⁴The “usual and customary” charge is preset for each procedure. This charge is determined by the complexity of the treatment and the fee most commonly charged for that procedure in a particular geographic area. This is the “maximum allowable” for any procedure, and the benefit will be calculated based on the provider’s submitted fee or the usual and customary amount – whichever is lower.

⁵The discount is available only when a complete pair of glasses is purchased. Items purchased separately will be discounted 20% of the retail price.
