# Section 1 – Introduction

This directory provides a list of Health Net Vision network providers. Eyewear benefits for eyeglasses and contact lenses are available through participating providers of Health Net Vision.

Not all Health Net members have the supplemental benefit that includes additional eyewear benefits. To get detailed information about your health care coverage, please see your *Evidence of Coverage*.

## Obtaining Eyewear Benefits

**For Health Net Seniority Plus (HMO), Health Net Healthy Heart (HMO), Health Net Ruby Select (HMO), Health Net Gold Select (HMO), Health Net Jade (HMO SNP), and Health Net Seniority Plus (Employer HMO) members.**

Your routine eye examination is covered as a basic medical benefit through your medical plan. Coverage for eyeglasses or contact lenses is only available through participating providers of Health Net Vision.

Following your exam, obtain your current lens prescription, then have the vision prescription filled at any Health Net Vision participating provider. You may receive your eyewear from your Health Net Vision optometrist or ophthalmologist only if he or she is a participating provider of Health Net Vision.

## **For Health Net Violet (PPO) members**

All Health Net Violet (PPO) members who purchase the supplemental package have coverage for routine vision exams. To access your in-network level of coverage, make an appointment with a Health Net Vision participating provider listed in this directory. You also have the option to receive a vision examination with an out-of-network provider at a higher out-of-pocket cost.
