* **Health Net Gold Select (HMO) uses specific providers only.** Not all participating provider groups (PPGs) and their affiliated primary care providers (PCPs) and facilities are available to you in your service area for this plan. In addition, you may be limited to providers within your primary care provider's (PCP's) and/or medical group's network. This means that the PCP and/or medical group that you choose may determine the specialists and hospitals you can use. It is important to understand that Health Net offers a variety of plans in each service area; if your provider of choice is not available through this plan, the provider may be available through a different Health Net plan offering.

¹ Multi-year benefits may not be available in subsequent years.

² Benefit allowance once every 2 years.

The benefit information provided is a brief summary, not a complete description of benefits. For more information, contact the plan. You must continue to pay your Medicare Part B premiums.
