Introduction

This directory provides a list of Health Net Dental Preferred Provider Organization (PPO) network providers. Dental PPO benefits are available through participating network providers of Health Net Dental.

Not all Health Net members have the supplemental benefit that includes additional dental benefits. To get detailed information about your dental care coverage, please see your *Evidence of Coverage (EOC)*.

Enrollment in Health Net's Dental PPO plan provides you with two levels of benefit coverage. Your cost-sharing will vary depending upon the provider you choose to see:

- In-network: Saves you money when using in-network providers (providers who are listed in this provider directory).
- Out-of-network: Applies when you use providers who are out-of-network (providers who are not listed in this provider directory). This option will generally result in greater out-of-pocket costs to you.
- You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, Health Net may not be responsible for the costs.

To get detailed information about whether an out-of-network provider should bill you directly or about your dental coverage, please refer to your *Evidence of Coverage*.

The “network providers” listed in this directory have agreed to provide you with your dental coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider.

For directories listing other Health Net participating network providers, facilities and/or pharmacies, call our Member Services Department at 1-800-977-7522, 8:00 a.m. to 8:00 p.m., seven days a week. TTY users should call 711.

Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores de la red de la Organización de Proveedores Preferidos (por sus siglas en inglés, PPO) de Health Net Dental. Los beneficios Dentales de PPO están disponibles a través de los proveedores participantes de la red de Health Net Dental.

No todos los afiliados a Health Net cuentan con el beneficio suplementario que incluye beneficios dentales adicionales. Para obtener información detallada sobre su cobertura de atención dental, consulte su *Evidencia de Cobertura* (por sus siglas en inglés, EOC).

La inscripción en el plan Dental PPO de Health Net le brinda dos niveles de cobertura de beneficios. Sus costos compartidos variarán según el proveedor que decida consultar:

- Dentro de la red: Le permite ahorrar dinero al utilizar proveedores dentro de la red (proveedores que están enumerados en este directorio).
- Fuera de la red: Se aplica cuando utiliza proveedores fuera de la red (proveedores que no están enumerados en este directorio de proveedores). Esta opción generalmente implicará costos de desembolso mayores para usted.

- Usted está obligado a usar los proveedores de la red, excepto en situaciones de atención de emergencia o de urgencia. Si recibe atención de rutina de proveedores fuera de la red, es posible que Health Net no será responsable de los costos.

Para obtener información detallada sobre si un proveedor fuera de la red debe facturarle directamente a usted o sobre su cobertura dental, consulte su *Evidencia de Cobertura*.

Los “proveedores de la red” enumerados en este directorio han acordado brindarle su cobertura dental. Usted puede ir a cualquiera de los proveedores de nuestra red enumerados en este directorio. Si usted ha consultado a un proveedor de la red, no se requiere que continúe con ese mismo proveedor.

Para obtener directorios que enumeran a otros proveedores, centros y/o farmacias participantes de la red de Health Net, llame a nuestro Departamento de Servicios al Afiliado al 1-800-977-7522, de 8:00 a.m. a 8:00 p.m., los siete días de la semana. Los usuarios de TTY deben llamar al 711.
