Paying your plan premium

For Medicare Advantage Prescription Drug plans with no premiums: If we determine that you owe a late enrollment penalty (or if you currently have a late enrollment penalty), we need to know how you would prefer to pay it. You can pay by mail each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month. If you are assessed a Part D-Income related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or the RRB. DO NOT pay Health Net the Part D-IRMAA.

For all plans with premiums: You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by mail each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month.

If you are assessed a Part D-Income Related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or RRB. DO NOT pay Health Net the Part D-IRMAA.

People with limited incomes may qualify for extra help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles and coinsurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this extra help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for extra help online at www.socialsecurity.gov/prescriptionhelp.

If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

If you don't select a payment option, you will get a bill each month.

Please select a premium payment option:

- Get a bill
- Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check. I get monthly benefits from: Social Security RRB
- (The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.)

By completing this enrollment application, I agree to the following:

Health Net is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. For plans without prescription drugs, I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: October 15–December 7 of every year), or under certain special circumstances.

Health Net serves a specific service area. If I move out of the area that Health Net serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of Health Net, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Health Net when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

I understand that beginning on the date Health Net coverage begins, I must get all of my health care from Health Net, except for emergency or urgently needed services or out-of-area dialysis services. For PPO plans, I understand that beginning on the date Health Net coverage begins, using services in-network can cost less than using services out-of-network, except for emergency or urgently needed services or out-of-area dialysis services. If medically necessary, Health Net provides refunds for all covered benefits, even if I get services out of network. Services authorized by Health Net and other services contained in my Health Net's *Evidence of Coverage* document (also known as a member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR HEALTH NET WILL PAY FOR THE SERVICES.**

I understand that if I am getting assistance from a sales agent, broker or other individual employed by or contracted with Health Net, he/she may be paid based on my enrollment in Health Net.

Release of information: By joining this Medicare health plan, I acknowledge that Health Net will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that Health Net will release my information including my prescription drug event data to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the State where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that 1) this person is authorized under State law to complete this enrollment and 2) documentation of this authority is available upon request from Medicare.
