

Health Net Gets You Where You Need to Go

Health Net has partnered with LogistiCare, a transportation management company, to offer Health Net Seniority Plus (Employer HMO) retirees transportation to medical appointments **at no cost!**

Health Net's transportation benefit offers:

- 24 one-way trips per year.
- The option to bring a caretaker or family member without it counting as an extra transport.
- The ability to ask the driver to stop at a pharmacy, radiology office or lab from a physician's office without it counting against the number of trips.
- Convenient curb-to-curb, door-to-door or door-through-door (gurney only) services (depending upon the member's needs).
- Share-A-Ride vehicles: You have the option to share a ride in the same vehicle as other passengers who may have a similar appointment time or destination.
- Other vehicles: taxi, large sedan or minivan if needed.
- Wheelchair and gurney vans available when needed.
