This directory provides a list of Health Net Violet (PPO)'s network providers.

This directory is for San Diego County, CA.

This directory is current as of September 2012. Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each provider is still accepting new members. To get the most up-to-date information about Health Net Violet's network providers in your area, you can visit [www.healthnet.com/medicare](http://www.healthnet.com/medicare) or call our Member Services Department at 1-800-579-9096 (prospective members), 1-800-960-4638 (for Health Net Violet members), 8:00 a.m. to 8:00 p.m. Pacific time (PT), seven days a week. Health Net is a Medicare Advantage organization with a Medicare contract.

This contract is renewed annually, and availability of coverage beyond the end of the contract year is not guaranteed. This plan may not be available to Medicare beneficiaries in the following contract year because, by law, plan sponsors, like Health Net, can choose not to renew their contract with CMS, or they can reduce their service area, and CMS may also refuse to renew the contract, thus resulting in a termination or non-renewal.

Health Net es una organización de Medicare Advantage que tiene un contrato con Medicare.

Este contrato se renueva anualmente y no se garantiza la disponibilidad de la cobertura después de la finalización del año de contrato. Este plan puede no estar disponible para los beneficiarios de Medicare en el siguiente año de contrato debido a que, por ley, los patrocinadores del plan, como Health Net, pueden decidir no renovar su contrato con los Centros de Servicios de Medicare y Medicaid (por sus siglas en inglés, CMS) o reducir su área de servicio y, además, los CMS pueden negarse a renovar el contrato, lo cual daría como resultado una terminación o no renovación.

# Section 1 – Introduction

This directory provides a list of Health Net Violet (PPO)'s network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage*.

Health Net Violet members have the freedom to choose any doctor who accepts them as a Medicare patient. Your Health Net Violet plan gives you two levels of benefits and many choices of providers.

- In-Network Coverage – Applies when you receive covered services from providers in our Health Net Violet network. Providers and Facilities that are contracted with Health Net Violet are called in-network or network providers and facilities. In-network providers are listed in this directory.
- Out-of-Network Coverage – Applies when you receive covered services from providers who are eligible for payment from Medicare and who do not participate in our Health Net Violet network. These providers are referred to as non-network providers. It is important to note that utilizing a non-network provider will typically result in higher out-of-pocket costs for covered services.

The level of benefits or coverage you receive is based on the provider network you choose. The “network providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider.

Your Health Net Violet plan does not require that you select a primary care provider to coordinate your health care. You receive your in-network benefits when you receive covered services from a Health Net Violet network provider and follow any applicable guidelines, such as obtaining prior authorization when it is required.

Refer to the Health Net Violet *Evidence of Coverage* (EOC) to determine which in-network services require prior authorization. You can get covered benefits out-of-network from any non-network provider qualified to provide the benefit in question and who is eligible for payment from Medicare.

Post-stabilization services are medically necessary covered services related to an emergency medical condition that are provided after you are stabilized in order to maintain the stabilized condition. Health Net covers post-stabilization care following the administration of emergency services to stabilize or evaluate an emergency medical condition. If your emergency care is provided by non-network providers, we will try to arrange

for network providers to take over your care as soon as your medical condition and the circumstances allow. Please refer to your Health Net plan *Evidence of Coverage* for more detailed information.

For directories listing other Health Net participating network providers, facilities and/or pharmacies, call our Member Services Department at 1-800-960-4638, (for Health Net Violet members), seven days a week, 8:00 a.m. to 8:00 p.m. Pacific time (PT). TTY/TDD users should call 1-800-929-9955.

# Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores de la red de Health Net Violet (PPO). Para obtener información detallada sobre su cobertura de cuidado de la salud, consulte su *Evidencia de Cobertura*.

Los afiliados a Health Net Violet tienen la libertad de elegir a cualquier médico que los acepte como pacientes de Medicare. Su plan Health Net Violet le brinda dos niveles de beneficios y muchas opciones de proveedores.

- Cobertura Dentro de la Red – Se aplica cuando recibe servicios cubiertos de proveedores de nuestra red de Health Net Violet. Los Proveedores y los Centros que están contratados por Health Net Violet se denominan proveedores y centros de la red o dentro de la red. Los proveedores dentro de la red están enumerados en este directorio.
- Cobertura Fuera de la Red – Se aplica cuando recibe servicios cubiertos de proveedores que son elegibles para el pago de Medicare y que no forman parte de nuestra red de Health Net Violet. Se hace referencia a estos

proveedores como proveedores que no pertenecen a la red. Es importante tener en cuenta que el uso de un proveedor que no pertenece a la red generalmente implicará costos de desembolso más altos por los servicios cubiertos.

El nivel de beneficios o de cobertura que recibe se basa en la red de proveedores que elige. Los “proveedores de la red” enumerados en este directorio han aceptado brindarle su cobertura de cuidado de la salud. Usted puede ir a cualquiera de los proveedores de nuestra red enumerados en este directorio. Si usted ha consultado a un proveedor de la red, no se requiere que continúe con ese mismo proveedor.

Su plan Health Net Violet no requiere que seleccione un proveedor de atención primaria para que coordine su cuidado de la salud. Usted recibe sus beneficios dentro de la red cuando obtiene servicios cubiertos de un proveedor de la red de Health Net Violet y sigue cualquier pauta aplicable, como obtener la autorización previa cuando se requiere.

Consulte la *Evidencia de Cobertura* (por sus siglas en inglés, EOC) de Health Net Violet para determinar qué servicios dentro la red requieren autorización previa. Puede obtener beneficios cubiertos fuera de la red de cualquier proveedor que no pertenece a la red calificado para brindar el beneficio en cuestión y que sea elegible para el pago de Medicare.

Los servicios posteriores a la estabilización son servicios cubiertos, médicamente necesarios, relacionados con una condición médica de emergencia y proporcionados después de que su condición se estabiliza a fin de mantenerla estabilizada. Health Net cubre la atención posterior a la estabilización que se brinda después de proporcionar servicios de emergencia para estabilizar o evaluar una condición médica de emergencia. Si su atención de emergencia es proporcionada por proveedores que no pertenecen a la red, intentaremos disponer su atención a través de proveedores de la red ni bien su condición médica y las circunstancias lo permitan. Para obtener información más detallada, consulte la *Evidencia de Cobertura* de su plan de Health Net.

Para obtener directorios que enumeran a otros proveedores, centros y/o farmacias participantes de la red de Health Net, llame a nuestro Departamento de Servicios al Afiliado al 1-800-960-4638 (para afiliados a Health Net Violet), los siete días de la semana, de 8:00 a.m. a 8:00 p.m., hora del Pacífico (PT). Los usuarios de TTY/TDD deben llamar al 1-800-929-9955.
