota:** Un día hábil, por lo general, es de lunes a viernes. No incluye los fines de semana ni los días feriados). Programe una cita de atención de rutina para consultar a su médico si es un paciente nuevo y/o ha obtenido un seguro de salud recientemente.

<i>Tipo de cita</i>	<i>Tiempo de espera para la cita</i>
Cita de atención de rutina con su médico de atención primaria (PCP) – su médico principal	Dentro de los 10 días hábiles
Cita de atención de rutina con un especialista (cuando le remite su PCP)	Dentro de los 15 días hábiles

Si necesita ayuda para programar una cita, llame al Departamento de Servicios al Afiliado al 1-800-675-6110.

Se pueden coordinar servicios de idiomas junto con las citas programadas para servicios de cuidado de la salud de manera que un intérprete esté disponible en el momento de la cita. Use el número que aparece en su tarjeta de identificación para programar los servicios de un intérprete.
